Section D

Achievements and performance

Summary of the main achievements of the charity during the year

This year has been difficult for the Group including our young people and Leaders/adult helpers due to the numerous lockdowns and social restrictions imposed by Government in response to the COVID-19 pandemic and the loss of our Cub Scout Section Leaders.

The Group has, however, dealt with these issues well with all Section meetings going online virtually from the beginning of the pandemic.

Though some of our young people, across all Sections, did not wish or were unable to do online activities, particularly after having to do online home schooling, overall, there was good support for this.

The Group had a varied and fun range of online activities with some external guests helping to provide fun and informative sessions. For example, a children's illustrator, a children's writer & poet, *Space Dave Live from Australia*, an alpaca farm visit and more.

The Group was very fortunate to receive COVID Support Grants as we ordinarily pay business rates for freehold property and that most parents were able to continue paying subscriptions during the pandemic. This helped to cover the reduction in income where we were unable to open the Scout Hall to regular Scouting and non-Scouting users.

This grant money has been used to both cover the loss of income and pay for all COVID compliance-related works required for the reopening of the Scout Hall during the year in line with Government guidance.

During the lockdowns, we were also able to install: a long-awaited new boiler, replacement ceiling and lighting in the main hall, a new wired in smoke alarm system, emergency lighting and upgraded CCTV.

The remainder of the grant money is being carried forward for activities for the Beavers, Cubs and Scouts once they all fully meeting in person again.

Towards the end of the year, a new Cub Scout Section Leader and Assistant Leader were recruited along with a couple of Section Assistants to support the Leaders across all sections.

The Trustees and Leaders also continued their meetings online and started meeting up again in person as soon as it was safe to do so.

We are looking forward to a good year ahead with more certainty and a stable and better resourced Executive Committee.
