Nature and date of the Unit's constitution (governing document):- Governed by Sea Cadet Standard Constitution

The method(s) adopted for recruiting new trustees, and how trustees are elected or otherwise appointed (and by whom) in accordance with the Unit's constitution, are as follows:-

Unit Management Team (UMT) members are elected annually at the Annual General Meeting (AGM). UMT members are elected from the membership of the Sea Cadet Unit which is drawn loosely as being those with an interest in the unit. In the event of a vacancy arising during the year (known as a casual vacancy), the UMT have the power to appoint a new UMT member. The UMT member appointed will serve until the date of the next AGM, after which the post will be filled by election.

The Unit's charitable purpose(s) as set out in its constitution is:-

To promote the development of young people in achieving their physical, intellectual and social potential as individuals and as responsible citizens by the provision of education and leisure time activities using a nautical theme and in accordance with the principles, ethos and practices of the Marine Society & Sea Cadets (MSSC).

The Unit's main activities and achievements in the financial year were:-

2025/2026 continued investment in boating equipment with the purchase of 12 single kayaks and 1 racing kayak for cadet use and with the ongoing maintenance of the existing fleet. Unit costs have increased for insurance, electricity and general maintenance and an unfortunate water leak in summer 2024 resulted in higher than normal water costs. Increased maintenance was undertaken in 2024 to repair the heat/air system along with increased costs for interior cleaning. Exterior unit expenditure went to gutter repairs and to improve the trailer area parking. The unit has strong cadet numbers and subs payments are up to date giving certainty of funds for ongoing activity. We were fortunate and grateful to be beneficiaries of Marina Salters estate which enables the investment in our equipment and for the benefit of the cadets.

Public Benefit

The UMT continue to give due regard to the public benefit provided by the Unit in relation to the charitable purpose of the Sea Cadet movement as set out in the activities and achievements as outlined above. The aim is to promote the development of young people in achieving their physical, intellectual and social potential as individuals and responsible citizens in a safe environment. In order to achieve this the Unit takes young people from all backgrounds, including where possible those with disabilities and develops their skills and abilities by:

- Regular and structured activities with a nautical theme.
- Allowing young people to take part in activities connected with the wider Sea Cadet movement such as waterborne activities, events and competitions at district, area and national levels.
- Availability of formal educational achievements whilst taking courses to earn badges and promotions.

Contributions are kept low in order to ensure all those who wish to take part in the activities of the Unit may do so.
