Sea Palling & Waxham Village Hall Committee Annual General Meeting

Wednesday 18th August 2021

Chairman's Report

This has been a very strange year indeed, unlike any previously experienced by any of us. For the vast majority of the year the hall has been closed to all but those involved in maintenance and refurbishment. So unlike other years my report is bound to be shorter than normal for which I am sure you will all be grateful.

In recent weeks though we have seen a light at the end of the tunnel with almost 90% of the population receiving at least one covid vaccination and many of those now being fully protected. Because of this the government have now concluded it is safe and legal for us to re-open our village hall and rebuild our schedules of regular and special events, as well as opening it up again to our regular hirers.

As normal though, we have not been idle through the various lockdowns and restrictions placed upon us and I am both thrilled and delighted to say that our first major project this year was the complete refurbishment of the ladies cloakroom facilities, kindly sponsored by Tesco's Bags for Help programme from which we received significant funding. We have already received glowing compliments on how lovely they look.

Government funding by way of grants paid via our local District Council have kept us financially solvent and in a strong position to re-open and I know that our Treasurer will give more details of that in her own report, so I will not steal her thunder by saying more on that subject.

Through the period of lockdown the hall has been completely re-decorated and is now looking clean and fresh due in no small part to our new Caretaker who sadly cannot be here with us this evening.

When I joined this committee some nine years ago one of the main subjects of discussion was obtaining funding to replace the roof, which even at that time, all those years ago, was leaking in various places. Throughout those times and more recently various repairs have been made and leaks have been patched, sometimes more successfully than others, culminating in a report following the last repair a few years ago that the roof would need replacing within five years. It therefore gives me the greatest pleasure to report that due to various forms of fundraising and a substantial grant from the Norfolk Sustainable Communities Panel we now have a complete new roof, soffits and guttering which hopefully will keep us warm and dry for decades to come.

Personnel wise, we said a goodbye to Marilyn as she and her husband Mick moved to Ludham and we wish them both well in the next chapter of their lives. Also as previously indicated we have a new Caretaker, Jayne, who stepped up to replace Alex following her resignation, and I would like to wish Alex well and thank her for her contribution over the last few years.

The Chairman's report is invariably a look back on the past. Sadly the past year has been plagued with Covid. Now that the light at the end of the tunnel can be clearly seen I firmly believe it is now time to look forward to really making use of this place, this place of fun and friendship. We began that quest last Saturday with an open-air musical event which was very well attended by both residents and holidaymakers alike. Many of our regular hirers have already announced when they will be restarting and over the next few weeks we will certainly begin to see a full and busy programme of events.

I started by saying that this years' report would be shorter than normal, but I cannot finish without thanking each and every one of this committee for the hard work and enthusiasm that you have shown. This village is very fortunate to have such a dedicated team of people and as Chairman I feel I am privileged to be a part of it, so on a personal level, thank you all very much for your support and best wishes for the year to come.

A handwritten signature in black ink, appearing to read 'Clive Preston', with a stylized, flowing script.

Clive Preston

Chairman & Trustee

Sea Palling & Waxham Village Hall

Treasurer's Report on the accounts for the year ended 31st March 2021

The accounts for the year ended 31/3/21 have been checked and verified by the accountant, Sharon Waller of Saltire Accounts.

The deposited funds with United Trust Bank earned interest of £257 during this financial year and have been extended for further shorter periods to enable access to these funds to help with the cost of the replacement roof currently being work in progress with the builders. The sum of £6,091 was transferred from the bond into the current account for this purpose leaving a balance of £5,000. We were also successful with our application to NNDC for a community grant resulting in £10,000 being awarded towards the cost of the replacement roof.

This current financial year shows a surplus of income over expenditure of £9,122. However, we still have the balance of the roof replacement to settle as the bills come in and we are once again carrying forward Dog Show sponsorship money received from Pack Holidays and East Ruston Cottages of £200.

COVID 19 resulted with the village hall being closed for most of the year with no committee led fund raising events due to the lock down restrictions in place with only a brief spell in the summer where hall hire was permitted under strict COVID rules.

However, we have been awarded government grants throughout the pandemic via NNDC and been able to utilise some of this funding by up-dating the ladies toilet and cloakroom (with the help from a Tesco grant awarded to us in the last financial year) and having the village hall decorated throughout.

Extraordinary expenses this year included PPE supplies
