Description of the charity's trusts

The Group's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

(e.g. trust deed, constitution)

How the charity is constituted

The Group is a charitable trust established under rules which are common to all Scouts.

(e.g. trust, association, company)

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

(e.g. appointed by, elected by)

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:

a) the induction and training of trustees;
b) trustee' consideration of major risks and the systems and procedures to manage them

The Committee meets regularly throughout the year (approx every 2 months) and consists of Chair, Treasurer and Secretary together with Scout/Cub/Beaver Section leaders and independent parent representatives for each section.

This Group Executive Committee exists to support the Scout/Cub/Beaver Section leaders in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property;

The group has in place systems of **internal controls** that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Section C	Objectives and activities
<p>Summary of the objects of the charity set out in its governing document</p>	<p>The objectives of the Group are as a unit of the Scout Association.</p> <p>The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.</p>
<p>Summary of the main activities in relation to these objects</p>	<p>All sections run a balanced programme. Physical games, puzzle solving games appropriate for the age of the section and various other activities. All sections have attended Church parades and other acts of faith at various functions such as Remembrance Day. Subscriptions are charged for membership. The Group follows the principle that noone should be excluded because of their inability to pay membership subscriptions. Two key principles demonstrate that Scouting's aims are for the public benefit are that though the Scouting method young people develop towards their full potential and that there is a clear link between the benefits for young people and the purpose of Scouting. The safety of young people is taken very seriously and the benefits Scouting activities provide far outweigh the risk. Any private benefits from Scouting are incidental, other than to those as a beneficiary.</p>

Additional details of the objectives and activities (optional information but encouraged as best practice)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- contribution made by volunteers.

Section D**Achievements and performance**

Summary of the main achievements of the charity during the year

1st Sunbury reflects the national trend for growth in the movement, *for increasing the number of young people that are members by a 15% during the past year. More young people enjoying good quality Scouting is what it's all about!*
The stimulating, balanced programme provided by leaders is fundamental to the group's success. Our young people were awarded 623 badges. This includes 15 of the top awards across the 3 Sections. They attended camps and sleepovers, visited Spelthorne Council offices, hiked, paraded, participated in an expedition and took part in a shooting competition! Well done to everyone involved. We look forward to another successful year scouting at 1st Sunbury.

Section E**Financial Review**

Brief statement of the charity's policy on reserves

Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Trustee Board considers that the group should hold a sum equivalent to 12 months running costs, circa £18,000.

The Group held reserves of approximately £65,000 against this at year end. This is above the level required for operating expenses. However this can be explained by the large donation we received this year from Michael.

Quantify and explain any designations

Details of any funds materially in deficit (circumstances plus steps to eliminate)

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives

Investment Policy (Specimen 1)

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.

The Group Executive regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Executive considers the cash flow requirements.

Investment Policy (Specimen 2)

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

Section F Other Optional Information

Plans for future periods (details of any significant activities planned to achieve them)

Various activities are planned to put the money left to the group is spent, inkeeping with the deceased wishes. Apart of this is installing a indoor Shooting range.

Section G Declaration

The trustees declare that they have approved the trustees' report above
