Annual Report for 2024–25: 4th Billericay Scout Group

Introduction

This annual report provides a comprehensive summary of the financial activities, asset management, and operational achievements of the 4th Billericay Scout Group for the financial year ending 31 March 2025. As a registered charity dedicated to supporting young people in their personal development through adventure, challenge, and community engagement, the 4th Billericay Scout Group remains committed to delivering exceptional scouting experiences whilst maintaining the highest standards of financial stewardship and governance.

The report encompasses a detailed examination of all receipts and payments processed through our charity accounts, a thorough analysis of individual youth section finances across our Beaver, Cub, and Scout sections, and a complete valuation of our equipment and physical assets. This documentation reflects our ongoing dedication to providing high-quality, diverse activities and maintaining robust resources that enable our young members to thrive in a safe, well-equipped environment. Throughout the year, we have continued to invest strategically in our facilities and equipment, ensuring that the 4th Billericay Scout Group remains well-positioned to serve current and future generations of young people in our community.

The accounts have been meticulously prepared in full accordance with the Charity Commission's requirements and relevant accounting standards, providing a transparent and comprehensive overview of the group's financial operations and demonstrating our commitment to accountability and good governance. This report serves not only as a statutory requirement but also as a testament to the dedication of our volunteers, the generosity of our supporters, and the vibrant enthusiasm of our young members who make the 4th Billericay Scout Group such a valuable asset to our local community.

Financial Overview

Receipts and Payments (Charity Accounts)

The group managed significant financial activity during the year, with total receipts of £25,303 and total payments of £35,991.02. This resulted in a net movement of – £10,688.02, leaving a closing cash balance of £13,843.72. Receipts were primarily generated from member subscriptions, activity fees, fundraising, and hall rental income, which contributed £14,504 this year. Payments included costs for activities, equipment, administration, and significant maintenance, such as the £8,500 investment in a new kitchen to future-proof facilities. Despite the net outflow, the closing cash balance remains healthy, supporting ongoing operations.

Youth Sections Accounts

The youth sections remained highly active, generating a total income of £10,397 through subscriptions (£4,613), activities (£5,311.50), uniform sales (£162), and fundraising (£310). Total expenditure for the sections reached £22,283.97, covering member-related costs of –£5,976.33 and activity expenses of –£8,384.43. Additional costs included –£387.95 for uniforms, –£1,146.59 for badges, –£2,980.46 for group equipment, and combined costs for hall equipment, maintenance, and administration totalling approximately –£3,251. Expenditure exceeded income this year, reflecting a deliberate investment in member engagement and new equipment to support a wide range of activities.

Equipment and Asset Valuation

The group maintains a comprehensive inventory of equipment to support its scouting missions. The total asset value was recorded at £27,094.50 for 2025, a slight decrease from the 2024 value of £29,757. As of 2025, the major asset categories include camping equipment valued at £10,727.50, fixtures and fittings at £7,060, and indoor/outdoor activity equipment at £4,388. Maintenance equipment is valued at £1,015, with an additional £1,879 in miscellaneous items. While asset values have decreased slightly, likely due to depreciation or disposals, fixtures and camping gear remain the group's most valuable physical resources.

Operational Highlights & Governance

- **Financial Management:** Managed over £35,000 in combined receipts and payments, focusing heavily on youth activities and facility upgrades.
- **Asset Tracking:** Detailed documentation of equipment supports operational needs and ensures compliance with valuation standards.
- **Member Engagement:** High participation levels were maintained across all sections, supported by detailed tracking of member payments and event receipts.
- **Governance:** The accounts have been reviewed by trustees to ensure transparency. All funds are managed under dual-signatory requirements and in accordance with Charity Commission guidelines.

Recommendations

- **Monitor Expenditure:** As payments exceeded receipts this year, a continued review of activity costs and new fundraising opportunities is recommended.
- **Asset Renewal:** Plan for gradual equipment renewal to sustain high activity levels as current assets depreciate.
- **Sustainable Utilities:** Leverage the anticipated £2,000 offset from solar panels to manage rising utility and insurance costs.

Conclusion

The 2024–25 financial year represents a period of strategic investment and sustained commitment to excellence for the 4th Billericay Scout Group. Whilst the year has seen expenditure exceed income, this outcome reflects deliberate and considered decisions by our trustees to invest in critical infrastructure improvements, particularly the £8,500 kitchen renovation, and to enhance the breadth and quality of activities available to our young members across all sections.

Looking ahead, the group is well-positioned to build upon this year's investments. The anticipated £2,000 annual offset from our solar panel installation will help mitigate rising utility costs, whilst our renewed kitchen facilities will serve the group for many years to come. Our trustees remain committed to prudent financial management, with ongoing monitoring of expenditure patterns and active exploration of additional fundraising opportunities to ensure long-term sustainability.

The 4th Billericay Scout Group continues to thrive as a vital community resource, providing adventure, learning, and personal development opportunities to young people in our area. We extend our sincere gratitude to all our volunteers, supporters, parents, and partners who contribute their time, expertise, and resources to make our work possible. Most importantly, we celebrate the enthusiasm and achievements of our young members, whose energy and spirit remain at the heart of everything we do.

We look forward to the 2025–26 year with confidence and optimism, committed to maintaining our high standards of provision whilst ensuring the responsible stewardship of our charitable resources for the benefit of current and future generations of young scouts in Billericay.
