Section B**Structure, governance and management**

Type of governing document
(e.g. trust deed, constitution)

The Group is a charity established under the rules as documented in the Group Constitution. In addition, the Group abides by The Policy, Organisation and Rules (POR) of The Scout Association.

How the trust is constituted (e.g. trust, association, company)

The trust is a charitable company and is therefore obliged to follow the rules laid out by the Charity Commission, in addition to The Policy, Organisation and Rules of The Scout Association.

Additional governance information
(optional information but encouraged
as best practice).

You may wish to include additional
information, where relevant, about
policies and procedures adopted for:

- a. the induction and training
of trustees.

The Group is overseen by the Group Executive Committee (to be referred to as the Trustee Board from April 2023, and in the remainder of this report, in line with the Scout Association POR) the members of which are the 'Charity Trustees' of the Scout Group (to align with the Charity Commission). As charity trustees we are responsible for complying with legislation applicable to charities to make sure it is run safely and legally. This includes registration of the charity, keeping proper accounts and submitting financial returns to the Charity Commission on an annual basis.

At the time of writing this report, The Committee consists of 6 independent representatives, including the web administrator and gift aid co-ordinator, Group Scout Leader, Chair, Treasurer and Secretary together with the individual section leaders. The Committee meets every month (except August) during the year.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of Group assets, including property and equipment,
- The management of Group finance,
- The insurance of persons, property, and equipment,
- Running of Group events.

- b. Trustee' consideration of major
risks and the systems and
procedures to manage them

Risk 1: Impact of COVID Pandemic

This risk is closed and removed for this 22/23 Annual Report.

Risk 2: Contraction of COVID.

This risk is closed and removed for this 22/23 Annual Report.

Risk 3: Financial Pressures

Due to roof damage, the Group must replace the roof. This is going to come at considerable expense to the Group.

We have been able to identify/receive several grants/donations as well as being able to ring fence existing Group funds to cater for this major expense. However, this does put under pressure future finances in relation to the replacement of equipment such as tents, other canvases etc.

Risk 4: Damage to property / theft of assets

Since the relaxation of lock down, we have not seen any increase in malicious attempts to damage or steal property/equipment.

We will continue to monitor the situation.

As always, in addition to malicious damage, there is also the threat of fire, accidental injury through various hazards such as trips, slips etc.

We have in place controls such as:

- Fire extinguishers services,
- Newly replaced emergency lights
- Review of activities by sections (as previously mentioned, due to the length of service of leaders, they have many years of experience in running activities)
- Maintaining first aid certificates and safeguarding training.
- A cleaner who cleans weekly and does a more thorough clear once a month
- Hand sanitisers and paper towel dispensers

During periods of non-use of the HQ we undertake regular visual checks inside and outside to ensure no damage, in line with our insurance policy.

We have also had a structural survey completed for a crack at a join between a pillar and the wall. The survey has returned a no concern assessment but has recommended removal or downsizing trees in the immediate area, which we look to undertake in 22/23 FY.

In line with the asbestos policy, we had our roof surveyed at the end of 21/22. This has resulted in a committee decision to replace the roof with modern materials. This again is something we are hoping to achieve in 22/23 FY, dependent on grants and donations.

Risk 5: Expiry of Land Lease

Due to the Group's purchase of the land, this risk has now been closed for this 2022/23 Annual Report

Risk 6: Electronic Data

With social media and electronic data being the norm, we are aware of the importance of ensuring that our most valuable data such as personal identifiable information, photos etc are managed appropriately.

In line with the Scout Association, all committee members have completed their GDPR (Data Protection Act 2018) training. In addition, all parents are asked to complete a permission form for using photos when their young people join the Group.

We moved all our paper records to OSM. I am now able to state that our Beaver, Cub and Scout sections are all using this as their main records storage.

We are investigating the possibility of buying refurbished mobile phones which can be used for capturing of Group activities, section meetings

Section B**Structure, governance and management**

etc. We also are proposing to install broadband into the HQ so that content from the phones can be immediately be saved securely and deleted from the phones. This will remove the need for personal phones to be used.

In relation to social media, all sections continue to use locked down sites, which are only accessible by those who are members.

Risk 7: Shortage of new leaders.

As was reported last year, we have been incredibly lucky that our leaders have remained with the Group for many years. This has meant our need to replace new leaders has been low. However, we are still investigating alternative sources for leaders to step up when our current leaders decide to step down.

To add pressure to this, due to numbers, we have created a separate Cub meeting on a Tuesday. Although the leader situation is stable at present, this could change.

It is a well-researched fact that the voluntary sector is struggling to recruit new members, and this is the same for the 11th Gloucester. We are fortunate to continue our close ties with the Explorer unit, which means we do have a flow of young leaders, but adult leaders remain a challenge. We have written to the local college to enquire as to whether those looking to gain experience for teaching qualifications etc would be interested in becoming leaders. We are waiting to hear back.

Risk 8: Changes to Scout Association Governance Rules

As a result of changes to the Policy, Organisation and Rules, there is a risk that we lose volunteers and/or leaders.

The Group is currently assessing the impact of the changes to our current constitution.

Summary of the objects of the charity set out in its governing document

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs, and attitudes.

Co-operation - We make a positive difference; we cooperate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

11th Gloucester Objective

Our stated aim is to provide children and young people between the ages of 6 and 18 somewhere to go and have fun.

In addition, we see Scouting as a fantastic way of giving our young people responsibilities and different opportunities appropriate to their age and within a controlled environment.

Summary of the main activities in relation to these objectives.

Sections

Beavers

In the 11th Gloucester Group, we have two Beaver colonies, one held on a Monday evening and one held on a Thursday evening. Their activities range from badge work, art, and craft activities, visiting places of interest to indoor overnight camps.

Cubs

We have one Cub section, but due to numbers the Pack now has meetings on a Tuesday and Wednesday evening. The same programme is delivered to both. Their activities include badge work, indoor and outdoor camps, taking part in district events and visits to local places.

Scouts

Our scout troop meets on a Friday evening. They have a wide range of activities including, work towards badges (incorporated into the overall programme), pioneering/knots and lashings, rock climbing at a local

Although they report directly to the District, we are immensely proud to say that they are also an integral part of the Group. Their activities include debate evenings, quiz nights, cooking, hikes, car maintenance, art and outdoor camps.</p> <p>As well as the volunteer leaders and committee members, we also encourage parents to join our 'Friends of the Committee' group. These are parents who we call upon to help organise and run events, maintain our headquarters including grass and hedge cutting. We are also keen to arrange events, when the pandemic situation allows, which get our parent/carer community involved in the Group.</p> <p>We are looking at ways to encourage more parents to get involved in whatever way they can.</p>
<p>Public benefit statement</p>	<p>The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.</p>

Section D	Achievements and performance
<p>Summary of the main achievements of the charity during the year.</p>	<p>Group</p> <p>As the Group Chair, on behalf of the Trustee Board, I recognise the immense effort all leaders, young leaders and helpers have put into providing an engaging, varied and expansive programme of Scouting opportunities, appropriate for the age group they lead. I am extremely proud and grateful to be part of an amazing Group.</p> <p>Although it has been a year that will not be forgotten, the Group committee.</p> <p>Once again, the Group has achieved much this year, including:</p> <ul style="list-style-type: none"> • Transferring an archive of past Group records to the Gloucester Archive. • Reviewed and updated the Finance policy. • Securing several grants to assist in our funding of the roof replacement. • Obtaining quotes for the roof replacement. • Running another successful Parent and Child camp in September. A special thank you goes to Pam Tovey in the district team, who helped to ensure all parents achieved their DBS. • Replaced degraded equipment, including the lawn mower. • Had a mass clear out and tidy up of our storage areas using a skip! • Continued maintenance of the HQ, including repairing internal doors and arranged a survey of a crack in the HQ wall (which has been assessed as not of major concern, but needs remedial action). • Held our popular Halloween and Firework evening,

including best pumpkin, best costume and a sing song round a camp fire.

- Amazing representation at the Hucclecote Remembrance Day Parade.

Monday Beavers

Numbers (March 23)

- Currently have 31 beavers (2 transitioning)
- 5 to invest
- 10 due to transition by September
- 5 on the waiting list, all due to start this year (plus any from Squirrels)
- Currently we have 4 young leaders, 3 completing DofE (2 x Bronze, 1 x Gold) and 6 adult leaders.

Review of year

- Apr/Jul 2022 - Visited Gloucester Prison 26 beavers, 19 attended Go Ape, made twists, made mini rafts, money skills.

- Over the year we have awarded 278 badges - invested 17 beavers throughout the year, 9 x Chief Scout Bronze Awards, 53 challenge badges, lots of activity badges and a handful of staged badges.

Thursday Beavers

Numbers (March 23)

- Maintained at set limit of 28 beavers
- Steady flow coming through from the waiting list, where we have 3 children of eligible Beaver age and a further 5 within the Squirrel age bracket.
- We have had several changes in our leadership team over the past year, with Barry and Dan both taking the decision to step down from Assistant Beaver Leaders in 2022 and Izzy stepping up to join us, making leader numbers up to 4 leaders and 1 Young Leader.

Review of year

In addition to their roles as Beaver leaders, our current leaders continue to grow a breadth of skill sets, and ensure that 11th Gloucester is promoted beyond our own Scout group, through involvement with the District Executive and Programme ADCs teams, roles in Gloucester Gang Show, supporting another group with setting up a Squirrel drey and being part of the leadership team for a county-wide international Harlem Jamborette. These experiences can only enhance what the leaders are then able to provide for our Beavers.

During meeting nights, in addition to specific badge focused evenings, some of the highlights have included:

- Tubing
- Code breaking
- Holi festival – tie dyeing
- Twist making
- Remembrance pebbles and handprints
- Family carnival summer madness
- Robinswood Hill wide games
- Fire engine visit
- Canal and River trust visit
- Climbing and caving
- Jubilee Celebrations (complete with all things British: scones, chip shop chips, Jubilee pin badges, homemade hat parade and more)
- Burns Night (complete with haggis, cranachan cake, kilts and tartan)

In addition to the range of activities within meeting nights, the Beavers have had 2 sleepover opportunities. We ran an outdoor, pirate themed sleepover under canvas in June, which also enabled attendees to achieve the camp craft activity badge and resulted in Hannah earning her Nights Away Permit, and an indoor Halloween sleepover in October. Both of these had 16 Beavers in attendance.

Over the course of the year, a total of 6 Bronze Awards were awarded to individuals, alongside a further 342 activity, staged and challenge badges. Ensuring that we provide a varied programme aiming to enable all Beavers to achieve badges and top awards prior to moving up to Cubs continues to be at the forefront of everything we do.

- Christmas Craft night & Christmas Party

January till March 23

With our numbers now over 36 & the Beavers coming up & waiting lists over 10 we decided to start a second cub pack on a Tuesday night. Doing the same programme on both nights & our leaders splitting to cover both nights. Pete Shute decided to step down as Cub scout Leader, which has been for many years, and Mark Greening was appointed as the new Cub Scout Leader for both nights. 8 cubs transferred from Wednesday night & we took in 11 beavers into Tuesday pack from both colonies.

- Both packs took part in the district Cub quiz, coming 1st and 2nd
- We did the DIY badge
- Attended the Group's Founders Day celebrations.
- In the past year 6 Cubs have gained their silver awards.

Scouts

Troop numbers

We started the year with 18 Scouts and just about managing to have four Patrols. We now have 28 Scouts and will look to move to six patrols as and when our numbers reach 36.

We have six Scouts due to move to Explorers in September. All six are well on their way to completing their Chief Scout Gold award.

Review of year

2022 Camps:

- May Day was held at Conygres.

16 Scouts attended with the normal wood fire traditional Scouting being carried out.

Other activities like safe use of an Axe, pitch a Hike tent, pack a ruck sack were all completed.

A hike to the Tyndale Monument was a personal highlight.

- Summer Camp was held on Narrow Boats.

18 Scouts attended camp.

We took the opportunity to do something rather different whilst our numbers were that bit lower.

An organisation, LNBP, are lottery funded and hire boats with a qualified skipper. We sailed from Braunston to Drayton Manor and back with a detour to Coventry on the way back to do some shopping.

Everyone had the opportunity to pilot the boat, under the supervision of the skipper.

We also took them on hikes, played ball games in a park and even had the chance to hold a very small camp fire sing song on the bank. It gave all the leaders an opportunity, not normally afforded on a traditional camp, to spend more time with the scouts – getting to know their personalities in a non-canvas environment.

This was a fantastic, very different, experience and one all will remember for a very long time.

Badges Awarded:

- 27 Challenge badges
- 34 Activity badges
- 35 Staged badges
- Some of the Scouts are hoping to complete their Expedition Challenge Badge later this month.

Program Highlights:

- DIY nights
- Sowing new Patrol badges on shirts
- A sleepover to raise money for Gloucester Night Stop
- Making wooden boxes to hold soap we also made for

Mothering Sunday.

Section E

Financial Review

Brief statement of the charity's policy on reserves.
Quantify and explain any designations

Reserves Policy

The Group's policy on reserves is to hold enough resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum of £5,000 to give us cover for reduced income and/or emergency repairs to the headquarters/equipment, which are not covered by insurance.

Details of any funds materially in deficit (circumstances plus steps to eliminate)

No accounts are in deficit

Further financial review details (optional information):

- how expenditure has supported the key objectives of the charity.
- investment policy and objectives;

Investment Policy.

The Group's income is made up of parent subs, grants, donations, and gift aid.

We do not have the available funds to consider investment such as stocks and shares. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in mainstream business bank accounts. To avoid concentration risk, bank accounts are kept with several banks, rather than just one.

Expenditure by sections is all attributed to the running of their evening meetings and outside activities.

Section F

Other Optional Information

Plans for future periods (details of any significant activities planned to achieve them)

Priorities for the coming year, subject to funding and in addition to the roof replacement:

1. Start refurbishing the outside of the HQ (facias and gutters, pointing walls etc)
2. Repurposing the outdoor space now we own the land.
3. Refurbishing the kitchen.
4. Repairing or replacing the outside storage shed
5. Investigating the potential for knocking through from the HQ to the integral garage so that leaders do not need to go outside to get to it.
