## Chairs Report

### Intro

Welcome! – I'd like to welcome you all to (our) St David's Hill Playgroup AGM, back to the original way our group would hold an AGM. Thank you for giving up your time to join us tonight .

I'd like to introduce myself for those of you that don't know me, I'm Adam, my daughter joined the group in 2020 and then I joined the committee last year (2021). I was a member of the playgroup as a toddler back in the late 70's and was very keen to be able to contribute towards the group. I joined as vice chairman to start with but soon took up the vacant chair position. In this past year we have seen a few changes. I absolutely take pride in being part of this committee, I see it as a way of ensuring our little ones are well looked after at this wonderful playgroup.

Over the past year the committee have had several meetings to discuss various playgroup matters and what a year it has been, from organising fundraising events to securing a new 5 year lease on the building, so that the group can continue.

It has been another tricky year financially for the group, like many, recovering from the impact of Coronavirus. But as a group, staff and committee (we) have worked incredibly hard to keep the strong survival of the group and are in a fantastic place today.

Without question there is on-going pure dedication and commitment from ALL our members of staff to ensure the smooth running of the group, going above and beyond of what is asked of them. With fantastic leadership from Brenda – to which a special thank you goes to.

Also a big thank you goes to you – to all our parents for supporting us a group, it is greatly appreciated.

### Numbers

Staffing is at correct ratios of 2 full time staff members, 1 part time staff member and 3 apprentices. Both Chloe and Jaz are currently working on their Level 3 Childcare qualifications and then Chelsie working on Level 2 childcare qualification.

At Current we have 27 children on the register, 8 children are due to leave for school in July 2022. We currently have 4 prospective children to start in September 2022.

Currently morning sessions are booked at between 15 and 17 children daily.

Lunch clubs are fully booked at maximum of 13 children daily, so no space on these until September.

Afternoon sessions are booked at between 14 and 15 children daily.

### Sponsors

Unfortunately Berry Recruitment are no longer able to sponsor us, a big thank you to them for the support over the years. This means now we are actively seeking another sponsor, we are looking for a company who could donate paper to us along with any other resources useful to the group. If any of you have any suggestions, please let us know!

Brewers decorating centre (Exeter) have donated wallpaper/fabric sample books which are very beneficial to us in many ways.

Again we are always seeking new sponsors – so if any of you should know of any then please let us know!

*Are there any questions?*

*I now will hand you over to Tara, for our treasurers' report.*

## St David's Hill Playgroup

AGM 09/06/2022

### Treasurer Report

I'd like to introduce myself for those of you that don't know me, I'm Tara, I've been part of the group since 2018, when my son joined, I now have my daughter and youngest son attending. I joined the committee as non-positioned member and at the next AGM I was nominated as chair; I took on that role for 12 months and then took up the role as treasurer and here we are today!

#### Overview

Brenda Knill and I (Tara Holmes) continue to have regular budget meetings, these are still so important but more so now than ever before what with rising costs that we are all facing.

Due to a lot of hard work by the Committee and staff plus lots of economising (*what I mean by this is for example simple things of turning the light off when not needing it on etc*) we have managed to plough through this pandemic and come out the other side, which is a fantastic achievement what with being such a small charitable group.

I am now going to present you with the Groups Accounts, as of today (09/06/2022) they are as follows: -

Main Account: - £29,855.25

Redundancy Account: - £20,003.58

Fundraising Account: - £5116.15

Savers Account: - £3,500.13

#### Fundraising

Fundraising is a huge part of what we do as a committee run charitable group, if anyone here tonight would like to join us you would be most welcome.

We continually like to think of ourselves as one big happy family where the committee, staff and parents all come together for the benefit of all our children within the group.

A big thank you to all those parents that have donated over the past year whether it has been raffle prizes or taking and washing the towels for us. No matter how big or small it is really appreciated.

As a group over the last financial year we have held several different events and the money that has been raised over that period of time totals a fantastic £2354.13

#### August 2020 – July 2021

##### September – December 2020

Staff walk £730

Xmas raffle £248.00

Xmas cards £38.00

Virtual Page £485.00 (Aug – Dec)

##### Jan – March 2021

Easter raffle £258.00

Easy Fundraising £26.14  
Hair Donation £126.00

April – July 2021

Waitrose £333.00  
Bags to school £33.00  
Easy fundraising £33.99  
Concept Photographs £43.00

Brenda and I also applied for grants, we applied and was granted the following:

1. Council Ward grant - £500. This has been used to buy 3 sit & ride cars, 2 dolls buggies (for outside play) Small world play : cars/diggers and wild animals.
2. Council Locality budget grant - £1698.00. This has been spent on a new desktop computer, printer, and relevant software. Part of this grant was used to replace the gate at the entrance. It was also used to replace 3 outside storage boxes along with outside educational boards.

Should any of you know of anything we could apply for be it a grant or fundraising idea please do let us know!

*And that leads me to a big thank you...*

**I would just like to personally thank Brenda, Carole, Hollie, Chloe, Jas and Chelsie (all staff) all committee members and all parents who have continued to help us through. If it wasn't for the hard work and dedication of you all we would not be in the position we are today – so THANK YOU!**

*Does anyone have any questions?*

*I now go onto the nominations for the committee, each role will have a nominated person and then I will need someone to propose this person and then another person to second this. Then when we come to non-position members it will be done as a group, but again will need someone to propose and then second.*

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- To state whether particular matters have come to my attention.

Basis of independent  
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent  
examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below \*)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**Give here brief details of any items that the examiner wishes to disclose.**

During the year 2019-2020 it was discovered that unexplained money had been removed from the charity. The Pre-school investigated, and the then treasurer admitted liability. An agreement has been drawn up with the treasurer for the money to be paid back. This started in 2019-2020.

The balance sheet identifies the unexplained expenses.

The accounts have been difficult to check as many of the receipts are missing and no co-operation from the then treasurer was not forthcoming.

On top of this there is a reported redundancy account recorded on the balance sheet of which I have not had sight.

The pre-school has drawn up now policies and procedure so that this cannot happen again. The response I have from the pre-school states

## Chairs Report

### Intro

Welcome! – I'd like to welcome you all to (our) St David's Hill Playgroup AGM, not the usual way our group would hold an AGM a first for many of us, but thank you for giving up your time to join us tonight .

I'd like to introduce myself for those of you that don't know me, I'm Tara, I've been part of the group since 2018, when my son joined. I joined the committee as non-positioned and at the next AGM I was nominated as chair, I took on that role and here we are today!

Over the past year the committee have had several virtual meetings to discuss various playgroup matters and what a year it has been!

Some of you may not be aware of just what a tough year it has been financially for the group, like many, with the impact of Coronavirus. But as a group, staff and committee (we) have worked incredibly hard to keep the survival of the group and are in a fantastic place today.

Although the pressure has eased compared to what it was, it is still ongoing what with the continued Coronavirus pandemic.

Without question there is on-going dedication and commitment from ALL members of staff to ensure the smooth running of the group, going above and beyond of what is asked of them. Also great leadership from Brenda – to which a special thank you goes to.

Also a big thank you goes to you – to all our parents for adhering to the changes that have had to of been implemented during this pandemic.

### Numbers

Staffing is at correct ratios of 3 full time staff and 2 apprentices. Both apprentices are currently working on their Level 2 Childcare qualifications.

Currently morning and afternoon sessions are booked at between 12 and 14 daily. Lunch clubs are booked between 11 and 12 daily. Lunch clubs are limited to 13 daily.

At Current we have 21 children on the register, with 2 prospective children just awaiting a start date (23) and another 1 child joining us after Easter (24). 7 children are due to leave for school in July 2021.

### Sponsors

As a group we continue to be sponsored by Berry Recruitment, who donate paper to us along with other resources useful to the group. From time to time they do print off documents in bulk for us. We do usually have a "A frame" which advertises their agency outside our gate, but with social distancing we have decided to keep it off the pavement for the time being.

Dulux decorating centre (Exeter) and Brewers decorating centre (Exeter) have just recently donated rolls of wallpaper and wallpaper/fabric sample books which are very beneficial to us.

We are always seeking new sponsors – so if any of you should know of any then please let us know!

*Are there any questions?*

#### Overview

Brenda Knill and I (Tara Holmes) continue to have monthly budget meetings, these are important but more so now than ever before.

Due to a lot of hard work by the Committee and staff plus lots of economising (*what I mean by this is for example simple things of turning the light off when not needing it on etc*) we have managed to plough through in this pandemic, which is a fantastic achievement what with being such a small charitable group.

I am now going to present you with the Groups Accounts, as of today (26/02/2021) they are as follows: -

Fundraising Account: - £2522.61

#### Fundraising

Fundraising is a big part of what we do as a committee run charitable group, if anyone here tonight would like to join us you would be most welcome.

We like to think of ourselves as one big happy family where the committee, staff and parents all come together for the benefit of all our children within the group.

Fundraising has been a challenge this year and we have had to really think outside the box in what we could do to raise funds for the group, yet keep strictly to government guidelines, but we did it!

Thank you to all those parents that have donated over the past year whether it has been raffle prizes or taking and washing the towels for us. No matter how big or small it is really appreciated.

As a group we have held several different events from haircut donations to a staff sponsored walk, to also setting up a social media virtual raffle page. Over the year we have had 14 events and the money that has been raised totals a fantastic £2601.82

Over the past few months Brenda and I have also been busy applying for grants at present we have applied and been granted the following:

1. Council Ward grant - £500. This has been used to buy 3 sit & ride cars, 2 dolls buggies (for outside play) Small world play : cars/diggers and wild animals.
2. Council Locality budget grant - £1698.00. This will be spent on a new desktop computer, printer, and relevant software. Part of this grant has been used to replace the gate at the entrance. It is also going to be used to replace 3 outside storage boxes along with outside educational boards.

There will be further grants applied for these are available upon request.

Should any of you know of anything we could apply for be it a grant or fundraising idea please let us know!

Just to mention the group has a very special birthday this year 55 years – so we will be looking to celebrate with a special event.

**I would just like to personally thank Brenda, Carole, Hollie and Chloe (all staff) all committee members and all parents who have continued to help us through this challenging time. If it wasn't for the hard work and dedication of you all we would not be in the position we are today – so THANK YOU!**

*Does anyone have any questions?*

*I now go onto the nominations for the committee, each role will have a nominated person and then I will need someone to propose this person and then another person to second this. Then when we come to non-position members it will be done as a group, but again will need someone to propose and then second.*

**Give here brief details of any items that the examiner wishes to disclose.**

During the year 2019-2020 it was discovered that unexplained money had been removed from the charity. The Pre-school investigated, and the then treasurer admitted liability. An agreement has been drawn up with the treasurer for the money to be paid back. During this year some of the money has been paid back.

The balance sheet identifies the unexplained expenses, the repaid funds and a running total of outstanding funds.

The accounts have been difficult to check as many of the receipts are missing and no co-operation from the then treasurer was not forthcoming.

In to 2018-2019 a redundancy account was reported to contain £10,000, this account was never found and so it has been agreed that this money forms part of the repayment agreement.

The pre-school has drawn up now policies and procedure so that this cannot happen again. The response I have from the pre-school states

*"I can confirm that all accounts need 2 signatories.*

There is now a new committee and treasurer and since they took over I have found no issues with the accounts.
