Section B**Structure, governance and management**

Description of the charity's trusts

Type of governing document

(e.g. trust deed, constitution)

In the period covered by this report, the Group's governing documents were those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association. Subsequent to this reporting period, a constitution was adopted (details will be given in 2023-24 return).

How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods

(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

The Group is managed by the Trustee Board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Board consists of Chair, Treasurer and Secretary together with the Group Scout Leader, individual section leaders (if opted to take on the responsibility), independent representatives and parent's representation and meets every 3 months.

Members of the Trustee Board complete 'Trustee Introduction Training' training within the first 5 months of joining the Board.

This Trustee Board exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property;

The raising of funds and the administration of Group finance;

The insurance of persons, property and equipment;

Group public occasions;

Assisting in the recruitment of leaders and other adult support;

Appointing any sub committees that may be required;

Appointing Group Administrators and Advisors other than those who are elected.

Risk and Internal Control The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Loss of headquarters upon the expiry of the current lease. The Group is taking steps to mitigate this risk through engagement with the landlord and taking professional advice, but in a worst case scenario the Group will be unable to secure a new lease or find alternative premises from which to run its activities resulting in a closure of the Group.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 6 to 16. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.

Section C

Our main bank accounts commenced the year with £7,499, and at 31 March 2023 we closed the year at £12,453, plus an additional £529 held by the Sections. Total funds were therefore £12,977 compared with £8,058 at the beginning of our financial year.

Receipts

Our main income generally falls into 5 main categories – and compared to the prior year we have seen some of the traditional sources of income recover, such as fundraising and donations.

- a. Subscriptions. Subscriptions recognised in the current year totaled £13,499 (including Section funds), whilst our membership subscription paid to the National, County and District associations was £6,718 – representing 103 members – an decrease of 6 members over the prior year. As highlighted in our report last year, a proportion of 2021-22 subscriptions payments were received in the current financial period – hence the significant increase year on year.
- b. Premises. We allow our premises and equipment to be enjoyed by other users, resulting in additional donations. In the year to 31 March 2023 this generated income of £863 – compared to £1,475 in the prior year.
- c. Fundraising. A net £2,105 was raised through the Rotary Club Xmas collections - and the BBQ at the Banstead Village Fair also raised £245 (after expenses).
- d. Gift Aid. Tax rebates received in the year totaled £1,881 compared to £2,050 in the prior year. Once again, thank you to all those who have checked the box in OSM – enabling the group to reclaim income tax on subscription payments.
- e. Grants/Sponsorship/Donations. The group received significant donations from private individuals in the year – contributing a total of £5,045 – for which it once again expresses its gratitude – in addition to £350 in ongoing sponsorship of the minibus.

Payments

Total expenditure increased significantly compared to the prior year, reflecting the full resumption of camping and other activities, as well as rising utility costs.

Whilst expenditure on camps and activities is generally funded, the main expenses of the group were;

1. Utilities and broadband - £3,774 was incurred in the year compared to compared to £1,884 in the prior year reflecting the unprecedented increases in electricity and gas prices. Costs are starting to come down with electricity and gas prices expecting to reduce by 20% and 10% respectively over the next month, but this does not yet return us back to the levels seen in the prior years. Measures have been taken to reduce consumption at Scout Ridge to help offset the price increases.

2. Insurances, covering Scout Ridge and equipment, the minibus and additional helpers, totaled £3,311 – a slight but welcome reduction from increase from £3,473 in the prior year. The group also incurred a further £1,504 (2022: £3,175) in respect of maintenance of Scout Ridge.
3. Materials and Equipment – expenditure increased to £1,959 compared to £242 in the prior year. This is largely gas and other equipment required to support camps and activities.

The administration and fixed costs faced by the group amount to approximately £8,000 this year compared to £5,500 in the prior period – an increase of some 45% year on year – of which a very small proportion has been passed on in subscriptions.

The group closed the year with a healthy cash reserve, which means that we can be confident of meeting of our financial obligations for the foreseeable future, but as highlighted in previous years, membership subscriptions alone are insufficient to meet the day to day running costs of the group. We remain more dependent than ever on support through donations, sponsorship, fundraising and Gift Aid to continue operating as we do today.

3rd Banstead Board of Trustees Annual Report 2020-2021

What another exceptional year for 3rd Banstead Scout Group and the Board of Trustees.

Since the last AGM we have been locked down again with virtual meetings keeping us all together. But since Spring this year the pandemic controls have been freeing up little by little so that sections have gone from virtual meetings to socially distanced meetings outside and eventually to Covid-safe meetings indoors.

This has seen us establishing and amending risk assessments for the various activities for the young people as circumstances change.

There has also been lots of work going on at Scout Ridge to enable us to open up for face-to-face meetings with refurbishment of the toilets, hand sanitiser dispensers, cleanable door fittings, safe outdoor spaces and repairs to heating and lighting in the sports hall, thanks in great part to grants from Reigate and Banstead Borough Council. Another grant has also provided for some new air rifles.

I would like to thank those leaders, Board members and parents/carers who have helped maintain Scout Ridge over the course of the year and especially our GSL Adam who has been central to the works that have kept us all safe over the course of the year.

I would like to thank the Board members and families that ran the BBQ at Banstead Village Day this summer raising funds for the Group and very much look forward to helping Banstead Rotary Club again this year with their Christmas collections, one of our main fundraising activities. More details later.

Lastly, I would like to thank Adam and all the leaders for their sterling efforts keeping sections working over such a difficult year and say a big thank you to all our parents/carers and young people for sticking with us.

Richard Aram

Chairman, Board of Trustees

FINANCE REPORT

The accounts have been audited by Neil Bridges as an Independent Examiner and I thank him for this.

The financial operations of the group were significantly impacted by the pandemic – and it is important to note that much of the year ended 31 March 2021 was spent in a state of full and partial lock-down – resulting in both exceptional income and expenditure arising over the period

As far as the main bank accounts are concerned, we began the year with £14,672 and at 31 March 2021 we closed the year at £15,575, plus an additional £627 held by the Sections. Total funds were therefore £16,202 compared with £15,475 at the beginning of our financial year.

Receipts

Our main income usually falls into 5 main categories, however due to the pandemic some of the traditional sources of funding such as equipment & premises hire and fund-raising activities were significantly curtailed.

- a. Subscriptions. Subscriptions recognised in the current year totaled £8,257 (including Section funds) – and our total payment out to HQ, District and County was £6,442 – representing 104 members (down by 1 compared to the prior year). It is important to note that Subscriptions were not actively collected during the first lockdown (although many parents and carers did choose to pay their fee as usual), hence the decline in income compared to the prior year.
- b. Premises. In usual times we allow our premises and equipment to be enjoyed by other users, resulting in additional donations - which in the year to 31 March 2020 amounted to £2,056. Unfortunately, the group was unable to generate any such income through 2021
- c. Fundraising. £770 was raised through the Rotary Club Xmas collections, which were significantly reduced by the December 2020 lockdown preventing static collections at Asda and Waitrose. The 2020 Village Day BBQ was also cancelled – which had generated income of £483 in the prior year.
- d. The Gift Aid tax rebates received in the year totaled £1,368. The reduction in subscriptions also had an impact on the amount of Gift Aid available to the group in the year to 31 March 2021, but this is now recovering – with a claim submitted post year-end amounting to some £2,049 and which has now been received from HMRC. Thank you to all those who have checked the box in OSM – enabling the group to reclaim income tax on subscription payments.
- e. Grants/Sponsorship/Donations. As a Business Rates payer, the group was able to take advantage of the Covid-19 support grants available, totaling some £20,241 in the year. In addition to providing much needed cover for the reduced

subscription and fund-raising incomes, the group was able to fund £4,042 required to ensure that the Scout Ridge facilities could safely accommodate the return to outdoor and then indoor face-to-face meetings – this expenditure included the upgrading of the bathroom facilities, improvements to ventilation, outdoor lighting and signage, and the purchase additional cleaning and sanitising equipment, as well as new equipment for outdoor activities.

A grant of £2,900 from Surrey County Council was also gratefully received, and was used to purchase new air-rifles for the group, and further upgrade the indoor lighting at Scout Ridge to LEDS.

The group received further donations from individuals of £1,471 in the year, plus £350 in sponsorship of the minibus.

Payments

1. As noted above, the group incurred exceptional expenditure of £4,042 on upgrading facilities and implementing Covid19 safety measures.
2. Utilities including broadband of £1,744, premises maintenance costs of £4,381, and premises / contents insurance of £2,378 are other major expenses – these were largely unaffected by the pandemic / lockdowns - thus the financial support received from Reigate and Banstead Borough Council was so critical in ensuring maintaining facilities ready for the re-commencement of face-to-face meetings.
3. The group also completed the purchase of the new minibus in June 2020 with a final payment of £9,885. Insurance for the new vehicle was £954.

As highlighted in previous years, membership subscriptions alone are insufficient to meet the day to day running costs of the group, and we remain highly dependent on donations, sponsorship, fundraising and Gift Aid in order to meet the costs of maintaining the fantastic facilities at Scout Ridge, and meeting our District, County and HQ obligations.

I am pleased to report that as a result of the support received in the year to 31 March 2021, the group has also been able to continue its investments into both facilities and new equipment. The group ended the financial year in a sound financial position and continues to be able to meet its financial obligations as they fall due.
