EXPENDITURE

Electricity	648	1,660	Our DD has kept going albeit reduced despite the hall being closed. After a meter reading dated 3/10/21, the bill from Scottish Power had a credit by £620. The DD has been reduced to £44 per month. Current contracts ends 31/1/24
Water	372	256	During the year, Castle Water took over the sewerage billing from Affinity and for a period, the direct debit was too high for our water usage. The DD is estimated based on a prior period's billing so no allowance was made for the hall being closed. The changeover didn't help. The most recent DDs have been reduced to £5 per month whilst we are in credit
