7TH BRISTOL (CHRISTCHURCH CLIFTON) SCOUT GROUP

England & Wales - Charity number 302149

Accounts

Description of the charity's trusts

Type of governing document

(e.g. trust deed, constitution)

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods

(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Trustee Board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:
a) the induction and training of trustees; b) trustee' consideration of major risks and the systems and procedures to manage them

The Trustee Board consists of the Chair, Treasurer and 9 Trustees (including 4 Ex Officio Trustees, and 5 co-opted Trustees) and meets every 3 months.

Members of the Trustee Board complete Being a Scouts Trustee learning within the first 6 months of joining the Board.

This Group Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.

Risk and Internal Control

The Group Trustee Board has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions, property rental and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Board could raise the value of subscriptions or rental rates to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 4 to 14. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.

Section D**Achievements and performance**

Summary of the main achievements of the charity during the year

1. Increased the numbers of young people in the Group to 84 (64 in 2024).
2. Opened a Squirrels Drey (4-6 year old provision) in January, only the second such section serving this age group in the local District.
3. Provided exceptional scouting across all age sections, providing young people with new experiences and gaining skills for life.
4. 16 scouts achieving the Top Awards in their respective section, the highest in many years (2 Gold, 7 Silver, 7 Bronze)
5. Acquired new equipment and furniture to serve the Group. Maintained existing equipment and premises to a high, modern standard.
6. Carried out Transformation activities across the Group in line with Scout Association directives, including adoption of the new Digital Platform.
7. Migrated subscriptions to a new payment provider. Improved financial reporting and processes.
8. Commenced the Stiles Campsite reonvation project with completion due in mid-late June.

Section E**Financial Review**

Brief statement of the charity's policy on reserves

Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Trustee Board considers that the group should hold a sum equivalent to 12 months running costs, circa £5,000. Additionally, as the Group owns its headquarters it holds funds to allow for routine maintenance plus a contingency, totalling up to £5,000.

The Group held reserves of approximately £6,000 against this at year end. This is below the level required. However this is because the Group has directed some of these reserves towards the planned renovation of its Stiles Campsite this year. The reserves will be 'topped up' in the coming year from increased rental income.

Quantify and explain any designations

Reserved funds £18,860 - Stiles Campsite (donations specifically towards this project)

Details of any funds materially in deficit (circumstances plus steps to eliminate)

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives;

<p>Investment Policy</p> <p>The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.</p> <p>The Group Trustee Board regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Trustee Board considers the cash flow requirements.</p>

Section F Other Optional Information

Plans for future periods (details of any significant activities planned to achieve them)

<ol style="list-style-type: none"> 1. Purchase of new equipment to be permanently located at Stiles Campsite, enabling camps with minimal transportation needs. 2. Replacement ride-on mower for Stiles Campsite. 3. Acoustic soundproofing at Pavey House. <p>The Group will carry out a series of fundraising and grant initiatives aimed at funding these requirements.</p>

Treasurer's Notes to the Annual Accounts

A fund-raising appeal was launched to support the renovation of the Stiles campsite at Failland. This is noted as a restricted fund and is tracked with unique account codes. As at 31st March 2025 the Stiles fund had received £18,860 in donations and £12,685 had been spent on the renovations work, leaving a balance in the fund of £6,175. Once the fund is exhausted, any outstanding work will be funded from the Group's free reserves which, at year end, stand at £29,722.

Treasurer's Notes to the Annual Accounts

These annual accounts continue to cover the period of the pandemic which curtailed not only scouting activities but also the letting of Pavey House and Stiles. As we gradually have been returning to normal activities during the last six month the general costs have gradually increased but are for the most part off-set by the continued usage of Payvey House for social groups.

This surplus is sufficient to rebuild the condemned hut at Stiles this is till intended and approvals are in place to agree such a refurbishment. To finish off the renovation of Pavey House with new windows we are approaching Violaia with a possible grant for these refurbishments. The storage spaces are still required but obtaining a contractor remains a problem. As a charity we are not allowed to accumulate funds so we need to have a plan to spend this windfall. The plans exist for a new hut at Stiles but it is a project that needs a project management team that does not currently exist.

The organiser of the Dance Class has unfortunately decided not to continue using Pavey but the Yoga class renting is continuing the use of the building so there is the prospect of continued income for next year.

Given that virtually only 6 months approximately of scouting activities took place this year, the capitation levied by the district was paid for out of the Group account rather than asking each section for money that would have to be collected via subscriptions from their members.
