## **RANELAGH FOUNDATION TRUST ANNUAL REPORT 2021/22**

The trust has had a successful year with returns from investments funding a number of initiatives as well as the usual academic prizes. The sale of a small plot of land gives the Trust the opportunity to contribute to some major investment at the school. Further details are given below.

### Income and Expenses

This year the fund has achieved income of £8,615.00 in the form of dividends, interest and rent compared with £8,097.51 the year before. In addition, £4,200 spent on professional fees in the previous year was reimbursed by AXE estates and £450,000 was received relating to the sale of land at Larges Lane. This land sale has enabled the development by a 3<sup>rd</sup> party of the sports grounds at Larges Lane, which is owned by the trust, into a state of the art all weather facility which delivers improved teaching and sports facilities which can be used by the school. It also expands the range of courses the school can offer

Several payments were made during the year as follows:

- £650 for prizes from the Holmes, Walsh and Jarvis funds.
- £1,1,42.40 for lease payments for year 3 of 4 for watercoolers.
- £959.78 for staff wellbeing at Christmas and end of term.

The trust has also paid £6,629.40 in Professional Fees mainly relating to the registration of title for land owned by the Trust.

### Investments

The investments are held in a variety of investment funds. No investments were bought or sold during the year. The Investments had a purchase value of £118,315.83. At the 31<sup>st</sup> August 2022 these investments were valued at £257,872 compared with £277,800 in the previous year – a fall of 7.2%. This is after many years of rising values and is still higher than the 2020 valuation.

The fund also had £472,751 in the bank the bulk of which was the £450,000 received for the sale of land during the year. Options to invest this are currently being looked at.

## Funds

The General fund balance stands at £454,942.87, which if the £450,000 is deducted, leaves £4,942.87. No doubt some of the £450,000 could be used to support on going donations in the future as well as on larger schemes. The other funds remain sufficient for the prizes they need to support

## Looking Forward

The sale of the land has generated a substantial sum for the trust and presents a real opportunity to improve facilities at the school. The school was asked to come up with proposals that the trust could support. An initial project that will be done over the summer includes the provision of new lab space and this will be funded by a combination of the trust, parents and the school. Further schemes will be presented in due course

## Review of Accounts

As well as the presentation of the accounts to the Foundation Trustees the records were passed to the independent examiner, Mr Colin Yates, a qualified accountant, who agreed to be the independent examiner once again. He has certified that the accounts are in accordance with the underlying records and can be submitted to the Charity Commission
