Net PROFIT

The Group shows a PROFIT in the year of £4,291 and the bank balance went from £28,036 to £32,327

Summary

Due to the COVID-19 pandemic and the fact that we were unable to hold meetings for much of the year Subscriptions were greatly reduced. However, it should be noted that the regional/national Scout Assoc Capitation re-charge of £3,301.00 for 2019/20 year was included in this year's accounts as well as the re-charge for 2020/21 year which resulted in subscriptions total showing a negative balance of £3,067.00.

Fundraising events - There were none due to lockdown and social restrictions.

Income from hall usage was practically non-existent as we were unable to rent the hall due to the pandemic.

The GiftAid total reflects 3 years of claims, being 2017, 2018 and 2019.

The replacement of the garage building had been planned for prior to the pandemic but since we had a healthy bank balance the Exec committee agreed that it could go ahead.

There were numerous COVID-19 grants made available to youth groups and charities which we were able to apply for and thankfully were successful in receiving, which has resulted in the Scout Group actually showing a PROFIT for 2020/21 year.
