5th Potters Bar

2023-2024
ANNUAL REPORT

FROM THE CHAIRMAN'S DESK

Since taking over as Chair of what was the Executive Committee (and now the Trustee Board), the Group has seen a number of exciting developments and events.

We upgraded one of our minibuses to a very smart, newer ULEZ Compliant vehicle, and we are planning a similar upgrade to the other 'bus when finances allow.

The Potters Bar Carnival is now a regular event in our summer Calendar and this year was no exception with our Harry Potter themed float entering into the Hertfordshire Film theme of the event. Sadly, there were no prizes this year but everyone involved had a great day. There was a huge effort involved in preparing and building the float with leaders and friends of the Group, which looked very smart in the parade.

Again, in the Summer, we celebrated the Group's 85th Anniversary with a family camp weekend, with a BBQ on the Saturday evening. Guests from our past and present, and Ian Tyser, County Commissioner were in attendance. A professional singer was on hand, but much young talent within the Group was discovered, as the 'karaoke' session of the evening really took off!

The Christmas Fayre and Santa Run in 2023 saw a number of runners (Beavers, Cubs, Scouts, Explorers and parents) running for various charities dressed in their red Santa suits, with a Christmas market once again held in the hut at Furze-field. Look out for details of this year's Festive activities soon!

We look forward to another year of your support, and as always, we welcome volunteers new and old to help our young people enjoy scouting activities, learning life skills and developing themselves and our Group on their journey. We wholeheartedly thank Chris Brunning for his many years of dedicated service to the Group and wish him well as he steps down from running the Scout Troop after over 30 years.

All that is left is for me to thank everyone involved in the 5th Potters Bar Scouts for all their work, both behind the scenes and front of house, in doing what they do for our members – THANK YOU ALL, you are amazing.

PETE MILES
Chairman

SCOUT TROOP

Scout numbers held steady this year, with 23 enthusiastic members, as a few Cubs proudly moved up to join the Scouts. The year was filled with adventure and camaraderie, as camping activities joyfully returned to normal. We kicked off with an unforgettable Group Camp during the Whitsun half term at Tolmers Campsite in Cuffley. This camp was a fantastic gathering of Beavers, Cubs, and Scouts, all eager to reconnect with nature and each other.

The highlight of the summer was our thrilling joint camp with 1st and 2nd Little Heath Scouts near Maidstone, Kent. The camp was packed with exciting activities, including a challenging two-day hike that tested our endurance and teamwork. We also embarked on a memorable day trip to France, which added an international flair to our adventure. For those seeking a bit of speed and adrenaline, mountain biking was a hit, while the cooking competition brought out everyone's creative side, with delicious results.

Although the beach trip was cancelled due to unforeseen circumstances and our campfire plans were literally rained out, the mixed weather couldn't dampen our spirits. Despite the challenges, everyone had a fantastic time, proving once again that it's not the weather but the company and the experiences that make a camp special.

As autumn rolled in, we participated in the County Green Beret Competition, a true test of physical and mental strength. Our Scouts proudly entered two teams, competing in the assault course, orienteering, and both day and night exercises. Out of 130 teams, we secured impressive 50th and 54th places, a testament to the hard work and determination of our members.

Throughout the year, we continued to engage in a variety of activities that kept the spirit of Scouting alive and thriving. From night hikes under starry skies to wide games that brought out our competitive sides, conservation work at Fir & Pond Wood, and even more orienteering, canoeing, and pioneering, our Scouts were always up for a new challenge.

As we reflect on the year, we are grateful for the resilience and enthusiasm of our Scouts. They have shown that even in the face of unpredictable weather and other obstacles, the joy of Scouting shines through. Here's to many more adventures and the continued growth of our Troop!

CHRIS BRUNNING
Acting GSL/Scout Leader

CUB PACK

Our Cub Pack is a lively group of around 20 eager Cubs, led by three experienced leaders, who are always ready for an adventure! We've had an action-packed year filled with exciting activities, both indoors and outdoors, that have kept the Cubs engaged and growing in confidence and skills.

One of the highlights of the year was our Family Camp, where even though the weather wasn't always on our side, the Cubs had a fantastic time. They enjoyed thrilling activities like kayaking and climbing, which really tested their teamwork and bravery. To cap off the day, we gathered around for an evening BBQ followed by a fun Karaoke session, with Cubs showing off their best singing voices.

Throughout the year, the Cubs worked hard on their badge achievements. They tackled First Aid, developed their creativity with the Artist Badge, and mastered the art of backwoods cooking, learning how to make meals using simple, traditional methods. Team games were also a big focus, helping the Cubs build stronger friendships and develop essential leadership skills.

As the festive season approached, we celebrated with Christmas crafts and a memorable Santa Run, bringing holiday cheer to the group. Indoors, the Cubs experienced a unique camp under a parachute, where they spent the night having fun while learning the basics of camping in a cozy, creative way. We also held a creative cooking challenge, where the Cubs came up with inventive and tasty foods, and even did a Chip Shop survey, where they set out to discover the best local chips! We finished off our year with older Cubs trying their skills and building rafts and floating them on a lake and younger ones enjoying a slip and slide followed by toasting marshmallows around a fire.

Whether indoors or out, rain or shine, the Cub Pack has had an amazing year full of growth, learning, and laughter. We can't wait to see what adventures the next year will bring!

MICHELE PENDRELL-SMITH
Cub Scout Leader

BEAVER COLONY

We are a close-knit section of around 16 enthusiastic Beavers, led by two dedicated leaders. For the past two years, Phil has been at the helm, guiding our adventures. However, as we step into the new term, Phil will be moving on to lead the Scout Troop, and I'll be stepping up as the new leader of the Beavers. I'm excited to welcome Grace, our new leader, who will be joining me on this journey.

Our meetings are held every Monday from 6pm to 7pm, and we always strive to keep our sessions as diverse and engaging as possible. During the colder winter months, we stay cozy indoors at the hut, where the Beavers immerse themselves in fun activities like crafting, archery, and board games. A standout favourite this year has been indoor climbing! We set up a thick rope on the floor, weaving it under and around tables and chairs, and the Beavers clip onto it, eagerly following the course around the room.

When the weather is kind, we make the most of the great outdoors. Our activities spill into the hut's charming little garden and extend to the larger Furze field and woods. The Beavers have had a blast playing games in the field, roasting marshmallows over bonfires, engaging in thrilling water battles, and trekking through the woods on mini-adventures.

We've also ventured beyond our usual spots, taking the Beavers on exciting trips to the Tolmers Activity Centre. They've had a go at archery, navigated tunnels, tried their hand at orienteering, and raced around on pedal karts!

To top it all off, we organized a couple of unforgettable overnight camps. The winter camp, held in the cozy hut, was the perfect introduction to staying away from home for the first time. In the summer, the Beavers joined the Group camp at Tolmers, where they not only met members from other sections but also experienced the thrill of sleeping under canvas!

Structure, governance and management

Description of the charity's trusts

Type of governing document

(e.g. trust deed, constitution)

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of The Scout Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scout Groups.

Trustee selection methods

(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Trustee Board, members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees, they are responsible for complying with legislation applicable to charities. This includes registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:

- a) the induction and training of trustees;
- b) trustee consideration of major risks and the systems and procedures to manage them

The Trustee Board consists of independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual section leaders (where they have elected to serve) and parent representatives and meets every 2 to 3 months.

The various purposes and duties of the Trustee Board are as set out by The Scout Association here: <https://www.scouts.org.uk/por/5-local-governance-and-finance-of-groups-districts-counties/546-group-trustee-board-purpose/>

Section B	Structure, governance and management (continued)
	<p>Risk and Internal Control</p> <p>The Trustee Board has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:</p> <p>Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as local churches, community centres and other Scout Groups. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The Group (through the capitation fees) contributes to the Scout Association's national personal accident and medical insurance policy. We also arrange our own Personal Accident Insurance for Leaders and Adults, and non-member children. Risk Assessments are undertaken before all activities.</p> <p>Reduced income from fund raising and/or Rent. The Group is reliant upon income from fundraising and Rent. The Group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the level of subscriptions, either temporarily or permanently, if so required.</p> <p>Reduction or loss of Leaders. The Group is completely reliant upon volunteers to run and administer its activities. If there was a reduction in the number of leaders to an unacceptable level in a particular section (or the group as a whole) then there would have to be a contraction, consolidation or closure of a section. In such a situation, the Group would take all necessary steps to attempt to return the Group to the status quo.</p> <p>Significant reduction or loss of members. The Group provides activities for all local young people aged 6 to 18. If there was a significant reduction in membership in a particular section or the Group as whole then there would have to be a contraction, consolidation or closure of a section. In such a situation, the Group would take all necessary steps to attempt to return the Group to the status quo.</p> <p>Risk and Internal Control</p> <p>The group has in place systems of <i>internal controls</i> that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.</p>

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	<p>The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p>The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes. Co-operation - We make a positive difference; we co-operate with others and make friends.</p> <p>The Scout Method Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:</p> <ul style="list-style-type: none"> - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.
Summary of the main activities in relation to these objects	<p>Regular weekly meetings during the school term time for Beavers, Cubs and Scouts, plus plenty of outdoor activities including, camping, hiking, cooking, canoeing, rafting, climbing, caving, cycling, and sports. All Leaders and Trustee Board members are unpaid volunteers.</p>
Additional details of the objectives and activities	
Public Benefit Statement	<p>The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.</p>

Section D	Achievements and performance
-----------	------------------------------

Summary of the main achievements of the charity during the year	Membership levels are reasonable and we continue to offer many exciting activities and opportunities to our members, including offering camping and residential experiences to our young people. We continue to train younger leaders within the Group as many of our leaders are in their mid 50's and 60's and the Group needs and continues to plan for the future. The Group is very much encouraged by the excellent relationship we have with our nursery tenants.

Section E	Financial Review
-----------	------------------

Brief statement of the charity's policy on reserves	<p>Reserves Policy</p> <p>The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the Group should income and fundraising activities fall short. The Trustee Board considers that the Group should hold a sum equivalent to 6 months' operating costs, circa £10,000 as the minimum reserve.</p> <p>The Group held reserves of approximately £28,000 at year end, which the Trustee Board considers to be entirely reasonable given the following matters: current uncertainties arising out of global affairs, the eventual costly renewal of both minibuses to meet current emissions standards and inflation.</p>
Quantify and explain any designations	
Details of any funds materially in deficit (circumstances plus steps to eliminate)	

Further financial review details (optional information)

Investment Policy

<ul style="list-style-type: none">the charity’s principal sources of funds (including any fundraising);	<p>The Group's main sources of income are (i) subscription fees, (ii) rental income from third party users of our leasehold premises; (iii) vehicle rentals; and (iii) fundraising on an ad hoc basis. The Group's Income and Expenditure is relatively small and as a consequence, the Group does not have sufficient funds to invest in longer-term investments such as stocks and shares and our reserves are generally earmarked for future capital expenditure. The Group has therefore adopted a low-risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.</p>
<ul style="list-style-type: none">how expenditure has supported the key objectives of the charity;	<p>The main expenditure has been on maintaining and repairing our leasehold premises, where the majority of meetings of the Scout Group are held. Additionally, the vehicles and trailers owned by the Group and kept at the premises require regular maintenance. The Headquarters is also used by two of the local Guide and Brownie Units and the local Explorer Scout Unit, in addition to other rent-generating third party users of the premises.</p>
<ul style="list-style-type: none">investment policy and objectives	<p>The Group does not have sufficient funds to invest in longer term investments, particularly as reserves are generally earmarked for future capital expenditure. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.</p>
