FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From: 1st January, 2023 to 31st December, 2024

Charity name: North Mymms Memorial Hall

Charity registration number: 302439

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide a village hall for the use of the inhabitants of the Parish of North Mymms and its neighbourhood. It is the focal point in the Parish for many local events, meetings and entertainments with the object of enhancing the life of the community.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Hall has been serving the North Mymms community since its foundation in 1957 and is completely self-funded. The hall is let on an hourly basis to a number of local clubs and classes for specific groups during the day, evenings and weekends. These range from exercise and dance classes for retirees, children's parties, and events supporting local charities such as the Macmillan Cancer Support. We have participated in the "Warm Space" initiative to provide a warm shelter and hot food during the winter months. The trustees arrange many activities such as tea dances, and events for children at Easter and Christmas. Following the cancellation of the Hertfordshire County Council mobile library in the area, the Memorial Hall incorporated a community 'Book Swap' service in 2016, which has run successfully ever since.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	All the Trustees are aware of the Charity Commission guidance on public benefit, and confirm compliance when planning our activities.

	SORP reference	
Policy on grant making	Para 1.38	We regularly apply for, and are grateful to receive, grants from national and regional charitable organisations, local businesses and governmental bodies to carry out specific activities and also for the general maintenance of the fabric of the hall and improvement of its facilities.
Policy on social investment including program related investment	Para 1.38	The management committee offers reduced charges for local charities and the hall hosts a number of charitable events for local societies.
Contribution made by volunteers	Para 1.38	The management committee comprises unpaid local volunteers, as are the organisers of special events. The hall would be unable to offer the range of activities without their assistance.
Other		We also benefit from “ad hoc” donations from local folk who attend coffee mornings, and the sale of local products gifted to the hall.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Following the success of the book swap service the main hall is opened twice a month so local people can meet friends, make new ones, exchange books from the growing library and enjoy refreshments within a large community meeting place. The hall now offers a delivery service to elderly residents for books and jigsaw puzzles, and local schoolchildren visit during the annual "Book Day". The hall hosts a number of events for the community during the year including afternoon teas, dances, etc. and this year a successful pantomime at Christmas with performers from the local community including children from local schools. Over the winter months we have participated in the "Warm Space" initiative, providing soup and a hot drink over the winter months.

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	We achieved our objective of building hall usage back to pre-Covid levels. This is critical since the trustees are tasked with providing a hall facility at no cost to the local parish. We continue to enhance our electronic booking system for the hall which enables us to keep track of events, monitor income and raise invoices. Recently we've interfaced our heating and heating systems such that the hall is only heated when hired out. We continue to enhance our dedicated website which informs the community of upcoming events, and enables potential users to check availability and request bookings.
Performance of fundraising activities against objectives set	Para 1.41	During the year we have received funding from local recreational charities, from our local borough and parish councils.

Investment performance against objectives	Para 1.41	We seek to maintain a positive balance between expenditure and income, and maintain a reserve fund for building repairs.
Other		

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	We have been the recipients of a number of specific grants from the parish council, and other local bodies for enhancement of stage lighting which is now fully functional. Last year we completed refurbishment of an underused storage area, which is now hired on a regular basis.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The policy of the Management Committee is to hold a reserve to allow for any emergency funding requirements. All our funding is unrestricted and readily available.
Amount of reserves held	Para 1.22	Minimum of £40,000 in our ready-access business reserve account and minimum of £10,000 in our current account.
Reasons for holding zero reserves	Para 1.22	Not applicable
Details of fund materially in deficit	Para 1.24	Not applicable
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Not applicable

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	The primary source of funding is from letting the hall's facilities for regular lessons and classes, and occasional special events. We hold fund-raising events from time to time, but regularly apply for and receive, grants from local and national organisations to carry out more general maintenance and improvement activity and this will continue in the future.
Investment policy and objectives including any social investment policy adopted	Para 1.46	As stated, above policy of the Management Committee is to hold sufficient reserves to allow for any emergency funding requirements.
A description of the principal risks facing the charity	Para 1.46	We have a very supportive local community, but like many charities suffer from the scarcity of volunteers who can give of their time on a regular basis. In common with many institutions, we are concerned at the potential rise in our future costs, particularly energy.

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From: 1st January, 2021 to 31st December, 2021

Charity name: North Mymms Memorial Hall

Charity registration number: 302439

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To provide a village hall for the use of the inhabitants of the Parish of North Mymms and its neighbourhood. It is the focal point in the Parish for many local events, meetings and entertainments with the object of enhancing the life of the community.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Hall has been serving the North Mymms community since its foundation in 1957 and is completely self-funded. The hall is let on an hourly basis to a number of local clubs and classes for specific groups during the day, evenings and weekends. These range from exercise and dance classes for retirees, mother and baby groups, children's parties, and events supporting local charities such as the Isobel Hospice. The trustees arrange many activities such as tea dances, and events for children at Easter and Christmas. Following the cancellation of the Hertfordshire County Council mobile library in the area, the Memorial Hall incorporated a community 'Book Swap' service, which has run successfully since 2016.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	All the Trustees are aware of the Charity Commission guidance on public benefit, and confirm compliance when planning our activities.

Policy on grant making	Para 1.38	We regularly apply for, and are grateful to receive grants from national lottery and regional charitable organisations, local businesses and governmental bodies to carry out specific activities and for the maintenance and improvement to the hall's facilities.
Policy on social investment including program related investment	Para 1.38	The management committee offers reduced charges for local charities and the hall hosts a number of charitable events for local societies.
Contribution made by volunteers	Para 1.38	The management committee comprises unpaid local volunteers, as are the organisers of special events.
Other		

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Following the success of the service the main hall is opened twice a month so local people can meet friends, make new ones, exchange books from the growing library and enjoy refreshments within a large community meeting place. The hall now offers a delivery service to elderly residents for books and jigsaw puzzles, and local schoolchildren visit during the annual "Bookday". The hall hosted a number of events for the community during the year including afternoon teas, dances, a murder mystery evening, children's Easter Egg Hunt, and usually a children's Christmas Fayre. We produced a community pantomime at the end of 2021, with performers from the local community including children from local schools

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	We continue to enhance our electronic booking system for the hall which enables us to keep track of events, monitor income and raise invoices. We have established and enhanced a dedicated website which informs the community of upcoming events and hall availability. We have completed refurbishing an old storage room which has added to the facilities available for hire.
Performance of fundraising activities against objectives set	Para 1.41	During the year we have received funding from local recreational charities, from our local borough and parish councils. We also benefit from "ad hoc" payments by local folk who attend coffee mornings, and the sale of local products gifted to the hall.

Investment performance against objectives	Para 1.41	We seek to maintain a positive balance between expenditure and income, and maintain a reserve fund for building repairs.
Other		

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	We have been the recipients of a number of specific grants from the parish council, and other local bodies for enhancement of stage lighting and sound. We have completed refurbishment of an underused storage area, which is now available for hire.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The policy of the Management Committee is to hold a reserve to allow for any emergency funding requirements. All our funding is unrestricted and readily available.
Amount of reserves held	Para 1.22	Minimum of £20,000 in reserve, comprising approximately £14,200 in National Savings and the balance in cash resources. We have noted in our accounts the low levels of interest paid on our National Savings account in 2021.
Reasons for holding zero reserves	Para 1.22	Not applicable
Details of fund materially in deficit	Para 1.24	Not applicable
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Not applicable

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	The primary source of funding is from letting the hall's facilities for special events, regular lessons and classes. We hold special fund-raising events from time to time, but regularly apply for and receive, grants from local and national organisations to carry out more specific maintenance and improvement activity and this will continue in the future.
Investment policy and objectives including any social investment policy adopted	Para 1.46	As stated above policy of the Management Committee is to hold sufficient reserves to allow for any emergency funding requirements.
A description of the principal risks facing the charity	Para 1.46	We have a very supportive local community, but like many charities suffer from the scarcity of volunteers who can give of their time on a regular basis.

		In common with many institutions, we have had the challenge of re-opening after Covid-19 closure, and of course acknowledge the potential for recurrence.
Other
