Section B**Structure, governance and management**

Description of the charity's trusts

Type of governing document

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

(e.g. trust deed, constitution)

How the charity is constituted

The Group is a trust established under its rules which are common to all Scouts.

(e.g. trust, association, company)

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

(e.g. appointed by, elected by)

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Trustee Board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:
a) the induction and training of trustees;
b) trustee consideration of major risks and the systems and procedures to manage them

The Trustee Board consists of the Chair, Treasurer and 4 Trustees (including 1 Ex Officio Trustees, and 3 co-opted Trustees) and meets every 2 months.

Members of the Trustee Board complete Being a Scouts Trustee learning within the first 6 months of joining the Board.

This Group Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.

Risk and Internal Control (Specimen 1)

The Group Trustee Board has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Board could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 4 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Risk and Internal Control (Specimen 2)

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.

Section C	Objectives and activities
<p>Summary of the objects of the charity set out in its governing document</p>	<p>The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p>The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes. Co-operation - We make a positive difference; we co-operate with others and make friends.</p> <p>The Scout Method Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.</p>
<p>Summary of the main activities in relation to these objects</p>	<p>The Group main function is to support the sections in achieving the aims of the Scout Association.</p> <p>The group continues to thrive as a community-based focus within the local area, providing a vast range of exciting and developmental activities for its members – both young and adult. Several members have significant disabilities or special educational needs, and we are committed to including them fully. With dedicated support, this has led to very positive outcomes for everyone involved.. Numbers have stabilised this year slightly below previous years due to some outflow from sections and at the top of scouts, whilst recruiting into the Beaver section has been slightly lower than previously, this is an area or recruitment the leaders are working on.</p> <p>The leadership team continues to evolve with new joiners arriving, largely being parents of young people within one of the sections. This method of volunteer recruitment appears to have served the Group well over the years and will continue to be used.</p> <p>Due to the unforeseen assignment to Lincolnshire of the Group Lead Volunteer (serving with HM Forces), there will be a handover from him to one of the other volunteers who currently looks after the Beaver section and who has a disability. The Trustees are confident that the Group is in excellent hands based on the extraordinary commitment and knowledge that the volunteer has shown since joining.</p> <p>A number of the Trustees have also stated their intention to stand down from Scouting this year, these include the Chair and the Treasurer. A replacement Treasurer has been found, but the Trustees have initiated a recruitment campaign to find replacement chair of trustees.</p>

The Group has undertaken a number of camps at local sites with young people being given the experience of life under canvas and learning camp craft. Volunteers in the Scout section have attended training in archery and axe throwing which has granted them permits to run these activities as part of routine scout meetings or camps. The cost of this training was supported financially by the Group

Kayaking continues to be a cornerstone of the Group's outdoor provision, and our fleet of kayaks remains in good order. The Group has used funds to pay for Paddle sport Rescue and Safety Training through Paddle UK, the National Governing Body for kayaking and plans to do so again in the next FY.

Camps remain a key component of scout life and residential experiences have taken place at Wiltshire Scout Centre, Biblins Camp on the river Wye, in a local museum and on a canal boat.

Progress continues building new premises for 1st Lavington Sea Scouts, albeit more slowly than the Trustees and members would like. The new hall will be built on the Elisha Field which is a very large recreation ground which provides a huge outdoor space on which a great variety of scouting activities can take place, including camps.

The Provision of Scouting within the Group is totally dependent on the contribution made by volunteers.

Additional details of the objectives and activities (optional information but encouraged as best practice)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- contribution made by volunteers;
- policy on investments.

The group trustees have agreed to hold the money raised from the sale of the building in high interest accounts across multiple providers with terms that vary to allow access to the funds but achieve the best interest rate possible until a new building plan has been formalised.

Public benefit statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

In early July 24 the trustee team made the sale of the Scout hall happen. The hall thankfully sold for more than we expected. The money has been put into some high interest earning accounts while we make plans for a new building.

The volunteer team then had the daunting task of emptying the hall and storage area of all the accumulated kit. As we emptied the kit we took the opportunity to discard most of the obsolete items and get rid of any rubbish. We moved the equipment to a storage unit locally.

An agreement between the scout group and Market Lavington Parish Council was reached and eventually signed in Feb 25 allowing us to press forward with our intention to build a new Scout facility at Elisha Field. An architect has now been commissioned to create a design for the new hall. There is a long way to go yet, but we are on track to achieve our goal of a new building.

As a consequence of the sale of the hall, the leaders have had no base in which to hold meetings but that has not stopped them providing a fun, interesting and varied scouting program for all the different sections, this has been achieved by juggling different venues and the leaders dynamic approach to their roles in scouting.

All the volunteers that help each other run 1st Market Lavington Sea Scouts show a massive amount of commitment and persistence to get the job done and we thank them.

Section E Financial Review

Brief statement of the charity's policy on reserves

Reserves Policy
 The Group policy on reserves is to hold sufficient resources to continue the charitable activities of the district should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs, approximately £15,000.00

The Group held free reserves of approximately £286,000.00 against this at year-end the majority of this £272,000.00 is held in savings and ring fenced for a new scout hall.

Further financial review details (optional information)

- You **may choose** to include additional information, where relevant, about:
- the charity's principal sources of funds (including any fundraising);
 - how expenditure has supported the key objectives of the charity;
 - investment policy and objectives;

Investment Policy (Specimen 1)

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

The Group Trustee Board regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Trustee Board considers the cash flow requirements.

Section F Other Optional Information

Plans for future periods (details of any significant activities planned to achieve them)

The group plans to continue with efforts to achieve planning permission and break ground on a new scout building at the Elisha Field in Market Lavington, whilst continuing to provide exceptional scouting opportunities.
