**Summary of the main achievements of the charity during the year**

The main achievement of the year was to oversee the completion of the project to enlarge and improve the kitchen area. This required far more work by the committee and others than had been anticipated but finally resulted in an excellent facility.

The opportunity was taken to improve some other aspects of the hall (e.g. the fire system, electrical system and hatch shutters) while the hall was closed.

The project was majority funded through grants from 7 sources and the charity's financial position remains strong despite the large expenditure on the improvements.

The income from hall bookings remained consistent with the previous year despite the hall being unavailable for two months, showing the continuation of the trend of increased use of the hall.
