TRUSTEES REPORT 24/25

Another good year on the field. Youth football continues now amalgamated with Carlton Colville seniors. Usual repairs to the children's play area carried out, twice yearly hedge cutting also done.

The concrete road has been extended to allow additional parking for car boot and football at the weekend. A new garage and store has been erected.

In June we successfully installed a surveillance camera on a galvanised post increasing security coverage of the field.

Thanks to all the volunteers that have helped out.

Kind Regards

David Fermor

TRUSTEES REPORT 22/23

This was a year of consolidation following the covid pandemic. With grant aid from our local councillor we were able to install a children's exercise rowing machine in the play area. Youth football has increased with weekends being busy for training and matches. The Community Room hire has increased with parties and craft fairs. A successful Jubilee event was held on the field in honour of the Queen. We are continuing our fund raising with weekly car boot sales and café facilities making the playing field financially secure.

Kind Regards

David Fermor.
