generated a higher level of income than previously so was in a better position to cover running costs itself. It was agreed that in future the Trust would respond to requests for specific projects which would improve the facilities on site for visitors. Hill End has recently undertaken project work on business development of the site and organisation. It is proposed that the Ffennell Trust contributions to Hill End support this ongoing strategic work relating to long-term development and fundraising.

Achievements and Performance of the Charity

A review of charitable activities undertaken by the charity

The Trust continues to invest the capital sum to generate interest which is used to support activities at Hill End.

Fundraising activities

As the Trust does not employ any staff there are no opportunities for further fund raising. The sums allocated to Hill End were decided upon in response to a need identified in the development plan for Hill End. It is not unreasonable to presume that numbers of pupils visiting will rise as a direct result of the increased opportunities at the site.

The Trust has contributed to its objectives of maintaining and improving the facilities at Hill End for the education of children.

Structure, Governance and Management

Nature of the Governing Document and constitution of the charity

The County Council is the custodian Trustee. There is no person or body entitled to appoint trustees. Two officers act as Trustees on behalf of the county council and are appointed by virtue of the position they hold within the county council.

The trustees keep in regular contact and have a formal meeting as necessary in response to specific requests from Hill End or situations that arise. One trustee maintains regular contact with the management of Hill End and is therefore able to monitor the use to which the funds have been put.

The organisational structure of the charity and how decisions are made.

One of the Trustees has regular meetings with the management of Hill End and visits the site which provides an opportunity to monitor activities that are being undertaken and that they meet the expectations of the Trustees.

Membership of a wider network

The Trust does not have relationships with any other charities or organisations.

Relationships between the charity and related parties, including its subsidiaries

Not applicable.

The major risks to which the charity is exposed and reviews and systems to mitigate risks

The Trust does not have relationships with any other charities or organisations. The potential risk to the Trust is the misuse of the funds allocated to Hill End.

Relationships with other groups, charities and individuals

Not applicable.

Financial Review

Policies on reserves

The Trust's policy is to continue to build up Reserves to try and achieve a target of interest at £30,000 per annum. Any sum in excess of this will either be spent to improve resources and/or facilities at the site according to the development plan drawn up by the site manager or be added to the capital with a long term view of building up a sum that could be used for a significant investment in a building project at Hill End.

Transactions and Financial position

The financial statements are set out on pages 7 to 15. The financial statements have been prepared in accordance with of the Statement of Recommended Practice for Accounting and Reporting by Charities preparing their accounts in accordance with Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2015. As stated in the introduction to this report, the trustees consider the financial performance by the charity during the year has been satisfied.

The Statement of Financial Activities show net incoming resources for the year of a revenue nature of -£28,545 (2023-24 £22,847), net unrealised gains (-) / losses of -£3,657 (2023-24 £34,805) and realised gains (-) / losses on investments of £0 (2023-24 nil), making net overall realised outgoing / (incoming) resources of -£32,230 (2023-24 £57,652).

The total reserves at the year end after accounting for unrealised gain after revaluing investments stand at £543,168 (2023-24 £510,955).

Specific changes in fixed assets

Except for investments, details of which are contained within the account, there were no other movements in fixed assets.

Statement of Directors' and trustees' Responsibilities

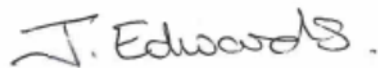

Charity Law requires the Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The trustees are also responsible for maintaining proper records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial comply with the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 14.01.2025.

The Raymond & Hope Ffennell Hill End Trust

Report and Accounts for the year ended 31 March 2025

Notes to the Accounts

1. Accounting policies

Basis of preparation of the accounts

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting & Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2015 and Charities SORP 2015 and the Charities Act 2011 and the Companies Act 2006.

The charity has taken advantage of the exemption in Financial Reporting 102 paragraph 1.11 from the requirement to produce a cash flow statement.

The accounting policies adopted are set out below.

Accounting convention

The financial statements are prepared, on a going concern basis, under the historical cost convention.

Incoming resources

Incoming resources are accounted for on a receivable basis when

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Investment Income

Dividends are included in the income and expenditure account when they are declared at an amount.

Bank interest is included in the income and expenditure account on a receivable basis.

Recognition of liabilities

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, as soon as there is a legal or constructive obligation committing the charity to pay out the resources, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice for Accounting and Reporting FRS 102.

Resources Expended

The expenses are minimal and easily identified, so no estimation is required.

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SOFA.

Governance costs include the cost of the preparation and examination of statutory accounts, the cost of the trustees' meetings and the costs of any legal advice to trustees on governance and constitutional matters.

Unrealised and realised gains

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into. Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

Investments held by the charity

Investments listed on a recognised stock exchange have been included in the balance sheet at their mid-market value at the year end. Other investments are included at the trustees' best estimate of market value.

Bank accounts

Oxfordshire County Council administers many aspects of the charity's affairs, and in the course of doing so holds funds for the charity and receives and pays out funds. In this capacity it is acting as a de facto banker for the charity, and accordingly the funds so held as bank balances in these accounts.

Funds' structure policy

The trust deed of the charity states that the funds should be used for the improvement respectively of the education and conditions of life of children by the provision and maintenance at Hill End or at any other place or places (whether in addition to or in substitution for Hill End) within 10 miles from Wytham Abbey aforesaid of facilities mainly in the open air for their education, recreation and social and physical training provided that as a general policy and without disqualifying particular individual children who are not over compulsory school age as fixed by law from time to time. All or any land, buildings or equipment or other facilities maintained by the Council for the purposes of the primary objects of the Trust may at such (if any) times as the same respectively are not required for the primary objects of the Trust be used at the discretion of the Council to provide similar benefits for members of youth organisations and other persons receiving secondary or further education. The funds are structured to achieve these purposes.

The Raymond & Hope Ffennell Hill End Trust

Report and Accounts for the year ended 31 March 2025

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is recoverable by the company and is therefore not included in the relevant costs in the Statement of Financial Activities.

2 Winding up or dissolution of the charity

If upon winding up or dissolution there remains any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

The Raymond & Hope Ffennell Hill End Trust
Notes to the accounts

1 Accounting policies

Basis of preparation of the accounts

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting & Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2015 and Charities SORP 2015.

and the Charities Act 2011 and the Companies Act 2006.

The charity has taken advantage of the exemption in Financial Reporting102 paragraph 1.11 from the requirement to produce a cash flow statement

The particular accounting policies adopted are set out below.

Accounting convention

The financial statements are prepared, on a going concern basis, under the historical cost convention.

Incoming resources

Incoming resources are accounted for on a receivable basis when

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Investment Income

Dividends are included in the income and expenditure account when they are declared at an amount.

Bank interest is included in the income and expenditure account on a receivable basis.

Recognition of liabilities

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, as soon as there is a legal or constructive obligation committing the charity to pay out the resources, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice for Accounting and Reporting FRS 102 .

Resources Expended

The expenses are minimal and easily identified, so no estimation is required.

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SOFA.

Governance costs include the cost of the preparation and examination of statutory accounts, the cost of the trustees' meetings and the costs of any legal advice to trustees on governance and constitutional matters.

Unrealised and realised gains

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into.

Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

Investments held by the charity

The policy for including investments in the accounts is as follows:-

Investments listed on a recognised stock exchange have been included in the balance sheet at their mid-market value at the year end. Other investments are included at the trustees' best estimate of market value.

Bank accounts

Oxfordshire County Council administers many aspects of the charity's affairs, and in the course of doing so holds funds for the charity and receives and pays out funds. In this capacity it is acting as a de facto banker for the charity, and accordingly the funds so held as bank balances in these accounts.

Funds structure policy

The trust deed of the charity states that the funds should be used for:-

The improvement respectively of the education and conditions of life of children by the provision and maintainance at Hill End or at any other place or places (whether in addition to or in substitution for Hill End) within 10 miles from Wytham Abbey aforesaid of facilities mainly in the open air for their education, recreation and social and physical training provided that as a general policy and without disqualifying particular individual children who are not over compulsory school age as fixed by law from time to time. All or any land, buildings or equipment or other facilities maintained by the Council for the purposes of the primary objects of the Trust may at such (if any) times as the same respectively are not required for the primary objects of the Trust be used at the discretion of the Council to provide similar benefits for members of youth organisations and other persons receiving secondary or further education.

The funds are structured so as to achieve these purposes.

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is recoverable by the company, and is therefore not included in the relevant costs in the Statement of Financial Activities.

2 Winding up or dissolution of the charity

If upon winding up or dissolution there remains any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

Independent Examiner's Report

Report to the trustees

Charity Name
The Raymond and Hope Ffennell Hill End Trust

On accounts for the year ended

31 March 2025	Charity no (if any)	304347
---------------	----------------------------	--------

Set out on pages

1 - 16
(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 03 / 2025.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
