Trustees Annual Report

April 2021- March 2022

Trustees: David Gareth Jones and Hannah Holman

Charity Objectives: Scouting exists to actively engage and support young people in their development, empowering them to make a positive contribution to society.

General: The 21st Bath Scout Group meets at a scout hut on Charlcombe Lane, Bath. There are three sections to the group:

- Beavers
- Cubs
- Scouts

The group is run by volunteers and has no paid staff. The Group is part of the Scout Association's Policy Organisation and Rules as set out here [http://www.scouts.org.uk](#)

All leaders and members of the executive body have maintained valid DBS checks.

Annual update: At the beginning of the reporting period the impact of the COVID-19 pandemic was felt with in person meetings curtailed. A phased return to scouting activities was individually risk assessed to ensure social distancing restrictions were adhered to. During the period all three sections were operating at capacity with waiting lists in place. Recruitment remains a challenge but a dedicated group of volunteers worked hard to provide opportunities for young people in Larkhall.

Financial

Income: The group's income comes from three sources 1) parental subscriptions 2) hire of the scout hut 3) specific grants for a planned refurbishment project.

Expenditure includes rent to BANES Council, an annual capitation amount to the Scout Association for functions and the costs of running the hut and the groups that meet there.

The Group is carrying over a significant surplus from the previous reporting period. The refurbishment of the scout hut remain unspent whilst negotiations with BANES Council remain ongoing.

Financial governance: two signatories are required for all payments.
