## Notes for Annual General Meeting 3<sup>rd</sup> August 2022 at 7:30pm In the Village Hall, West Ashton

1. **Apologies** - Paul Pursey and Carol Hackett were unable to attend
2. **Attendees:-**
  - a. **Committee** – Richard Covington, Jean Robertson, Amanda Trim, Simon Alford, Geoff Watkins
  - b. **Villagers** – Jackie Bradley, Ursula Jenkyn, Vaughan and Dawn Nichols, Jean Covington, Jo Watkins
3. **Report** - Richard Covington read out the annual village hall report
4. **Committee 2022 – 2023** – No Change from 2021 - 2022
5. **Public Questions:-**
  - a. Jackie Bradley asked whether the committee planned to present a murder mystery. There were no plans to do so but Richard asked if Jackie or anyone would organise the event, there was no response. It was stated that the committee would support suitable events if anyone wanted to organise an event for the village
  - b. Jackie Bradley also asked about skittles, Church v Committee and the Sweetman cup. The committee has not considered events for the spring in the new year (2023)
  - c. Jackie Bradley, Ursula Jenkyn observed that the hall doesn't seem very clean when used on Monday for Tai Chi. Evidencing that they had to sweep the floor on several occasions. Richard was aware of this on one occasion, which was subsequently checked and cleaned. The committee has had issues with the cleaner and this situation has improved. It was suggested that cleaning could be done on Monday rather than Friday.
  - d. Further suggestions were for a caretaker but it was unclear what the scope of responsibility would be(?)
  - e. Vaughan Nichols asked whether the hall would charge for the bar if a non committee member organised a village event. There wouldn't be a charge assuming bar staff were available.
6. **AGM Closed 8:10pm**

## Bookings

Amanda reported that bookings were stable with an average of 2 external bookings per month and 6 regular sessions every week. Most bookings are from hirers who do not live in West Ashton. The regular hirers are the main stay of the hall's income and the frequent children's parties further boost income. It is notable that several parents make repeat bookings for children's birthday parties held in the hall as they are impressed by the venue.

Previously Nathan had linked a Village hall mobile phone to the website but most hirers are using the email address or booking form which makes the booking procedure more efficient and easier to manage. There is a 90% conversion of enquiries to bookings. The fees for bookings have increased this year due to a rise in utility costs but the hall is generally less expensive than other local venues with the added bonus of free parking.

The occasional evening parties with a bar are always profitable. Sadly hall events with a meal and entertainment have on occasion been cancelled due to lack of support; perhaps a sign of the times that illustrates a different approach is necessary.

Thank you to Amanda who took on responsibility for bookings this year in place of Nathan who decided because of work commitments to leave the committee.

## Maintenance

The hall is in good shape with the following repairs / enhancements having being undertaken.

- Laurel hedge has been trimmed and the height reduced
- Rear garden area is regularly maintained
- Gutters, valleys have been cleaned
- The hall will be decorated in August, in fact from the 8<sup>th</sup> August
- PAT testing if necessary again?
- Outside bench seats to be treated again

Thank you to Simon who took on responsibility for maintenance and has been tireless in fixing things.

## Finance

The finances of the Village Hall still remain very healthy, thanks in part to Government grants received during COVID, and the generous donation this financial year of a will legacy – The money available at the year-end was £81,487.73.

Whilst hiring receipts have increased this year as we emerge from the effects of COVID, they have still not quite yet returned to pre-COVID levels - with some regular user groups not returning, or having to cancel bookings due to low numbers, and private one-off bookings taking a while to start picking up.

The feed-in-tariff received as a result of the solar panels, still provides a very useful top-up to the Village Hall funds, particularly in light of the recent increases in electricity costs.

Improvements have been made during the year with new LED lights, and flooring in the Meeting Room.

# WEST ASHTON VILLAGE HALL AND INSTITUTE

Purchase of the SumUp card machine system means the Village Hall can now take card payments as well as cash, and has proved very popular during the many and varied events held during the year.

All things considered; the Village Hall is in a very good financial position as we start the new financial year.

Thank you to Carol who took over responsibility from Jenny for finance this year.

## **Thank you**

To all committee members and all those despite not being on the committee who have volunteered to help during the past couple of strange eighteen months.

***Thank you...***

## Village Hall report for 2021 AGM (AGM 9<sup>th</sup> August 2019)

Thank you to all the committee for their efforts during the past two years 2019 – 2021. It has been a difficult time for everyone; the hall has not been open for use by villagers or hirers and this is the first opportunity to hold an annual meeting since lockdown restrictions of ended.

The committee for 2019 -2021

The committee has a set of defined roles with specific tasks necessary to effectively run the hall and is working well

- |                           |                   |
|---------------------------|-------------------|
| 1. Chairman and Secretary | Richard Covington |
| 2. Vice Chair and Events  | Jean Robertson    |
| 3. Treasurer              | Jenny Kettle      |
| 4. Bookings               | Nathan Amor       |
| 5. Maintenance            | Simon Alford      |
| 6. Bar Management         | Geoff Watkins     |
| 7. House Keeping          | Sylvia Preston    |
| 8. Pub Nights and other   | Paul Pursey       |

Village hall events are hoped to be able to be safely resumed in the autumn, current ideas are:-

- Open evening with buffet – free but with managed numbers – would Odd “Madodery” be able to provide the music?
- Fish and Chip evening
- Halloween party if possible to book a band.
- New Years Eve
- There’s an outstanding Murder Mystery to be staged.
- Annual skittle match between the church and the village hall

Looking further ahead:-

- Six Nations Rugby – This is not very well supported and maybe left off the 2022 calendar
- Skittles – Church verses Village Hall
- Summer Skittles and BBQ
- Pub Nights
- An event to celebrate the Queen’s jubilee in 2022, perhaps coupled with hall’s centenary.

We would like to welcome back regular and new hirers:

1. Yoga - sadly not going to restart
2. Tai Chi
3. Pilates
4. Canine Training – Not sure if this will restart?
5. Dance classes
6. Judo

It is important to remember that regular hirers are the main stay of the hall's income and perhaps to a lesser extent the frequent children's party hiring's that further boost income. The occasional evening parties with a bar are always profitable. Sadly hall events with a meal and entertainment have on occasion been cancelled due to lack of support; perhaps a sign of the times that illustrates a different approach is necessary.

### **Maintenance**

The hall is in good shape with the following repairs / enhancements having being undertaken.

- CCTV installed.
- Fibre connected Broadband.
- LEDs lighting being installed to replace the fluorescent ones.
- Repairs to the Gable End and replacement of the bay window.

### **Outstanding**

- Gutters, valleys and roof tiles cleaning
- Completion of LED installation in the toilets
- Gable End (other on old part of the hall) needs some TLC
- Quarterly weed spraying.
- Laurel trimming and height reduction
- Rear garden area weeded and generally tidied
- PAT testing if necessary again?
- Outside bench seats need treating again with "Golden Care Teak Protector"

Thank you to Simon who took on responsibility for maintenance and has been tireless in fixing things.

**Finance**, despite the lockdown has remained positive.

- Profit £5,900
- Bank Account £22,485 (government grants during lockdown)
- Reserve account £35,000.

Thank you to Jenny who has decided this year to step down to focus more on family commitments.

### **Thank you**

To all committee members and all those despite not being on the committee who have volunteered to help during the past couple of strange eighteen months.

- **Thank you...**
