The Trustees have prepared the financial statements in compliance with the Charities SORP 'Accounting and Reporting by Charities' Statement of Recommended Practice applicable to charities preparing accounts in accordance with FRS 102 and the Charities Act 2011.

Gloucestershire County Scout Council is a registered charity established under the Policy, Organisation and Rules of The Scout Association. Its registered charity number is 302129 and its Scout Association registration number is 10000086.

OBJECTIVES AND ACTIVITIES

Objectives and aims

Policies and objectives

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity	We act with integrity; we are honest, trustworthy and loyal.
Respect	We have self-respect and respect for others.
Care	We support others and take care of the world in which we live.
Belief	We explore our faiths, beliefs and attitudes.
Co-operation	We make a positive difference; we co-operate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

Strategic direction

At its core we believe that through its programme Scouting offers life-changing adventure to young people. We therefore want as many Gloucestershire young people as possible to benefit from great Scouting programme and adventure.

The Scout Association's strategic plan describes four strategic objectives:

Growth	To increase the number of youth members and volunteers.
Inclusivity	To be as diverse as our communities.
Youth-shaped	To ensure Scouting is shaped by young people in partnership with adults.
Community impact	To make a positive impact in our communities.

GLOUCESTERSHIRE COUNTY SCOUT COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

Launched at the AGM in September 2017, the County Commissioner presented a Vision for 2020 for Gloucestershire Scouts. Due to the effects of the Pandemic a decision has been made to extend this vision to 2022. This is focused on three key areas:

By 2022 we want a county where.....

- young people influence and experience high-quality, balanced programmes;
- adults feel supported, engaged and able to understand their roles;
- more young people and adults get to experience Scouting in Gloucestershire than ever before.

This guiding vision will support and direct the activity of the County Team and the County Executive Committee and will enable us to continue to prioritise the things that are important to our members.

The County Team were due to have a conference in May 2020 where a new vision and strategy were to be defined for the coming years, however due to Covid-19, this has been postponed until November.

The vision for Scouting in the UK is:

By 2025 we will have prepared more young people with skills for life, supported by amazing leaders delivering an inspiring programme.

We will be growing, more inclusive, shaped by young people and making a bigger impact in our communities.

Growth	Inclusivity	Youth Shaped	Community Impact
<ul style="list-style-type: none">• 50k more young people• 10k more Section Leaders• 5k more Young Leaders	<ul style="list-style-type: none">• Our volunteers reflect the demographics of our society• In 500 more areas of deprivation	<ul style="list-style-type: none">• 250k young people shape their Scouting each year• 50% young people achieve top awards	<ul style="list-style-type: none">• 250k young people making a positive impact in their local communities each year• 50% young people achieve top awards

To support the Movement to achieve these objectives, the Scout Association will focus on three pillars of work:

Programme	A fun, enjoyable, high-quality programme consistently delivered and supported by simple (digital) tools.
People	More, well-trained, better-supported and motivated adult volunteers and more young people from diverse backgrounds.
Perception	Scouting is understood, more visible, trusted, respected and widely seen as playing a key role in society today.

The County Executive is increasingly focusing on supporting the achievement of the National Vision through supporting the delivery of the County Vision 2020.

GLOUCESTERSHIRE COUNTY SCOUT COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

OBJECTIVES AND ACTIVITIES

Public benefit

The Trustees have had regard to the Charity Commission guidance on public benefit. The County meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

ACHIEVEMENT AND PERFORMANCE

Review of outcomes and activities

Growth

In the 2021 Census, the huge impact of the Global Pandemic became stark for all to see with young people and adults reducing their involvement in Scouting whilst we are unable to offer the inspiring programmes we usually can.

The 2021 census saw a decline in Youth Members of 1,218, young people (24%) aged 6-18. This is slightly better than the UK experienced but is disappointing nonetheless. Network member decreased by 64 and we also saw a decline of almost 100 adults across the County.

The County Executive Committee and the County Leadership Team funded the first year of the new Three Counties Development project alongside Avon and Somerset, where, with a matched funding grant from the Scout Grants Board, we have been able to maintain the model adopted by the Pears Project.

Even though they have been furloughed for at least 6 months of the last year, we have been greatly supported by this project in many districts across the County and are incredibly thankful to the team who have carried out the work to help groups maintain programme, grow or re-start as we have seen.

In March 2021, there are signs, as Scouting is being able to return to face to face that young people are returning to levels that we hope to see. This is going to be hampered by the number of adults that still feel they cannot support Scouting whilst the effects of the pandemic are still having such a profound affect.

The key area to focus on in regards to Growth is to look at how we can return to numbers of Young People as measured in the 2020 Census in all groups, units and districts.

Programme

The way in which the programme is delivered is cited as the key reason why young people join and stay in Scouting. Key factors for the quality of the programme in Scouting is the ability to:

- take part in adventurous activities;
- take part in residential experiences; and
- achieve top awards.

Activities have not been possible to achieve throughout the pandemic. However we still have are in a position where:

- 76 adults have 148 permits for land-based activities (e.g. Abseiling, Archery, Climbing, Caving, Hillwalking, Skiing & Snowsports);
- 108 adults have 369 permits for water-based activities (e.g. Bell-boating, Canoeing, Kayaking, Narrow-boating, Pulling, Rafting & Yachting).

To support the Adventurous Activity permit scheme, we undertake moderation to ensure that permits we are issuing to adults are done so on the basis of the relevant levels of experience and the appropriate level of demonstrated competence. In 2020/21, we once again PASSED the National Moderation Scheme.

GLOUCESTERSHIRE COUNTY SCOUT COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

We also have 315 adults with permits to lead residential experiences, providing the opportunity for young people to experience camps, expeditions and sleepovers throughout the UK. We have seen a number of these expire this year but have recruited more Nights Away Assessors to enable us to really enable young people more nights away.

Also in the past 12 months we have continued to grow our County Team to be able to better support volunteers in the delivery of their programme to young people across the whole county.

In light of the pandemic, as expected we have seen Top Awards decline. This year based on the Census taken in 2021, we were once again, asked for the achievements of Top Awards. Across Gloucestershire:

- 124 (17% of eligible) Beavers were presented their Top Award - The Bronze Chief Scout Award.
- 152 (25% of eligible) Cubs were presented their Top Award - The Silver Chief Scout Award.
- 60 (16% of eligible) Scouts were presented their Top Award - The Gold Chief Scout Award.
- 7 (2% of eligible) Explorers and Network members were presented The Platinum Chief Scout Award.
- 8 (2% of eligible) Explorers and Network members were presented The Diamond Chief Scout Award.
- 2 Explorers and Network members were presented their Top Award - The Queen Scout Award.
- 11 (16%) Young Leaders completed their Young Leader Award preparing them to lead in future.

Through 2020, we were also able to see that 9 Bronze & 14 Silver and 8 Gold Duke Of Edinburgh (DofE) Awards were presented.

We continue to be immensely proud for every young person who has so worked hard to achieve their respective top award, and a huge amount of thanks goes to every leader, assistant, helper or parent that has supported their young people to achieve.

We will be working with leaders across all sections to focus on helping even more young people achieve their top awards in the future.

International Experiences

International experiences have not been possible throughout all of the past financial year due to the Coronavirus pandemic.

We are excited about the forthcoming prospects being made available to members of the County for 2023 and look forward to finalizing the recruitment of teams that will take groups of young people to the World Jamboree in South Korea and the Harlem Jamborette in the Netherlands.

Highlights for 2020/21 include:

- Many groups were able to transition from face to face meetings to remote programme delivery. This has included use of digital meeting tools like Zoom or Google Hangouts, or using email to regularly communicate to young people so that they may still receive some form of Scouting.
- Offered a county-wide delivery of Zoom programmes.
- During the year we delivered some great events in a changed format that allowed us to continue programme in a virtual environment. These included
 - our VE Celebration (We will survive) camp which had over 3,000 people taking part;
 - our Water Activities Weekend;
 - S&E at Home;
 - St. Georges Day celebrations
 - Remembrance

Additionally, we have supported UK wide initiatives including:

- Hike to the moon; and
- The Great Indoors Weekender.

GLOUCESTERSHIRE COUNTY SCOUT COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

- We have continued to use our new way of delivering Wood Badge Module and First Aid training which is engaging, relevant and accessible to more members. This will continue to be used to help deliver training in future when face to face Scouting has fully resumed. This has been attended by more adults than our previous year's training scheme (where face to face has been possible).
- Now that face to face Scouting is permitted, we are seeing a huge influx of young people in new joiner enquiries and those that had left returning.
- With support from the Three Counties Development Project, we have seen some groups that were at serious risk of closure due to lack of numbers and adults, remain open and even re-open closed sections.

FINANCIAL REVIEW

Financial position

From an operational perspective, self-funded events and activities have, overall, created a deficit of £3,959 (2020: surplus of £4,416).

Operations funded by membership subscriptions and by Cranham income have provided a surplus of £51,696 (2020: £13,548). Funds continue to be applied to the Scouting Development Project £8,750 (2020: £6,250). Please see note 16 to the financial statements for further details of movements in funds.

Investment policy and objectives

The Trustees regularly review the best investments available for the funds held by the Council. Throughout the year and at the year end, the Trustees concluded that placing funds with the Short-term Investment Service of The Scout Association provided the best return to the Council. Other funds are held on deposit with the Council's bank.

Reserves policy

The Charity Commission requires us to publish a reserves policy that

- fully justifies and clearly explains keeping or not keeping reserves;
- identifies and plans for the maintenance of essential services for beneficiaries;
- reflects the risks of unplanned closure associated with the charity's business model, spending commitments, potential liabilities and financial forecasts;
- helps to address the risks of unplanned closure on their beneficiaries (in particular, vulnerable beneficiaries), staff and volunteers.

Further, the County Executive recognises that there are currently two primary sources of revenue available: County Membership subscriptions (currently £15 per year) and the Cranham income.

To that end:

- The County Executive operates a bottom-up annual budgeting process that aligns spend with the objectives of Scouting and its development against its strategic objectives. The primary focus of this continues to be the 'delivered programme quality' and 'reaching many more young people' agendas, under the guidance of the County Commissioner, in discussion with the County Chair and the County Executive.
- As part of that budgeting process, the County Executive intends to ensure that, each year, it holds sufficient resources to continue the charitable activities of the County should income and fundraising activities fall short. The County Executive Committee considers that membership subscriptions are a stable source of income and therefore the general undesignated reserves would be set at around 50% of the Cranham income as the least guaranteed source of income.
- The County Executive also intends to seek grants and other income sources to supplement Membership Subscriptions and income from Cranham.
- The County Executive will annually review the designated and restricted reserves to ensure that they are appropriate for the development of Scouting and that they are being effectively utilised to that end.

GLOUCESTERSHIRE COUNTY SCOUT COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

FINANCIAL REVIEW

The County Executive has noted that the operation of Cranham is currently a net cost to the County and continues to seek methods to minimise the financial support required from the Membership Subscription.

The amount of reserves held at 31 March 2021 were as follows:

- Restricted funds £nil.
- Unrestricted funds £763,769, which consists of the following:
 - Property and Equipment fund £533,329
 - Other designated funds £99,275
 - Other unrestricted funds £131,165

In light of the uncertain impact arising as a result of the Covid-19 pandemic, the Trustees consider it prudent to retain, as far as possible, flexibility with regard to unrestricted funds.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies section of the financial statements.

FUTURE PLANS

The Council will continue to pursue the Strategy of the Scout Association (Skills for Life 2018 - 2025 Strategy) and has revised its own County Development Plan 'Vision 2020' which focuses on four key areas of Youth Shaped Inspiring programmes, Engaged Amazing Adults and growing our County.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Charity constitution

The County's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules (POR) of The Scout Association.

Locally, the Gloucestershire County Scout Council Constitution, adopted at the 2016 Annual General Meeting, reflects that the constitution of the charity is as detailed in the POR.

The County is a trust established under its rules which are common to all Scouts. There have been no changes in the objectives since the last annual report.

Recruitment and appointment of new trustees

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

GLOUCESTERSHIRE COUNTY SCOUT COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure and decision-making

The County is managed by the County Executive Committee, the members of which are the 'Charity Trustees' of the Scout County, which is itself an educational charity. As Charity Trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee normally meets 6 times each year and comprises:

- 3 independent representatives (Chair, Treasurer and Secretary);
- Ex-officio members (County Commissioner, County Youth Commissioner);
- members elected by the County Scout Council;
- members nominated by the County Commissioner in consultation with the County Chair, and approved by the County Scout Council;
- members co-opted by the County Executive.

Additionally, the Regional Commissioner for SW England has the right of attendance (but is not a Charity Trustee for Gloucestershire Scouts).

Members of the County Executive Committee complete 'Trustee Information' training within the first 5 months of joining the committee.

This County Executive Committee exists to support the County Commissioner in meeting the responsibilities of their appointment and is responsible for:

- the maintenance of County property;
- the raising of funds and the management of the County finances;
- the insurance of persons, property and equipment;
- ensuring provision of sufficient resources for Scouting to operate, including supporting recruitment, appointment of adults, other adult support, and fundraising activities;
- promoting and supporting the development of Scouting in the local area;
- managing and implementing the Safety Policy locally;
- ensuring that a positive image of Scouting exists in the local community;
- appointing and managing the operation of any sub-Committees that may be required;
- appointing County Administrators and Advisors other than those who are elected.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The County has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, and comprehensive insurance policies to ensure that insurable risks are covered.

The County Executive Committee and the Leadership Team under the direct control of the County Commissioner conducts an ongoing review of the risks that members of the Association in Gloucestershire might be exposed to and systems have been established to mitigate those risks. Risks are minimised by the implementation of procedures for authorisation on all projects undertaken by members and these procedures are periodically reviewed to ensure that they continue to meet the needs of Scouting in Gloucestershire.

The County Executive follows, without question, the policies issued by The Scout Association in relation to the safe operation and administration of all activities involving its youth and adult members in accordance with Policy Organisation and Rules.

The County Executive keeps under review all insured risks and the policies maintained by the County Administrator to ensure that all insurable risks are adequately covered. In addition, there are two signatories for all payments.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

Approved by order of the board of trustees on 29/9/21 and signed on its behalf by:

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised upon receipt.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Cranham Scout Centre Freehold Property	- 1% on reducing balance excluding land
Cranham Scout Centre Equipment	- 20% on cost, 20% on reducing balance and 10% on cost
County Equipment	- 20% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

As a recognised charity, Gloucestershire County Scouts Council is exempt from Corporation Tax so far as it relates to its charitable activities. It is not, however, exempt from VAT and all expenditure is inclusive of irrecoverable VAT.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
