Main Activities for Public benefit

This year saw a concentration on progressing personal development plans including Disability Awareness problems. The Scout Section also practised inflatable challenges to help boaters in trouble.

Contribution made by Volunteers

We are deeply grateful to these people who have been largely responsible for maintaining a full programme for the Cubs.

Main Achievements in Year

The previous year (ending 31 March 21) saw very little activity due to covid restrictions but things picked up quickly with our getting in two Jumble Sales and serious explorations and investigations of our site and finances towards replacing our hut with a new one.

The Beavers learnt to build dens and make them water proof. Simple cooking and other domestic tasks was practised , plus badge work and some water sports.

The Cubs did craft work, cooking skills and further badge work. The main theme in the spring was learning about Chinese New Year.

The Scouts won the District Swimming Gala , had 14 attend a winter camp and were the first group to climb the new 9 metre wall at a Scout Association Camp Site. They also did hikes, searches and progressed with compass and map reading skills before a number moved on th Explorer Scouts.

Overall we have had an average of some 11 Beavers , 12 Cubs and 24 Scouts.

Due to our Chair Person being very vigilant and quick with applications to our local Council, we have received substantial grants to compensate for the loss of income during the Covid shut down,

Policy on Financial Reserves

Cash at bank at 31/3 22 was some £48,458 as will be seen in the notes incorporated in the accounts. Some ££4000 is retained in reserve with £952 also held now , it being a special reserve for rebuild costs.

Further Financial Details

Concentration now is to assess the total cost of a replacement hut and all attendant works and to looking to all potential Grant and gift donors , whose generosity will be much needed.
