## Friends of Guiding in Lymington

During 2020 the Guide Hut was not used for 10 months of the year and due to the Covid 19 Pandemic. There was a grant received from the local District Council for the Friends to keep the Guide Hut going for paying bills etc. We also received a grant of probate from a local lady who passed away other than a small amount of rent this was all the income the Friends of Guiding received. There are the usual outgoings which we have had to pay. We have also put in place the Covid 19 requirements for when we return to using the hut.

There are no other comments at this time.
