Section B**Structure, governance and management**

Description of the charity's trusts

Type of governing document

The Group's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

(e.g. trust deed, constitution)

How the charity is constituted

The Group is a trust established under its rules which are common to all Scouts.

(e.g. trust, association, company)

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

(e.g. appointed by, elected by)

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:

a) the induction and training of trustees; b) trustee' consideration of major risks and the systems and procedures to manage them

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual section leaders (if opted to take on the responsibility) and parent's representation and meets every 2 months.

Members of the Executive Committee complete '*Essential Information for Executive Committee*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property;

The raising of funds and the administration of Group finance;

The insurance of persons, property and equipment;

Group public occasions;

Assisting in the recruitment of leaders and adult support;

Appointing any sub committees that may be required;

Appointing Group Administrators and Advisors other than those who are elected.

Risk and Internal Control

The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. The Group also has insurance covering helpers against personal accident. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 6 to 14. If there was a reduction in membership in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of the section. In the worst case scenario the complete closure of the group.

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes. Co-operation - We make a positive difference; we co-operate with others and make friends. The Scout Method Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.
Summary of the main activities in relation to these objects	There have been limited physical activities undertaken during the past year due to the closure of face to face scouting ordered by the Scout Association because of the Covid 19 pandemic. This ended during the year.
Additional details of the objectives and activities (optional information but encouraged as best practice) You may choose to include further statements, where relevant, about: • policy on grantmaking; • contribution made by volunteers; • policy on investments.

Section E**Financial Review**

Brief statement of the charity's policy on reserves

Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs, circa £7,000.

The Group held reserves of approximately £26,500 against this at year end. This is above what is required for operating expenses. COVID related grants in excess of lost subscriptions have been received during the last 2 years.
