CHARLBURY EXHIBITION FOUNDATION

ANNUAL REPORT FOR THE YEAR TO 30 SEPTEMBER 2023

1. The charity and its trustees

Charlbury Exhibition Foundation (CEF, Registered Charity No 1202551) is an educational charity which traces its origins back to the 1660s when local residents left bequests for the benefit of Charlbury.

Its current trustees are:

Janet Burroughs, Chair

Deirdre Lunney, Vice Chair

Susanna Finch

Jenny Nicholls

Nick Potter

Tim Widdows

William Robinson, Secretary and treasurer.

The seven trustees are all resident in Charlbury. Three are nominated by Charlbury Town Council, one is nominated by Brasenose College, Oxford University, and three are co-opted.

Its address for correspondence is:

38 The Slade

Charlbury OX73SJ.

2. Structure and management

The CEF is now regulated by a scheme approved by the Charity Commission on 4 May 1988.

All decisions are taken by the trustees, who have formal meetings two to three times a year, or more often if necessary. Most of their decisions are taken at their meetings, with some being taken following contacts by email, telephone and in person.

3. Activities and objectives

The CEF's charitable purpose is to promote education, in particular by making grants to Charlbury residents under 25 who are on an apprenticeship or in further or higher education. The number of applicants for grants has grown steadily over the years reaching over 50 for the 2020/2021 academic year.

The CEF funds those grants from its income from its property and its investments in the Charity Commission funds. In particular, the CEF has for many years leased the Old Grammar School to Charlbury Pre-School, another local educational charity which is a good fit with the CEF's objects.

Registered Charity No 1202551

4. Achievements and performance

Since 2022 the CEF has been undertaking an extensive programme of energy efficiency improvements to the Old Grammar School, a listed building dating back to 1837. Taking account of the results of a specialist survey in early 2023, the CEF has installed high-grade roof insulation, fitted secondary glazing on all the main windows and replaced the room heaters. Works in the pipeline include replacing fluorescent lighting by LEDs, renewing the old water heating system, and installing more secondary glazing and draft-proofing. The CEF is grateful for the generous support it has received for that work from the Sustainable Charlbury charity and the Charlbury Beer Festival.

The work is essential so that the Old Grammar School can be passed on in a good state to future generations and so that the children attending the Pre-School enjoy the best possible learning environment.

While those works have been going on the CEF has not paid any grants to local young people but it is going to review its policy shortly.

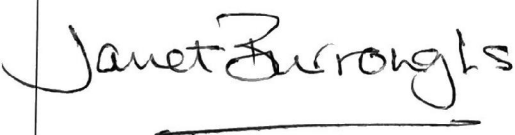

5. Finances

The CEFs assets comprise the Old Grammar School, Poor Boys' Close, a small grazing field bequeathed in 1666, a small endowment and some other investments in Charity Commission funds and its current account with Barclays Bank. Those investments include a sinking fund for building work and a contingency fund.

Declarations

The trustees declare that they have approved the trustees' report above.
