Summary of the objects of the charity set out in its governing document

In accordance with the Recreational Charities Act. To provide or assist in the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals of Fovant and the surrounding area who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity runs a youth club. The normal activities include providing a term time parent and toddler group and a junior youth club (ages 5 to 11). However, such activities in 2021 were adversely affected by covid restrictions and closures.

The trustees have had regard to the guidance on public benefit issued by the Charity Commission as per Section 17(5) of the Charities Act and the Charities (Accounts and Reports) Regulations 2008.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The covid pandemic forced the charity to close its activities for much of 2021.

Grants, especially from the local county council, allowed annual running costs to be covered and a renovation project to be begun. Further grants and donations have been received from the parish council and local individuals.

It is envisaged that this renovation work on the land and buildings, estimated to cost approximately £17,900, will be carried out as income allows.

Phase 1: internal work and fencing £8,900

Phase 2: adapt toilet block £5,000

Phase 3: heating £4,000

Phase 1 commenced in 2021.

More recently the charity has held a grand re-opening fundraiser on 2 July 2022 with the intention to add a regular senior youth club session for ages 11 to 16 to its activities.

Section E

Financial review

Brief statement of the charity's policy on reserves

The trustees consider the minimum reserves should be £1,800 to cover the anticipated annual running costs. The reserves at 31 December 2021 were £19,917 and the majority of this will be utilised for the next phases of the renovation project.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

Fovant Youth Club

Charity number 305517

Pdf explanation

As the charity has income under £250,000 it is permitted to prepare accounts based on a Receipts and Payments basis.

Therefore the accounts have been prepared using a Charity Commission template rather than the ixbrl format usual for companies.

Accordingly they are attached to the Corporation Tax return as a pdf document.
