GOVERNORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2023

The members of The Beacon Educational Trust Limited Governing Body present their annual report for the year ended 31 August 2023 under the Charities Act 2011 and the Companies Act 2006, thus including the Directors' Report and Strategic Report under the 2006 Act, together with the audited financial statements for the year. The members are Directors, Trustees and Governors and these terms are all used within this report.

DIRECTORS' REPORT
Constitution and Objects

The Beacon Educational Trust Limited is a charitable company limited by guarantee. Its Charity registration number is 309911 and the company registration number is 01067862. The registered office and principal address of the company is Amersham Road, Chesham Bois, Amersham, Buckinghamshire, HP6 5PF.

The company is governed by its Memorandum and Articles of Association, which state that its object is to advance the education of the public. In furtherance thereof, the company operates The Beacon School, a preparatory school.

Aims, Objectives and Activities

Aims

The Beacon aims to inspire boys to achieve their best within a happy, safe and stimulating environment, providing education of the highest quality delivered by caring and dedicated teachers. To achieve this, the School continues with the support of parents to:

- Promote high standards of academic achievement through consistent expectation and encouragement.
- Nurture talent and provide opportunity for all in the areas of art, drama, music, sport and technology.
- Enable pupils to develop the social and emotional skills needed to believe in themselves, to show consideration for others and to value diversity.
- Foster lifelong thinking, learning and communication skills to enable pupils to work independently and as part of a team.

Primary Objectives

Key elements of the School's strategy are to:

1. Maintain a broad curriculum that is directed towards independent and lifelong learning.
2. Uphold the traditional values associated with preparatory education, through its pastoral system, whilst ensuring that pupils are taught the skills and knowledge they will need to meet the challenges of the changing world.
3. Embed information technology into the curriculum as the principal means of enhancing teaching and learning.
4. Provide new and improved existing buildings and other facilities to support the educational, cultural and pastoral aims of the School.

Governance and Management

Governing Body

The directors serve as trustees of the Charity and under the terms of the above Articles are also members of the company. Each director is elected by the Board of directors on the basis of nominations received from serving directors, the headmaster and others. Directors are selected on the basis of their skills and suitability. The chairman of the Board is responsible for the induction of new directors, which includes making them aware of their responsibilities, the governing documents, administrative procedures, the history and philosophical approach of the company and previous annual reports and accounts. Every director is vetted for safeguarding purposes prior to appointment.

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

The first term of office for a director shall be: (a) for an ex officio director - while he or she holds office; and (b) for other Directors - three years; provided that the Directors may determine that the Director shall in fact retire at the end of a meeting of the Board of Directors held within twelve months of the end of the Director's term of office. A Director who has served two consecutive terms of three years may be reappointed for a further term not exceeding two years if the Board considers that the Director's reappointment would be in the best interests of the Charity. At the end of that term, the Director may be reappointed by the Board for a further term not exceeding 2 years, subject to the same considerations, and may be appointed for further terms (each term not exceeding 2 years) thereafter on the same basis. A retired Director may be reappointed to hold office, provided that a year has elapsed since he or she last held office as a Director and provided that the Board considers that it would be in the best interests of the Charity for him or her to be eligible for reappointment.

The directors usually meet as a Board three or more times per year to determine policy and to monitor the operations of the company. Their role is assisted by the work of the Board Committees which usually meet a few weeks before each regular meeting of the Board. The day-to-day running of the School is delegated to the headmaster who, with the Director of Finance and Operations ("DFO"), is assisted by other members of the School leadership team.

Employment Policy

The School supports the attainment of the highest standards of education through rigorous and continuous evaluation of quality and performance, the application of best practice and a widespread desire to improve standards. The School co-operates with local organisations to widen public access to its facilities.

The School is an equal opportunities employer. Full and fair consideration is given to job applications from persons with protected characteristics and due consideration is given to their training and employment needs. Consultation with employees continues on an ongoing basis with the aim of taking employees into account when decisions are made that are likely to affect their interests.

Remuneration Policy for Key Management

Remuneration of the headmaster and the DFO is set by the Remuneration Committee after appropriate consultation and benchmarking in order to ensure recruitment and retention of quality staff.

PROVISION OF INFORMATION TO AUDITORS

Each of the persons who are directors at the time when this Report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the School's auditors are unaware; and
- that director has taken all steps that ought to have been taken as a director in order to be aware of any relevant audit information needed by the School's auditors in connection with preparing their report and to establish that the School's auditors are aware of that information.

AUDITORS

A resolution proposing the re-appointment of Crowe U.K. LLP as auditors to the company will be put to the Annual General Meeting.

STRATEGIC REPORT

Mission Statement

The School's mission is to inspire boys to achieve their best within a happy, secure and stimulating environment, providing education of the highest quality, delivered by an enthusiastic and committed team of teachers and staff.

Strategies to Achieve the Primary Objectives

To achieve this aim the School will, with the support of parents:

- Promote high standards of academic achievement through consistent expectation and encouragement.
- Nurture talent, and provide opportunities for all, in the areas of art, drama, music, sport and technology.
- Enable pupils to develop the social and emotional skills needed to believe in themselves, show consideration for others and value diversity.
- Foster lifelong thinking, learning and communication skills to enable pupils to work independently and as part of a team.

Achievements and Performance

The strong roll and interest in the school confirms the degree of satisfaction and reputation of The Beacon in the local and regional market.

Senior School exit continues to reflect the academic achievements of the boys with the school maintaining its position as the largest feeder to the local state grammar, Dr Challoner's (22) and the local independent day option, Berkhamsted (21). Six boys were successful to other grammar schools, nine to Shiplake, four to Merchant Taylors', three to Reading Blue Coats and 12 to other independent and state schools. 14 boys were successful in gaining places to independent boarding schools. A total of 18 scholarships were awarded to boys across a range of areas: Academic, Sport, Drama, Music and Design technology.

Across the school, boys in all year groups have been successful in external competitions winning Maths Tournaments at local senior schools Merchant Taylors' and Shiplake, and won prizes at the Rotary Art, Photography and Technology competitions. The U11 Chess Team came first and second in their regional heat and seventh overall in the National finals. Over 40 boys participated in the national Townsend Warner History prize with four boys placed in the top 50.

Over 300 boys receive peripatetic music and LAMDA lessons and have been awarded numerous ABRSM and LAMDA certification, including many 'Distinctions'. Hundreds of boys have sung and performed as part of the annual choral and dramatic performance programme and continues to be a significant strength of the school. The U11 Hockey Team competed in the National IAPS Finals, the U13/11 Ski Team were awarded silver medals in the ISPA Ski Championships, the Swim Squad won the Bucks League and had the National U11 backstroke champion. The school was 6th overall in the National Schools Cross Country Championships and continue to be a force in all sports at a local, regional and national level.

Capital projects

The School has invested substantial capital expenditure on maintaining and updating its site and facilities over the year. A refurbished and equipped ICT (part funded by the Parents' Society) and Music Technology Suites, replacement of the Astro Turf, improving pathways and general access around the site, and installation of air conditioning units stand out as visible projects amongst many other essential updates and maintenance. Projecting forward, the School has a defined programme of site improvement with a particular focus on a new roof for the Sports Hall and refurbishment (again in conjunction with the Parents' Society) of the Cooking and Nutrition facility. The school is currently considering its options with regard to its property/site at 21 Amersham Road.

Public Benefit

Bursaries and Scholarships

The Governors continue to be committed to broadening access to the School by offering means-tested bursaries of up to 100% to enable more boys whose parents would not otherwise be able to afford the fees to benefit from the School's education and facilities.

In 2022/23, nine boys in the School benefited from 100% fee bursaries, one from 80% and one from 50% bursary, to a total value of £181,116 (2022: £105,486). These bursaries also covered all reasonable educational extras, such as uniform, equipment, School trips and other extra-curricular activities.

Beacon Bursary Fund

The Beacon Bursary Fund is a Charity set up and run independently of the School, by six trustees. Its purpose is to assist with funding for the education of pupils of The Beacon School, whose parents encounter financial difficulties, and who might otherwise have to withdraw their son(s) from the School at a time detrimental to their educational progress. The fund derives its income from parental donations, gift aid and investment income. In 2022/23 financial assistance to the value of £nil (2022: £16,397) was given by the fund, recently the two previous years having been heavily impacted by the pandemic.

Community Links

The School co-operates with local charities and community based organisations in order to widen public access and to share its cultural and sporting facilities. Efforts continue to develop and expand in this respect.

In particular, the School's facilities are offered for modest rents to locally based clubs, and the School hosts sporting and academic competitions in which local Schools participate.

Free use of the school's swimming pool has continued to be provided for Horizon Sports Club, a local disabled children's sports charity.

There is a continued focus on giving support via free use of the school's facilities to The Theatre Shed whose vision is to build a sustainable theatre that brings together many more children and adults from a range of backgrounds to create wonderfully innovative, inspiring, inclusive theatre.

In August the School funded for the second year a fortnight's summer camp free of charge for 30 children of Ukrainian refugee families being hosted locally, including transportation.

The School is always keen to maintain a good working relationship with the neighbouring and the local community. In addition, the school has hosted tea parties for local veterans.

Charitable Fund Raising

The School's on-going commitment to charitable fundraising has continued as demonstrated by events to support a number of national charities including NSPCC, Chiltern Toy Bank, Chiltern Foodbank, DEC Turkey/Syria Earthquake, Macmillan Cancer Support, Buckinghamshire Mind, Young Minds, Roald Dahl Marvellous Children's Charity, Rotary Shoe Box Collection, Poppy Appeal, Comic Relief, Ruth Strauss Foundation, UNHCR, and the Lhezle Foundation. We also raise money towards the Beacon Bursary Fund.

Volunteers

The School benefits from the fund-raising activities of parents through The Beacon Parents' Society, whose hard work and support is greatly appreciated by the Governors.

Financial Review

Results for the Year

Total income amounted to £9,205,580 (2022: £9,006,844). Net incoming resources for the year were £248,084 compared with £742,694 in 2021/22.

During the year a total of £418,787 (2022: £374,237) was spent on capital projects to enhance the appearance, security and functionality of the School.

Reserves Level and Policy

The Governors' policy is to build the company's free reserves over the coming five years to £2m, to cover the immediate needs for essential operating expenditure for one term. The Governors plans to achieve this will however inevitably be affected by periodic opportunities to equip the School with the up-to-date facilities needed to maintain the standard of educational services provided for the benefit of future pupils.

The School's unrestricted funds stood at £17,080,293 (2022: £16,878,300) at the end of the period. After adjusting for unrestricted functional fixed assets for the Charity's own use and the loans connected there to, free reserves stood at £2,063,455 (2022: £1,770,785).

FUTURE PLANS

The company's future plans include:

- Continuing to provide education of the highest quality.
- Implementation of "The Beacon Vision".
- Maintaining sound financial management.

Risk Management

The Board keeps the School's activities under review and monitors the risks that arise from time to time, together with the systems and procedures established to manage them. The Board monitors the effectiveness of the system of internal controls and other means, including insurance cover, by which those identified risks can be mitigated. The key controls used include:

- Formal agendas for all Board and committee meetings.
- Detailed terms of reference for all committees.
- Comprehensive strategic planning, budgeting and management accounting.
- Established organisational structure and lines of reporting.
- Formal written policies.
- Clear authorisation and approval levels.
- Vetting procedures for the protection of the children.

THE BEACON EDUCATIONAL TRUST LIMITED
(A company limited by guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

The major risks are maintenance of academic standards (mitigated via recruitment procedures as well as appraisal process), child protection (mitigated via strict adherence to safeguarding rules) and quality of the School facilities (mitigated by the latest School vision).

Through these procedures, the Board is satisfied that major risks should be identified and mitigated against so far as practicable whilst recognising that systems provide only reasonable but not absolute assurance that all risks are identified.

The School purchases indemnity insurance for the Governors.

Risks and Threats to the Independent Schools' Sector

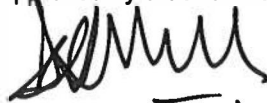

Through the School's links to and membership of the Independent Association of Prep Schools (IAPS) and the Independent Schools' Bursars Association (ISBA) the School keeps itself abreast of issues facing the sector as a whole.

The School monitors all threats, such as the risk of pandemics, the general economic and political climate and BREXIT and will take appropriate action to adjust budgets and plans should it become necessary.

The Governors are confident in the School's ability to manage these risks.

This Annual Report, prepared under the Charities Act 2011 and the Companies Act 2006, was approved by the Governors of the Beacon Educational Trust Limited in March 2023 including in their capacity as company directors approving the Strategic Report contained therein.

STATEMENT OF GOVERNORS' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2023

The Governors (who are also the directors of the company for the purposes of company law) are responsible for preparing the Governors' report including the Strategic report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Governors to prepare financial statements for each financial year. Under company law, the Governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BEACON EDUCATIONAL TRUST LIMITED

Opinion

We have audited the financial statements of The Beacon Educational Trust Limited (the 'charitable company') for the year ended 31 August 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Governors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BEACON EDUCATIONAL TRUST LIMITED (CONTINUED)

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Governors are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Governors' report and the Strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Governors' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Governors' responsibilities statement, the Governors (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

THE BEACON EDUCATIONAL TRUST LIMITED
(A company limited by guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BEACON EDUCATIONAL TRUST LIMITED (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006, Charities Act together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable company for fraud. The laws and regulations we considered in this context for the UK operations were The Education (Independent School Standards) Regulations 2014, Health and Safety and General Data Protection Regulations. Auditing standards limit the required audit procedures to identify noncompliance with these laws and regulations to enquiry of the Governors and other management and inspection of regulatory and legal correspondence, if any.

The greatest risk of material impact on the financial statements is from irregularities, including fraud, to be within the timing of recognition of non-fee income, and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management, and the Finance and General Purposes Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, sample testing on non-fee income, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission, Independent Schools Inspectorate, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed noncompliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect noncompliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. General information

The Beacon Educational Trust's principal activity continued to be the provision of a Day School for 3-13 year old boys. The incorporated Charity (Charity registration number 309911, Company registration number 01067862), is incorporated and domiciled in the UK and is a company limited by guarantee. The address of the registered office is Amersham Road, Chesham Bois, Amersham, Buckinghamshire, HP6 5PF.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Beacon Educational Trust Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The scale of effects on families and the School, economic and otherwise, in respect of the Covid global pandemic, may have subsided, however the international political landscape has since become more unstable and contributing to the cost of living crisis in the UK. However the School has prepared conservative financial projections for the near to medium term which indicate that even if Government restrictions forced the School site to close again, the School is financially well placed to withstand such headwinds.

Having reviewed the funding facilities available to the School together with the expected on-going demand for places and the School's future projected cash flows, the Governors have a reasonable expectation that the School has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

2.3 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Amounts billed for termly fees and extra curricula activities are recognised as incoming resources when receivable. Amounts received prior to the balance sheet date for autumn term fees are recorded as fees received in advance, as are amounts received for future fee periods under the fee prepayment scheme. Fees receivable are stated after deducting allowances, bursaries and other remissions granted by the School.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Taxation

The company is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

2. Accounting policies (continued)

2.7 Tangible fixed assets and depreciation (continued)

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Freehold buildings	-	2% straight line
Minor works	-	10% straight line
Motor vehicles	-	25% straight line
Fixtures, fittings and equipment	-	10% straight line
Computer equipment	-	33% straight line
Other fixed assets	-	

2.8 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.10 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.12 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

2. Accounting policies (continued)

2.13 Operating leases

As Lessee

Rentals paid under operating leases are charged to the Statement of financial activities on a straight-line basis over the lease term.

As Lessor

In respect of operating leases for which the School is the lessor, the rents received are recognised in the financial statements in the period they relate to.

2.14 Pensions

The School contributes to the Teachers' Pension Scheme at rates set by the Scheme Actuary and advised to the School by the Scheme Administrator. The scheme is a multi-employer pension scheme and is not possible to identify the assets and liabilities of the scheme, which are attributable to the School. In accordance with FRS 102 therefore, the scheme is accounted for as a defined contribution scheme.

The School also contributes to a defined contribution scheme for non-teaching staff.

The contributions are charged in the Statement of Financial Activities in the year in which they are payable.

The pension costs charged in the year for the Teachers' Pension Scheme are based on the contributions made to the centralised Government pension scheme run by the Department of Education as stated in note 23 to these financial statements. Since the end of the financial year the School has consulted with teaching staff on future pension provision, and from 1 May 2024 teaching staff will have a choice of remaining in the Teachers' Pension Scheme or joining a defined contribution scheme.

2.15 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Governors in furtherance of the general objectives of the company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

2.16 Pupil Fee Deposits

The Governors have reviewed the contract terms under which Pupil fee deposits are held by the School. Although under normal circumstances these will be repaid over future years when the pupils complete their education at the School, pupils can leave at earlier dates. The School does not therefore have an unconditional right to retain the individual deposits for at least 12 months after the balance sheet date and, in line with the requirements in FRS 102, the balance of the deposits held at 31 August 2021 have been included within current liabilities. The prior year Pupil fee deposits balance has been similarly re-presented.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

3. Critical accounting estimates and areas of judgment

In the application of the Charity's accounting policies, which are described in note 2, Governors are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects the current and future periods.

The Governors consider there are no material sources of estimation uncertainty on the amounts recognised in the financial statements.

22. Capital commitments

At the year end, the School had no contracted capital commitments (2022: £Nil).

23. Pension commitments

The School participates in the Teachers' Pension Scheme ("the TPS") for its teaching staff. The pension charge for the year includes contributions payable to the TPS of £651,154 (2022: £630,899) and at the year-end £71,223 (2022: £64,630) was accrued in respect of contributions to this scheme.

The TPS is an unfunded multi-employer defined benefits pension scheme governed by The Teachers' Pensions Regulations 2010 (as amended) and The Teachers' Pension Scheme Regulations 2014 (as amended). Members contribute on a "pay as you go" basis with contributions from members and the employer being credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The employer contribution rate is set by the Secretary of State following scheme valuations undertaken by the Government Actuary's Department. The most recent actuarial valuation of the TPS was prepared as at 31 March 2020 and the Valuation Report was published in October 2023.

Following the McCloud judgement, the remedy proposed that when benefits become payable, eligible members can select to receive them from either the reformed or legacy schemes for the period 1 April 2015 to 31 March 2022. The actuaries have assumed that members are likely to choose the option that provides them with the greater benefits, and in preparing the 2020 valuation have valued the 'greater value' benefits for groups of relevant members.

The valuation confirmed that the employer contribution rate for the TPS would increase from 23.6% to 28.6% from 1 April 2024. Employers are also required to pay a scheme administration levy of 0.08% giving a total employer contribution rate of 28.68%.

Since the end of the financial year the School has consulted with teaching staff on future pension provision, and from 1 May 2024 teaching staff will have a choice of remaining in the Teachers' Pension Scheme or joining a defined contribution scheme.

Other Pensions

In addition to the above, the Company contributes on a new consolidated defined contribution basis to personal pension plans which was launched in Spring 2021. Contributions totalling £48,691 (2022: £47,028) were payable to these funds for the year.

There were unpaid contributions of £11,809 (2022: £12,774) at the year end.
