CHAIRMAN'S REPORT

The Chair thanked everyone for attending. She also thanked the Committee who have worked tirelessly as Trustees of the Village Hall, giving their time and energy to keep the hall running, together with all our wonderful helpers and David for all his help with the maintenance works.

Fundraising this year had been really good.

The building works for the new storage room have started and were progressing nicely.

John Rosbottom and Pearl Chadwick had both decided to retire from the Committee in February and there had been a small gathering for them with the Committee members to present them with gifts and thank them for all their hard work over the years.

We had very good donations throughout the year.

A Wedding took place at the Village Hall and the married couple were so pleased with the hall and grounds and the help from Darren that they donated back to us their deposit monies.
