### **TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024**

The Trustees present their annual report and the financial statements of Birchington Village Centre Association (the Charity) for the year ended 31 March 2024. The Trustees confirm that the annual report and financial statements of the Charity comply with current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005.

#### **OBJECTIVES AND ACTIVITIES**

##### **Policies and objectives**

The objects of the Charity are to promote the benefit of the inhabitants of Birchington and Acol through providing facilities in the interest of social welfare for recreation, education and leisure time occupation for the said inhabitants.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Review of activities**

The Charity does not itself organise social activities - unless to raise funds for specific projects. Time and effort is spent solely in maintaining our premises, equipment and administration to the highest standard with the funds generated from hire fees.

We are continuing to renew and replace things within our building, which celebrates its fiftieth anniversary this year, as and when necessary and when funds allow. We have been helped by the community payback scheme who have decorated a number of rooms within the Centre.

##### **Investment policy and performance**

The Constitution authorises the Trustees to make and hold investments using the general funds of the Charity. Currently the Charity has invested in Charities Investment Fund Shares and Charities Fixed Interest Fund Shares - looking to both obtain a prudent mix of best achievable investment income to help subsidise the running of the Charity and at the same time to safeguard the value of its investments.

#### **FINANCIAL REVIEW**

##### **Reserves policy**

The Charity is administered with the long-term aim of making neither profit nor loss. This is something that the Trustees have consistently achieved over a long period. The main policy is to ensure that there is a contingency or cash reserve figure available to cover emergency requirements, eg building repairs, safety factors etc. Income related to expenditure dictates the policy on reserves. A figure of £20,000 is considered to be the minimum.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Constitution**

The Charity is maintained under a constitution dated December 1987 (as subsequently amended) and is a registered charity number 302797.

##### **Method of appointment or election of Trustees**

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the constitution.

A full list of Trustees is submitted to the Charity Commissioners in the Charity's Annual Return.

##### **Organisational structure and decision making**

The Trustees are the Management Committee which meets at least bi-monthly to handle the everyday running of the Charity.

The Management Committee can appoint, from amongst its membership, sub-committees to deal with specific aspects of the on-going administration of the Charity.

### **TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent.
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose, with reasonable accuracy at any time, the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
BIRCHINGTON VILLAGE CENTRE ASSOCIATION**

**Independent examiner's report to the trustees of Birchington Village Centre Association**

I report to the charity trustees on my examination of the accounts of Birchington Village Centre Association (the Trust) for the year ended 31 March 2024.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- nil

##### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

##### **Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

The cost of raising and administering such funds are charges against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
