## **Financial report for the year ended 31<sup>st</sup> December 2022**

2022 was a significant year financially.

Spending ~ £40,000 on heating and insulation has resulted in a warmer, cheaper to run, village hall. Grants from the European Union and Mid Suffolk District Council, combined with COVID reopening grants made this possible.

Despite the record spending on hall improvements our total assets are slightly higher than at any time pre COVID. This money could be spent on further property improvements and discussions are underway about revamping our lighting, toilet heaters and distribution board. There is also the possibility of insulating the walls of the hall.

A large factor in record assets is a significant increase in regular hirings. Dog Training on Tuesday generates the largest income. The monthly microscopy group, weekly coffee morning on Mondays, craft group on Thursdays, Pilates all make significant contributions as do the quiz and bingo nights run by Paula, Martin and Les. The hall is well used.

The internet access which the hall now enjoys is partly funded by the microscopy group. Thanks to Max for overseeing its installation.

Fund raising through the 200 club continued through the year, returning to nearly pre COVID numbers. Many thanks must go to Alison Shoote for coordinating the 200 club and to all the collectors. We are short of the 200 members of the club so if anyone knows of someone who might join then Alison would be keen to know.

We agreed to increase Shirley's pay to £12.00 per hour in line with inflation.

Electricity consumption has yet to settle into a pattern. The air sourced heating has reduced electricity consumption per hour but increased usage means we still consume a lot of electricity. We swapped suppliers in April from British Gas to EDF, as part of this deal we are paying by direct debit and rates were fixed on the consumption in the last full year. The new deal is a 3 year fixed contract.

	Old rate British Gas	New rate EDF
Day rate pence / KWh	18.93	22.10
Night rate pence / KWh	13.20	18.93
Daily standing charge	30.01	25.00

We are currently paying £156.00 per month for electricity but I expect that to decrease when our meter readings are assessed by EDF. We recently discovered an electricity drain from one of the metered supplies which meant that the coin meter was being used up which caused problems with the start up of the ASH.

I should like to thank Jenny Hill once again for her excellent work in organising the hall bookings. I have found it easy to keep track of hall hiring accounts because of her precise record keeping.

Electronic banking has worked well. Either Max or Les can authorise a payment once I have made it. BACS payments are used by all our regular hirers. Accounting is quicker and easier with immediate access to transactions and no uncleared deposits or withdrawals at the end of the year. The grant applications were so much easier with access to pdf statements and transactions. I have written only 2 cheques this year. Barclay's bank in Stowmarket has closed and they suggested a 50 mile round trip to Bury St Edmunds might be convenient. Therefore, I now pay cheques in a Stonham Barns PO and transfer cash received from my personal account to the village hall account and spend the money! This needs to be stated publicly and the committee need to vote to accept this as a legitimate

exercise. After 18 years of Village Hall Treasurer, I would assume I have earned the trust of everyone on the committee.

Interest rates have started to increase and now stand at 2.5% on the Charities Deposit account. It may be worth transferring money from the current account to the deposit account once we have a clear idea of likely expenditures on hall improvements.

Thanks are also due to Chris Raine for inspecting the accounts once again.

Simon Palmer (Treasurer)

# **Crowfield Village Hall Committee – Charity No 304737**

## ***Independent Examiners Report on Accounts for the year ended 31<sup>st</sup> December 2022***

**To the trustees of Crowfield Village Hall Management Committee**

### **Respective responsibilities of trustees and examiner**

As the charity's trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of section 43(2) of the charities act 1993 (the Act) does not apply. It is my responsibility to state, on the basis if the procedures specified in the General Directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether particular matters have come to my attention.

### **Basis of the Independent Examiner's report**

My examination was carried out in accordance with the general directions given by the charity commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### **Independent Examiner's statement**

In connection with my examination, no matter has come to my attention:

- 1 Which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 41 of the Act; and
  - to prepare accounts which accord with the accounting records and to apply with the accounting requirement of the Act
  - have not been met; or
- 2 To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
