**Report of the Trustees**  
**for the year ended 31 July 2024**

The Trustees present their report and the financial statements of the Foundation for the year ended 31st July 2024. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

## **OBJECTIVES AND ACTIVITIES**

### **Summary of the objects of the charity as set out in the governing document**

- 1 The object of the Foundation shall be the advancement of higher and further education in one or more of the following ways:
  - a. the provision and conduct in accordance with the doctrines, rites and practices of the Church of England of a chapel and a chaplaincy providing for religious worship, care, and instruction;
  - b. the promotion of religious education (including the training of ministers of religion) by the provision, or assistance in the provision, of instruction, classes, lectures, books, libraries and reading rooms;
  - c. the granting of financial assistance to institutions of higher or further education established for charitable purposes only; and
  - d. such other ways as the Trustees may from time to time determine.
- 2 In furthering the object of the Foundation specified above, the Trustees shall have regard to:
  - a. the advancement of education in accordance with the doctrines of the Church of England; and
  - b. the needs of students undergoing training as teachers, particularly of those who are members of the University

### **Policies for achieving objectives**

#### **1 Charitable objectives**

The Trustees pursue the Object of the Foundation by maintaining the St Luke's Chapel and by making provision for Anglican Chaplaincy at the University of Exeter.

The Trustees consider that within the region there should be a lively, high quality and flexible provision for theological and religious education. The former provides for the needs of those who serve the churches, whether lay or ordained; the latter focuses on religious education in schools and further education and on the training of teachers for this.

#### **2 Grant making**

The Trustees also make *Personal Awards* to individuals following university-level studies or research in theology and religious education; and they make *Corporate Awards* to universities and similar institutions to enable them to develop or enhance their provision in these fields. These Awards may be granted for up to three years in the first instance.

#### **3 Investments**

The Foundation no longer owns Freehold Property. Its Capital Fund is invested with CCLA Investment Management Limited, in CBF Units. The investment objective is to maximise income whilst seeking appreciation in capital values over the years at least in line with inflation.

### **Procedures**

The Trustees normally meet twice yearly. They review policy, receive and respond to reports from their investment advisers, review financial statements, and review the risks to which the Foundation may be susceptible. They allocate grants on the recommendations of a small group of Trustees (the Scrutineers), elected in rotation.

The Trustees have instituted an "Anglican Chaplaincy Management Group" (ACMG) to oversee matters associated with Anglican Chaplaincy at the University of Exeter. The ACMG reports to the Trustees.

Within the policies laid down, the day to day management of the Foundation is delegated to the Director.

The Trustees have had due regard to guidance published by the Charity Commission on public benefit. The activities which the Trustees pursue to further the Foundation's charitable purposes for the public benefit include: providing financial support for Christian ministry in university education; and providing grants to clergy, teachers and other applicants from all parts of the UK for studies and research in religious education, theology and religious studies.

**ACHIEVEMENTS AND PERFORMANCE**

**Summary of the main achievements of the charity during the year**

Chaplaincy at the University of Exeter

The Foundation is one of the sponsors of the Anglican Chaplaincy at the University of Exeter, where it has, since its inception, provided posts and leased and maintained the St Luke's Chapel. Since 2013 the Foundation, together with the Diocese of Exeter, has funded the post of Lazenby Chaplain. The Reverend Hannah Alderson, as Lazenby Chaplain, leads the Anglican Chaplaincy team.

During the year (2023-24) the Anglican Chaplaincy Team (ACT) at the University comprised the Lazenby Chaplain, two lay Anglican Chaplains (a Lay Reader and an Ordinand), the Director of Chapel Music, two student Chaplaincy Assistants and the Chaplaincy Administrator. On Sundays, a 5pm Choral Eucharist is held at the Mary Harris Chapel, followed by the 7pm 'Sanctuary', run in partnership with the Free Churches Chaplaincy. Both services have grown in numbers and student participation this year; the choral Eucharist draws an average of 49 attendees, up by around 20% on last year. Choral Evensong is held on Wednesdays, and a rhythm of daily prayer takes place in the Chapels throughout the week and is a mixture of Chaplain-led and student-led. Marking Remembrance and Christmas on behalf of the University continued to be significant events in the year, as well as special events such as the Archbishop of Canterbury's mission weekend in November, and the Confirmation of 5 students in May. The Anglican Chaplains are part of the Multifaith Chaplaincy team. Pastoral work has been significant this year, and is expected to grow following the opening of the new Multifaith Chaplaincy building in October 2024.

On the music side, the Chapel Choir have sung for winter and summer graduation, as well as for high-profile University events such as the University's inaugural 'Civic Carol Service' held in the Chapel for the University's civic and business partners. The Choir undertook a successful tour to Cambridge and Bury St Edmunds in June 2024.

The Anglican Chaplaincy Management Group met regularly during the year to oversee matters associated with the Anglican Chaplaincy at the University of Exeter.

The St Luke's Chapel. The building work for the St Luke's Chapel project started in the spring of 2023 following the appointment of a builder. There have been delays to the completion of the project, which is now anticipated early in the 2024-25 academic year. On the 1st October 2023, the Trustees appointed Dr David Benzie to oversee the Chapel project. While the Chapel work is in progress regular activities at St Luke's such as morning prayer, Bible study group and Soup Lunch have been re-sited to an alternative building. This project continued to dominate the Foundation's affairs in 2023-24. Upon completion of the project, a significant challenge for the Anglican Chaplaincy team this year will be reestablishing a pattern of prayer, worship and activities at St Luke's Chapel.

Ministerial Formation and theological education

The Foundation's Object provides, inter alia, for the "training of ministers of religion." The number and scope of applications for grants reflect the many challenges facing those already in the service of the churches. It is evident (a) that these exceed the churches' capacity to fund the training needs of individuals; and (b) that theological colleges and similar providers must respond by developing appropriate training including diverse and flexible modes of delivery.

Theological Education and University Chaplaincy, were supported by the following awards in 2023-24:

- To the University of Exeter to support 'The British New Testament Conference' held at the University.
- To the University of Exeter to support the visit of two renowned New Testament scholars from India.

Support for Religious Education

The Trustees endeavour to achieve a balance between the financial support which they are able to offer for theology, including chaplaincy, scholarship and the formation and development of ministers, and religious education (RE) as a school subject.

The Trustees supported RE by making the following awards and contributions in 2023-24:

- Together with the Farmington Institute, to an RE teacher in the South-West to enable her to complete an RE related study project.
- To the RE Council for England & Wales to support their general work.

**St Luke's College Foundation  
Report of the Trustees (continued)  
for the year ended 31 July 2024**

Personal and Corporate Awards

The Foundation promotes an annual round of applications to support individuals and institutions with grants for university-level studies and equivalent initiatives which serve to advance further and higher education in theology and religious education. It makes Personal Awards to individuals for postgraduate studies and research in these fields, and modest Corporate Awards to universities, colleges, and other agencies to enhance their capacity to provide theological and religious education at this level. The Trustees no longer make awards to Secondary RE PGCE trainees. The Foundation collected data on applicant diversity for the first time in 2021. Patterns, as they emerge, will inform future practice.

During the year the Trustees received 38 applications for Personal Awards (2023: 44 applications), and 1 application (2023: 2 applications) for a Corporate Award.

35 applications were recommended for new/supplementary Personal Awards (2023: 35) and 1 application for a Corporate Award (2023: 2). Together with a joint St Luke's/Farmington Institute award, these amount to £62,485 over 3 years, of which £28,510 will be payable in the forthcoming academic year.

*Advice to potential applicants*

Personal grants are usually modest in relation to the total cost of individuals' studies, but the Trustees aim to "make a difference" so that applicants are able to fulfil their plans. They support applicants from a wide range of Christian traditions throughout the UK.

Applications are not normally accepted from candidates based overseas and only exceptionally from international students who are currently in the UK. This restriction enables the Trustees to provide more, and possibly somewhat larger, grants to those who are serving the churches and religious education in the UK; and who wish - through personal study and research - to equip themselves more fully to address the many challenges they face in their ministry and teaching.

*The timetable for making Awards:*

The Foundation makes one round of awards each academic year. A pack of information and forms to apply for an award can be obtained from the Director from January onwards. The closing date for the receipt of completed applications is 1st May annually. The new awards (which can be granted for up to 3 years) are announced by the end of June and take effect in the following September.

A modest sum is made available for "out of cycle" corporate awards each year. Such awards will only be made in circumstances where it is impossible to adhere to the normal timetable.

Major awards

From time to time the Trustees are able to make a small number of larger corporate awards to enhance the capacity of universities and other institutions working in the fields of theology and RE. All applications for major awards must meet three principal criteria:

- The applicant organisation should normally be based in the region; or - if the proposal is part of a national or wider project - there should be a clear regional dimension to the initiative.
- There should be a demonstrable need, and value to be gained, in the region for the outcomes of the project - that is, the facilities to be created, the training offered, or the research completed and implemented.
- The project should strengthen the applicant organisation, and show evidence of planning for longer-term funding after the period for which the Trustees might provide support.

## **FINANCIAL REVIEW**

### **Result for the year**

The net value of the Foundation's assets is £7,648,401 (2023: £7,980,062) yielding an income of £227,948 (2023: £237,614). Direct charitable expenditure totalled £1,075,644 (2023: £222,752) and administrative expenses were £43,278 (2023: £39,868). There was a realised profit on investments of £nil (2023: £8,186) and unrealised profit on investments of £547,399 (2023: £74,917). There was a resultant deficit of £331,661 (2023: surplus of £164,625).

### **Pension arrangements for the Foundation's employees**

The Trustees appointed the Church of England Pensions Board to provide pensions for its employees with effect from 1st April 2015. The pension provision meets the Pensions Regulator's requirements for automatic enrolment. The Foundation's staging date for auto enrolment was 1st March 2016. The Foundation completed the re-declaration of compliance in January 2022.

### **Policy on reserves**

It is the policy of the Trustees to maintain unrestricted funds, which constitute the Income Fund, at a prudent level to provide for capital projects, to provide for unforeseen major expenditure on the Chapel and to cover any shortfall in current expenditure when necessary. Unrestricted funds were maintained at this level throughout the year.

Of particular significance in 2022-23 is the decision by Trustees to withdraw capital in order to fund a major development project at the St Luke's Chapel. Permission for this has been received from the Charity Commission. There will be a long-term impact on the Foundation's income; this is seen as acceptable because the project addresses significant issues at the Chapel.

The Trustees adopted a policy on reserves and investments in June 2018; this policy was updated in June 2019 and will be reviewed again once the St Luke's Chapel project has been completed.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The St Luke's College Foundation is a Foundation regulated by the Charity Commission under a Scheme sealed on 17th February 1977. The Scheme was amended by the Trustees on 30th November 2015 and again on 20th June 2016. The Charity Commission's permission to withdraw capital in letters dated 24th March 2020 and 16th August 2022 is now part of the trusts of the Foundation. The Trustees held their first meeting on 13th October 1977.

### **How the Foundation is constituted**

Foundation

### **Trustee selection method**

The Scheme provides for there to be 12 trustees, of whom 4 hold the appointment "ex officio", 4 are nominated by other bodies and 4 are appointed by existing trustees.

#### Changes in trustees

The Right Reverend Robert Attwell, the Bishop of Exeter, retired on 30th September 2023 and ceased to be an 'ex-officio' Trustee from that date.

Miss Katie Freeman resigned as Trustee on 12th November 2023.

Mr Lee Moscato was appointed as a co-optative Trustee in June 2024.

### **Risk management**

From time to time the Trustees examine the major strategic, business and operational risks which the foundation faces and seek to ensure that systems are in place to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. Trustees agreed a substantive interim policy on risk in June 2018; they had expected to update the policy in 2021 but this will now happen at a later date.

### **Data privacy and protection**

Trustees considered the Foundation's Data Privacy Policy in June 2019 and agreed an updated version of an earlier interim policy. The Foundation's Data Retention Policy was agreed in June 2018.

**Report of the Trustees (continued)**  
**for the year ended 31 July 2024**

**Statement of Trustees' Responsibilities**

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The Trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**St Luke's College Foundation  
Report of the Independent Examiner  
for the year ended 31 July 2024**

I report to the trustees of the Foundation on my examination of the accounts of the Foundation for the year ended 31 July 2024 which are set out on pages 8 to 15

**Responsibilities and basis of report**

As the Foundation's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Foundation's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Foundation as required by section 130 of the Act; or
2. the accounts do not accord with those records
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**St Luke's College Foundation**  
**Notes to the Financial Statements**  
**for the year ended 31 July 2024**

**1 Summary of significant accounting policies**

(a) General information and basis of preparation

St Luke's College Foundation is a charity registered in England within the United Kingdom.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated through Update Bulletin 1 published on 2 February 2016), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustees' Annual Report.

Investment income is earned through holding assets for investment purposes such as shares. It includes dividends and interest. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

(c) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Expenditure on charitable activities; and
- Grants payable

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

(d) Employee benefits

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

(e) Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SoFA if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

11  
**St Luke's College Foundation**  
**Notes to the Financial Statements (continued)**  
**for the year ended 31 July 2024**

(f) Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

The cost of sundry equipment is written off in the year of purchase.

(g) Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(h) Cash

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

(i) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Capital funds represent the permanent assets of the charity.

(j) Government Grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

**Notes to the Financial Statements (Continued)**  
**for the year ended 31 July 2024**

**9A Continued...**

The St Luke's Foundation Endowment fund represents the permanent fund of the Charity. Only the income is expendable.

During 2021, following a resolution under s.282 charities Act 2011 and with the concurrence of the Charities Commission, the Trustees transferred £750,000 to a project fund in connection with the refurbishment of St Luke's Chapel. A sum of £700,000 was transferred from the investment capital funds to the investment deposit account pending the commencement of the project. In August 2022, following a resolution under s.282 Charities Act 2011 and with the concurrence of the Charity Commission, a further £300,000 was transferred to the project fund in connection with the refurbishment of St Luke's Chapel.

The capital fund from the Lazenby Trust, the assets of which were transferred to the Charity in 2013, is a restricted fund whereby both the income and capital are expendable.'
