CAWSTON VILLAGE HALL

England & Wales - Charity number 303926

Accounts

AGM - 21 May 2024

Good evening everyone, I shall try to keep this short.

After a year or so without a Chairperson at the Village Hall I found myself with the role that no one else was daft enough to do.

It's almost impossible to believe that it's a year since 4 of us fresh faced volunteers actually joined the VH Committee. We had all just gone along to offer our support but somehow managed to be engulfed in a wave of enthusiasm and found ourselves welcomed on to the committee. Very sadly we lost Johnny Stowers - our 4th new volunteer, unexpectedly in the summer and he will always have a special place not only on his sofa but also in our hearts.

Over the last 12 months the maintenance and upkeep of the building has been paramount in order to ensure that the public can continue to use the hall for a variety of purposes and that all health and safety checks are in place. The regular Fire Inspection have been completed, and the 5 yearly Electrical Inspection plus PAT testing will happen next week on 29th May. The heating system also had a service and thermostats and timers were replaced to ensure it was working efficiently again. This year we have also added a loft ladder for over the office, picture rails for local artists to present their work, new shelving in the Charity Shop, Electric Vehicle points -which were only finished today, as well as the new kitchen in the coffee lounge which we hope will be ready to open on Thursday this week. We also purchased some new collapsible tables to avoid having to borrow ones from the church on too many more occasions.

We have been working together to build upon the very solid foundations that previous committee members had created. However, an extra special note of thanks has to be given to Mr Dick Spencer who seems to have almost single handedly created a phoenix which has risen up out of the ashes that was the Lockdown. He also had new initiatives and ideas and then forged ahead to keep the VH open as very many others were struggling. Thanks to Dick's efforts the VH is growing from strength to strength.

When I first visited to offer my help Dick was trying to encourage greater use of the coffee lounge and was opening every day. Steph had been continuously successful in booking out the main hall to lots of different groups so that part of the VH was busy most days of the week. But that level of commitment is very difficult to sustain long term by just 2 people. Slowly we have built up a group of 6 volunteers who open the coffee shop & Charity Shop 5 days a week with Dick opting to cover some of the weekends. We did reduce the coffee shop opening hours in January to 3 hours a day and that almost immediately resulted in 3 new volunteers who could commit to helping for 3 hours as 4 was just a bit too difficult to commit to once a week.

I am very proud to say that we have a superb team who are all very hard working, conscientious and offer every visitor to the hall a warm welcome. The Charity shop, thanks again to Dick's initial idea and hard work to set it up, is also proving to be a popular asset and a very ecologically "green way" to add money into our funds. Those funds enable us to keep being in a position to help those members of our community who may occasionally be in need of a little extra support. In addition to our "green" credentials we can add the new Planet Aid UK container to recycle clothes and the Hawthorn bushes planted in November to create a sanctuary for more wildlife.

Throughout the year we have continued to hold various fundraising events. The bingo sessions are extremely popular and very successful with raising funds, as are the jumble sales, craft fayre and table top sales. We are trying to cater to the whole community and encourage newcomers so we have looked at adding in a few new fundraising events to the calendar and we were happy with our inaugural Village Hall Fun Day last August and the second one will take place on Sunday 14th July. We will be hosting an 80th DDay Anniversary afternoon themed tea with a fish and chip supper on 6th June and have managed to persuade the Cawston Community Choir to sing for us at both events. We

have also joined ACRE and Community Action Norfolk and participated in our first National Village Hall week, and held a morning afternoon tea which proved very successful.

All in all it has been another busy year, we have faced but embraced change and I would like to extend my thanks to all village hall committee members and volunteers past and present for their support and contributions to ensure the hall is here for all the community now and in the future.

Let us move forward into another year, embrace working with everyone in the community to provide a safe, friendly environment for people to meet new people and enjoy a range of recreational and leisure activities. On a personal note I have to say I don't regret being daft enough to agree to be the Chair as it has been so worthwhile and given me the chance to be involved in a new community. It has taken me quite a long time to get to grips with everything that is involved and I have been on a very steep learning curve but hope to continue moving the Village Hall forward to become a truly integrated part of Cawston Village Life.

13th August 2024

Cawston Village Hall

Invoice

To carry out audit to the village hall accounts £60

I can confirm that the accounts balance with the bank statements and everything is in good order. I have inspected the invoices against the payment records, the income receipts against the income column in the cash book.

S.C. Vergette
Clerk to Cawston Parish Council

Bank details:
Account name: S C Vergette
Account number: 80929360
Sort code: 20-99-21
Barclays Bank, Wroxham.
