# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025**

---

The Trustees present their report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Foundation's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" published in October 2019).

## **Objectives and activities**

The Foundation's objects are:

To promote the education (including social and physical training) of persons under the age of 25 who have attended King Edward VI College (formerly King Edward VI School) for at least two years and who are in need of financial assistance by awarding to such persons scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education;

To provide financial assistance, outfits, clothing, tools, instruments or books to assist such persons to pursue their education (including the study of music and other arts);

To provide special benefits of any kind for which provision is not made from public funds for King Edward VI College.

The Trustees' objectives for the year are shaped by these strategic aims, with a view to obtaining income for the benefit of King Edward VI College and its students (including former students) by maintaining and improving the value of the Foundation's investments.

Grant making policy:

A Student Awards Committee is appointed annually to consider grant applications within a budget decided by the Trustees at the Annual General Meeting. Grant applications in excess of the budget administered by the Student Awards Committee are considered by the full Board of Trustees. Individual grants under £400 in total for the academic year, and dependent on the income of the parents, are administered by the College Principal on behalf of the Trustees.

The Foundation does not actively fundraise and seeks to continue to further its objectives through the careful stewardship of its existing resources.

In setting their objectives and planning the Foundation's activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

## **Achievements and performance**

During the year the Trustees tried to improve knowledge of the Foundation to those entitled to claim, and it is considered that this has taken place.

During the year, grants for 84 students (2024: 81 students) were made, including those administered by King Edward VI Community College.

How the Foundation's activities deliver public benefit:

The Foundation's main activities and who it tries to help are described below. In planning its activities for the year, the Trustees kept in mind the Charity Commission's guidance on public benefit to aid them in determining their objectives. The focus of the Foundation's activities therefore continued to be the awarding of scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education.

Who used and benefited from the Foundation's services?

The Foundation's objects and funding limit the activities to persons under the age of 25 living in or around Totnes who have for a period of two years attended King Edward VI College, a state school. Lower Sixth students who join the school at this stage of their education are also able to benefit if they are attending a course which will last two years. The Foundation has helped thousands of people since its inception.

## **Financial review**

The Foundation's income has increased from £131,853 for 2024 to £139,767 mainly as a result of an increase in income from listed investments of £8,882 offsetting a reduction in rents received of £1,705.

Grants totalling £113,520 (2024: £87,665) were awarded in the year from the Total income above.

During the year, as a result of buying and selling investments as recommended by the Investment Advisers, net realised gains arose of £4,939 (2024: net realised losses of £1,982), and the change in market value of the managed portfolio was an unrealised deficit of £21,043 (2024: unrealised surplus of £111,981).

The Foundation had Net expenses of £38,640 (2024: incurred Net income of £122,846) resulting in a decrease in the Foundation's funds from £3,202,462 at 31 March 2024 to £3,163,822 at 31 March 2025.

Since the year end shares listed on the stock market have maintained or even increased their valuations overall, and the Trustees consider the Foundation's overall financial position to be satisfactory.

## **Reserves policy**

It is the policy of the Foundation that unrestricted, free reserves which have not been designated for a specific use should be maintained at a high level in order to generate sufficient investment income to be able to pay future grants and awards out of income, and to provide sufficient funds to cover the costs of generating funds and support costs.

At 31 March 2025 the Foundation had free reserves of £120,908 (2024: £126,245). These additional reserves will be used to fund grants and awards out of income in future periods.

## **Investment policy**

There are no restrictions on the Foundation's powers to invest, and the Trustees have not adopted an ethical investment policy. An Investment Committee is appointed annually to manage the authorised investments, with professional advice being given by Brewin Dolphin Limited who manage the portfolio on a discretionary basis. The overall investment policy is to invest in a low to medium risk portfolio which will maximise income whilst protecting capital. Meetings are held as and when required to review the performance of the portfolio.

After deducting the investment management charges of £17,274 (2024: £16,391) the total return from the whole managed portfolio (including cash balances held by the broker) was a rise of 3% (2024: rise of 7.3%) compared with a rise in the FTSE All share index over the same period of 6.6% (2024: rise of 4.3%). The market value of the whole portfolio (including cash holdings) decreased by £25,0801 in the year (2024: increase of £116,639).

## **Risk management:**

The Trustees have assessed the major strategic, business and operational risks to which the Foundation is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

## **Plans for future periods**

The Foundation is a lasting testimony to the generosity and charitable concerns of past donors, including Totnes Town Council and others. The Foundation plans to continue the activities outlined above in the forthcoming years, subject to satisfactory returns from its investments.

## **Structure, governance and management**

The Foundation is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust Deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

Recruitment and appointment of trustees:

The Foundation has 12 Trustees, including representatives from Devon County Council and Totnes Town Council, and up to 4 being co-opted as necessary. The Chairman and Vice-Chairman are elected annually at the Annual General Meeting. The Trustees met xx times during the year to administer the charity.

The Board of Trustees regularly discusses the recruitment of new Trustees for their experience, empathy and knowledge of the Trustees, and to keep the skills and composition of the Trustees body as a whole and succession planning under review. New Trustees may be sought by open advertisement or through dialogues with other institutions with similar objects.

All the Trustees give their time voluntarily and receive no benefits from the Foundation. Any expenses reclaimed by the Trustees from the Foundation are set out in note 7 to the financial statements.

The Trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF KEVICC AWARDS FOUNDATION TRUST**

---

I report on the financial statements of the Foundation for the year ended 31 March 2025, which are set out on pages 5 to 15.

**Respective responsibilities of Trustees and examiner**

The Foundation's Trustees are responsible for the preparation of the financial statements. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
  - (ii) to prepare financial statements which accord with the accounting records, and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

# KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

---

## 1 Accounting policies

### Charity information

KEVICC Awards Foundation Trust is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

### 1.1 Accounting convention

The Foundation constitutes a public benefit entity as defined by FRS 102. These financial statements have been prepared in accordance with the Statement of Recommended Practice: "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice, which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £1.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investment properties and to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

### 1.4 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

### 1.5 Resources expended

Liabilities are recognised as expenditure as soon as:

- there is a legal or constructive obligation committing the charity to that expenditure,
- it is probable that settlement will be required, and
- the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

All expenses, including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

(FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION)  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**1 Accounting policies** **(Continued)**

**1.6 Investment properties**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

**1.7 Fixed asset investments**

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Realised gains and losses are recognised in net income/(expenditure).

**1.8 Financial instruments**

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

**Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the Foundation transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

**Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024**

---

The Trustees present their report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Foundation's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" published in October 2019).

## **Objectives and activities**

The Foundation's objects are:

To promote the education (including social and physical training) of persons under the age of 25 who have attended King Edward VI College (formerly King Edward VI School) for at least two years and who are in need of financial assistance by awarding to such persons scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education;

To provide financial assistance, outfits, clothing, tools, instruments or books to assist such persons to pursue their education (including the study of music and other arts);

To provide special benefits of any kind for which provision is not made from public funds for King Edward VI College.

The Trustees' objectives for the year are shaped by these strategic aims, with a view to obtaining income for the benefit of King Edward VI College and its students (including former students) by maintaining and improving the value of the Foundation's investments.

Grant making policy:

A Student Awards Committee is appointed annually to consider grant applications within a budget decided by the Trustees at the Annual General Meeting. Grant applications in excess of the budget administered by the Student Awards Committee are considered by the full Board of Trustees. Individual grants under £400 in total for the academic year, and dependent on the income of the parents, are administered by the College Principal on behalf of the Trustees.

The Foundation does not actively fundraise and seeks to continue to further its objectives through the careful stewardship of its existing resources.

In setting their objectives and planning the Foundation's activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

## **Achievements and performance**

During the year the Trustees tried to improve knowledge of the Foundation to those entitled to claim, and it is considered that this has taken place.

During the year, grants for xx students (2023: 81 students) were made, including those administered by King Edward VI Community College.

How the Foundation's activities deliver public benefit:

The Foundation's main activities and who it tries to help are described below. In planning its activities for the year, the Trustees kept in mind the Charity Commission's guidance on public benefit to aid them in determining their objectives. The focus of the Foundation's activities therefore continued to be the awarding of scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education.

Who used and benefited from the Foundation's services?

The Foundation's objects and funding limit the activities to persons under the age of 25 living in or around Totnes who have for a period of two years attended King Edward VI College, a state school. Lower Sixth students who join the school at this stage of their education are also able to benefit if they are attending a course which will last two years. The Foundation has helped thousands of people since its inception.

**Financial review**

The Foundation's income decreased from £134,732 for 2023 to £131,853 as a result of a decrease in income from listed investments of £18,809 being offset by an increase in Rental income of £12,766.

Grants amounting to £87,065 (2023: £107,758) were awarded in the year from the Total income above.

During the year, as a result of buying and selling investments as recommended by the Investment Advisers, net realised losses arose of £1,982 (2023: net realised losses of £28,088), and the change in market value of the managed portfolio was an unrealised surplus of £111,981 (2023: unrealised deficit of £226,112).

The Foundation had Net income of £122,846 (2023: incurred Net expenses of £243,998) resulting in an increase in the Foundation's funds from £3,079,616 at 31 March 2023 to £3,202,462 at 31 March 2024.

Since the year end shares listed on the stock market have maintained or even increased their valuations overall, and the Trustees consider the Foundation's overall financial position to be satisfactory.

**Reserves policy**

It is the policy of the Foundation that unrestricted, free reserves which have not been designated for a specific use should be maintained at a high level in order to generate sufficient investment income to be able to pay future grants and awards out of income, and to provide sufficient funds to cover the costs of generating funds and support costs.

At 31 March 2024 the Foundation had free reserves of £126,245 (2023: £122,592). These additional reserves will be used to fund grants and awards out of income in future periods.

**Investment policy**

There are no restrictions on the Foundation's powers to invest, and the Trustees have not adopted an ethical investment policy. An Investment Committee is appointed annually to manage the authorised investments, with professional advice being given by Brewin Dolphin Limited who manage the portfolio on a discretionary basis. The overall investment policy is to invest in a low to medium risk portfolio which will maximise income whilst protecting capital. Meetings are held as and when required to review the performance of the portfolio.

After deducting the investment management charges of £16,391 (2023: £16,549) the total return from the whole managed portfolio (including cash balances held by the broker) was a rise of 7.3% (2023: fall of 5.9%) compared with a rise in the FTSE All share index over the same period of 4.3% (2023: fall of 0.7%). As a result, the market value of the whole portfolio increased by £119,193 in the year (2023: decrease of £190,445).

**Risk management:**

The Trustees have assessed the major strategic, business and operational risks to which the Foundation is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

**Plans for future periods**

The Foundation is a lasting testimony to the generosity and charitable concerns of past donors, including Totnes Town Council and others. The Foundation plans to continue the activities outlined above in the forthcoming years, subject to satisfactory returns from its investments.

**Structure, governance and management**

The Foundation is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust Deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

Recruitment and appointment of trustees:

The Foundation has 9 Trustees, including representatives from Devon County Council and Totnes Town Council, and up to 4 being co-opted as necessary. The Chairman and Vice-Chairman are elected annually at the Annual General Meeting. The Trustees met xx times during the year to administer the charity.

The Board of Trustees regularly discusses the recruitment of new Trustees for their experience, empathy and knowledge of the Trustees, and to keep the skills and composition of the Trustees body as a whole and succession planning under review. New Trustees may be sought by open advertisement or through dialogues with other institutions with similar objects.

All the Trustees give their time voluntarily and receive no benefits from the Foundation. Any expenses reclaimed by the Trustees from the Foundation are set out in note 7 to the financial statements.

The Trustees' report was approved by the Board of Trustees.

(FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION)  
INDEPENDENT EXAMINER'S REPORT**

**TO THE TRUSTEES OF KEVICC AWARDS FOUNDATION TRUST**

---

I report on the financial statements of the Foundation for the year ended 31 March 2024, which are set out on pages 5 to 14.

**Respective responsibilities of Trustees and examiner**

The Foundation's Trustees are responsible for the preparation of the financial statements. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
  - (ii) to prepare financial statements which accord with the accounting records, and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

**1 Accounting policies**

**Charity information**

KEVICC Awards Foundation Trust is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

**1.1 Accounting convention**

The Foundation constitutes a public benefit entity as defined by FRS 102. These financial statements have been prepared in accordance with the Statement of Recommended Practice: "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice, which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £1.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investment properties and to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

**1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

**1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

**1.4 Incoming resources**

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

**1.5 Resources expended**

Liabilities are recognised as expenditure as soon as:

- there is a legal or constructive obligation committing the charity to that expenditure,
- it is probable that settlement will be required, and
- the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

All expenses, including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

(FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION)  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2024**

---

**1 Accounting policies** (Continued)

**1.6 Investment properties**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

**1.7 Fixed asset investments**

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Realised gains and losses are recognised in net income/(expenditure).

**1.8 Financial instruments**

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

**Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the Foundation transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

**Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Investment property comprises freehold properties owned by the Foundation, held to earn rental income. The fair value of the investment property has been arrived at on the basis of a valuation carried out at 31 March 2024 by the Trustees. The valuation was made on an open market value basis by reference to market evidence of transaction prices for similar properties.

No cost is readily ascertainable for the investment properties, which were gifted to the Foundation when it was founded.

# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023**

---

The Trustees present their report and financial statements for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Foundation's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" published in October 2019).

## **Objectives and activities**

The Foundation's objects are:

To promote the education (including social and physical training) of persons under the age of 25 who have attended King Edward VI College (formerly King Edward VI School) for at least two years and who are in need of financial assistance by awarding to such persons scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education;

To provide financial assistance, outfits, clothing, tools, instruments or books to assist such persons to pursue their education (including the study of music and other arts);

To provide special benefits of any kind for which provision is not made from public funds for King Edward VI College.

The Trustees' objectives for the year are shaped by these strategic aims, with a view to obtaining income for the benefit of King Edward VI College and its students (including former students) by maintaining and improving the value of the Foundation's investments.

Grant making policy:

A Student Awards Committee is appointed annually to consider grant applications within a budget decided by the Trustees at the Annual General Meeting. Grant applications in excess of the budget administered by the Student Awards Committee are considered by the full Board of Trustees. Individual grants under £400 in total for the academic year, and dependent on the income of the parents, are administered by the College Principal on behalf of the Trustees.

The Foundation does not actively fundraise and seeks to continue to further its objectives through the careful stewardship of its existing resources.

In setting their objectives and planning the Foundation's activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

## **Achievements and performance**

During the year the Trustees tried to improve knowledge of the Foundation to those entitled to claim, and it is considered that this has taken place.

During the year, grants for 81 students (2022: 51 students) were made, including those administered by King Edward VI Community College.

How the Foundation's activities deliver public benefit:

The Foundation's main activities and who it tries to help are described below. In planning its activities for the year, the Trustees kept in mind the Charity Commission's guidance on public benefit to aid them in determining their objectives. The focus of the Foundation's activities therefore continued to be the awarding of scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education.

Who used and benefited from the Foundation's services?

The Foundation's objects and funding limit the activities to persons under the age of 25 living in or around Totnes who have for a period of two years attended King Edward VI College, a state school. Lower Sixth students who join the school at this stage of their education are also able to benefit if they are attending a course which will last two years. The Foundation has helped thousands of people since its inception.

## **Financial review**

The Foundation's income increased from £130,833 for 2022 to £134,732 due an increase in income from listed investments of £9,371. Rental income has decreased by £6,444 from £21,131 for 2022 to £14,687 due to the renegotiation of the rent on one of the Foundation's properties, leading to rent being waived as a result of the Covid pandemic.

Grants amounting to £107,758 (2022: £209,802) were awarded in the year from the Total income above.

During the year, as a result of buying and selling investments as recommended by the Investment Advisers, net realised losses arose of £38,088 (2022: net realised gains of £30,066), and the change in market value of the managed portfolio was an unrealised deficit of £226,112 (2022: unrealised surplus of £120,514).

The Foundation incurred Net expenses of £243,998 (2022: Net income of £170,494) resulting in a decrease in the Foundation's funds from £3,323,614 at 31 March 2022 to £3,079,616 at 31 March 2023.

Since the year end shares listed on the stock market have maintained their valuations overall, and the Trustees consider the Foundation's overall financial position to be satisfactory.

## **Reserves policy**

It is the policy of the Foundation that unrestricted, free reserves which have not been designated for a specific use should be maintained at a high level in order to generate sufficient investment income to be able to pay future grants and awards out of income, and to provide sufficient funds to cover the costs of generating funds and support costs.

At 31 March 2023 the Foundation had free reserves of £122,592 (2022: £176,145). These additional reserves will be used to fund grants and awards out of income in future periods.

## **Investment policy**

There are no restrictions on the Foundation's powers to invest, and the Trustees have not adopted an ethical investment policy. An Investment Committee is appointed annually to manage the authorised investments, with professional advice being given by Brewin Dolphin Limited who manage the portfolio on a discretionary basis. The overall investment policy is to invest in a low to medium risk portfolio which will maximise income whilst protecting capital. Meetings are held as and when required to review the performance of the portfolio.

After deducting the investment management charges of £16,549 (2022: £13,708) the total return from the whole managed portfolio (including cash balances held by the broker) was a fall of 5.9% (2022: rise of 8.8%) compared with a fall in the FTSE All share index over the same period of 0.7% (2022: rise of 9.3%). As a result, the market value of the whole portfolio decreased by £190,445 in the year (2022: increase of £150,185).

## **Risk management:**

The Trustees have assessed the major strategic, business and operational risks to which the Foundation is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

## **Plans for future periods**

The Foundation is a lasting testimony to the generosity and charitable concerns of past donors, including Totnes Town Council and others. The Foundation plans to continue the activities outlined above in the forthcoming years, subject to satisfactory returns from its investments.

## **Structure, governance and management**

The Foundation is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust Deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

Recruitment and appointment of trustees:

The Foundation has 11 Trustees, including representatives from Devon County Council and Totnes Town Council, and up to 4 being co-opted as necessary. The Chairman and Vice-Chairman are elected annually at the Annual General Meeting. The Trustees met five times during the year to administer the charity.

The Board of Trustees regularly discusses the recruitment of new Trustees for their experience, empathy and knowledge of the Trustees, and to keep the skills and composition of the Trustees body as a whole and succession planning under review. New Trustees may be sought by open advertisement or through dialogues with other institutions with similar objects.

All the Trustees give their time voluntarily and receive no benefits from the Foundation. Any expenses reclaimed by the Trustees from the Foundation are set out in note 7 to the financial statements.

The Trustees' report was approved by the Board of Trustees.

**KEVICC AWARDS FOUNDATION TRUST  
(FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION)  
INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF KEVICC AWARDS FOUNDATION TRUST**

---

I report on the financial statements of the Foundation for the year ended 31 March 2023, which are set out on pages 5 to 14.

**Respective responsibilities of Trustees and examiner**

The Foundation's Trustees are responsible for the preparation of the financial statements. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
  - (ii) to prepare financial statements which accord with the accounting records, and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

# KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

---

## 1 Accounting policies

### Charity information

KEVICC Awards Foundation Trust is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

### 1.1 Accounting convention

The Foundation constitutes a public benefit entity as defined by FRS 102. These financial statements have been prepared in accordance with the Statement of Recommended Practice: "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice, which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £1.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investment properties and to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

### 1.4 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

### 1.5 Resources expended

Liabilities are recognised as expenditure as soon as:

- there is a legal or constructive obligation committing the charity to that expenditure,
- it is probable that settlement will be required, and
- the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

All expenses, including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

**KEVICC AWARDS FOUNDATION TRUST  
(FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION)  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**1 Accounting policies** **(Continued)**

**1.6 Investment properties**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

**1.7 Fixed asset investments**

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Realised gains and losses are recognised in net income/(expenditure).

**1.8 Financial instruments**

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

**Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the Foundation transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

**Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2022**

---

The Trustees present their report and financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Foundation's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" published in October 2019).

## **Objectives and activities**

The Foundation's objects are:

To promote the education (including social and physical training) of persons under the age of 25 who have attended King Edward VI College (formerly King Edward VI School) for at least two years and who are in need of financial assistance by awarding to such persons scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education;

To provide financial assistance, outfits, clothing, tools, instruments or books to assist such persons to pursue their education (including the study of music and other arts);

To provide special benefits of any kind for which provision is not made from public funds for King Edward VI College.

The Trustees' objectives for the year are shaped by these strategic aims, with a view to obtaining income for the benefit of King Edward VI College and its students (including former students) by maintaining and improving the value of the Foundation's investments.

Grant making policy:

A Student Awards Committee is appointed annually to consider grant applications within a budget decided by the Trustees at the Annual General Meeting. Grant applications in excess of the budget administered by the Student Awards Committee are considered by the full Board of Trustees. Individual grants under £400 in total for the academic year, and dependent on the income of the parents, are administered by the College Principal on behalf of the Trustees.

The Foundation does not actively fundraise and seeks to continue to further its objectives through the careful stewardship of its existing resources.

In setting their objectives and planning the Foundation's activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

## **Achievements and performance**

During the year the Trustees tried to improve knowledge of the Foundation to those entitled to claim, and it is considered that this has taken place.

During the year, grants for 51 students (2021: 165 students) were made, including those administered by King Edward VI Community College.

How the Foundation's activities deliver public benefit:

The Foundation's main activities and who it tries to help are described below. In planning its activities for the year, the Trustees kept in mind the Charity Commission's guidance on public benefit to aid them in determining their objectives. The focus of the Foundation's activities therefore continued to be the awarding of scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education.

Who used and benefited from the Foundation's services?

The Foundation's objects and funding limit the activities to persons under the age of 25 living in or around Totnes who have for a period of two years attended King Edward VI College, a state school. Lower Sixth students who join the school at this stage of their education are also able to benefit if they are attending a course which will last two years. The Foundation has helped thousands of people since its inception.

(FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION)  
TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2022**

---

**Financial review**

The Foundation's income increased from £123,310 for 2021 to £130,833 due to decreases in rental income and income from listed investments.

Grants amounting to £89,165 (2021: £209,802) were awarded in the year from the Total income above.

During the year, as a result of buying and selling investments as recommended by the Investment Advisers, net realised gains arose of £30,066 (2021: £36,926), and the change in market value of the managed portfolio was an unrealised surplus of £120,514 (2021: unrealised surplus of £320,124).

The total value of the Foundation's funds has increased from £3,153,120 at 31 March 2021 to £3,323,614 at 31 March 2022 due mainly to the unrealised rise in value of the listed investments and the gains realised on disposal of investments, as a result in the continued stock market recovery over the period.

Since the year end the stock market has continued its recovery, and the Trustees consider the Foundation's overall financial position to be satisfactory.

**Reserves policy**

It is the policy of the Foundation that unrestricted, free reserves which have not been designated for a specific use should be maintained at a high level in order to generate sufficient investment income to be able to pay future grants and awards out of income, and to provide sufficient funds to cover the costs of generating funds and support costs.

At 31 March 2022 the Foundation had free reserves of £176,145 (2021: £99,481). These additional reserves will be used to fund grants and awards out of income in future periods.

**Investment policy**

There are no restrictions on the Foundation's powers to invest, and the Trustees have not adopted an ethical investment policy. An Investment Committee is appointed annually to manage the authorised investments, with professional advice being given by Brewin Dolphin Limited who manage the portfolio on a discretionary basis. The overall investment policy is to invest in a low to medium risk portfolio which will maximise income whilst protecting capital. Meetings are held as and when required to review the performance of the portfolio.

After deducting the investment management charges of £13,708 (2021: £16,082) the total return from the whole managed portfolio (including cash balances held by the broker) was a rise of 8.8% (2021: rise of 16.8%) compared with a rise in the FTSE All share index over the same period of 9.3% (2021: rise of 26.8%). The market value of the whole portfolio increased by £150,185 in the year (2021: £464,383) as a result of the continuing general rise (2021: rise) in the stock market over the year.

**Risk management:**

The Trustees have assessed the major strategic, business and operational risks to which the Foundation is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

**Plans for future periods**

The Foundation is a lasting testimony to the generosity and charitable concerns of past donors, including Totnes Town Council and others. The Foundation plans to continue the activities outlined above in the forthcoming years, subject to satisfactory returns from its investments.

**Structure, governance and management**

The Foundation is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust Deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

Recruitment and appointment of trustees:

The Foundation has 10 Trustees, including representatives from Devon County Council and Totnes Town Council, and up to 4 being co-opted as necessary. The Chairman and Vice-Chairman are elected annually at the Annual General Meeting. The Trustees met five times during the year to administer the charity.

The Board of Trustees regularly discusses the recruitment of new Trustees for their experience, empathy and knowledge of the Trustees, and to keep the skills and composition of the Trustees body as a whole and succession planning under review. New Trustees may be sought by open advertisement or through dialogues with other institutions with similar objects.

All the Trustees give their time voluntarily and receive no benefits from the Foundation. Any expenses reclaimed by the Trustees from the Foundation are set out in note 7 to the financial statements.

The Trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF KEVICC AWARDS FOUNDATION TRUST**

---

I report on the financial statements of the Foundation for the year ended 31 March 2022, which are set out on pages 5 to 14.

**Respective responsibilities of Trustees and examiner**

The Foundation's Trustees are responsible for the preparation of the financial statements. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
  - (ii) to prepare financial statements which accord with the accounting records, and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

## **1 Accounting policies**

### **Charity information**

KEVICC Awards Foundation Trust is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

### **1.1 Accounting convention**

The Foundation constitutes a public benefit entity as defined by FRS 102. These financial statements have been prepared in accordance with the Statement of Recommended Practice: "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice, which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £1.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investment properties and to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

### **1.4 Incoming resources**

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

### **1.5 Resources expended**

Liabilities are recognised as expenditure as soon as:

- there is a legal or constructive obligation committing the charity to that expenditure,
- it is probable that settlement will be required, and
- the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

All expenses, including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

**1 Accounting policies** **(Continued)**

**1.6 Investment properties**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

**1.7 Fixed asset investments**

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Realised gains and losses are recognised in net income/(expenditure).

**1.8 Financial instruments**

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

**Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the Foundation transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

**Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021**

---

The Trustees present their report and financial statements for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Foundation's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" published in October 2019).

## **Objectives and activities**

The Foundation's objects are:

To promote the education (including social and physical training) of persons under the age of 25 who have attended King Edward VI College (formerly King Edward VI School) for at least two years and who are in need of financial assistance by awarding to such persons scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education;

To provide financial assistance, outfits, clothing, tools, instruments or books to assist such persons to pursue their education (including the study of music and other arts);

To provide special benefits of any kind for which provision is not made from public funds for King Edward VI College.

The Trustees' objectives for the year are shaped by these strategic aims, with a view to obtaining income for the benefit of King Edward VI College and its students (including former students) by maintaining and improving the value of the Foundation's investments.

Grant making policy:

A Student Awards Committee is appointed annually to consider grant applications within a budget decided by the Trustees at the Annual General Meeting. Grant applications in excess of the budget administered by the Student Awards Committee are considered by the full Board of Trustees. Individual grants under £400 in total for the academic year, and dependent on the income of the parents, are administered by the College Principal on behalf of the Trustees.

The Foundation does not actively fundraise and seeks to continue to further its objectives through the careful stewardship of its existing resources.

In setting their objectives and planning the Foundation's activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

## **Achievements and performance**

During the year the Trustees tried to improve knowledge of the Foundation to those entitled to claim, and it is considered that this has taken place.

During the year, grants for 51 students (2020: 165 students) were made, including those administered by King Edward VI Community College.

How the Foundation's activities deliver public benefit:

The Foundation's main activities and who it tries to help are described below. In planning its activities for the year, the Trustees kept in mind the Charity Commission's guidance on public benefit to aid them in determining their objectives. The focus of the Foundation's activities therefore continued to be the awarding of scholarships, exhibitions, bursaries, maintenance allowances or grants tenable at any school, university, or other institution of further education.

Who used and benefited from the Foundation's services?

The Foundation's objects and funding limit the activities to persons under the age of 25 living in or around Totnes who have for a period of two years attended King Edward VI College, a state school. Lower Sixth students who join the school at this stage of their education are also able to benefit if they are attending a course which will last two years. The Foundation has helped thousands of people since its inception.

# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021**

---

## **Financial review**

The Foundation's income decreased from £136,411 for 2020 to £123,310 due to decreases in rental income and income from listed investments.

Grants amounting to £209,802 (2020: £43,301) were awarded in the year from the Total income above.

During the year, as a result of buying and selling investments as recommended by the Investment Advisers, net realised gains arose of £36,926 (2020: £6,457), and the change in market value of the managed portfolio was an unrealised surplus of £320,124 (2020: unrealised deficit of £360,111).

The total value of the Foundation's funds has increased from £2,924,441 at 31 March 2020 to £3,153,120 at 31 March 2021 due mainly to the unrealised rise in value of the listed investments, as a result in the general stock market recovery following the crash caused by the Covid pandemic in March 2020.

Since the year end the stock market has continued its recovery, and the Trustees consider the Foundation's overall financial position to be satisfactory.

## **Reserves policy**

It is the policy of the Foundation that unrestricted, free reserves which have not been designated for a specific use should be maintained at a high level in order to generate sufficient investment income to be able to pay future grants and awards out of income, and to provide sufficient funds to cover the costs of generating funds and support costs.

At 31 March 2021 the Foundation had free reserves of £99,481 (2020: £325,185). These additional reserves will be used to fund grants and awards out of income in future periods.

## **Investment policy**

There are no restrictions on the Foundation's powers to invest, and the Trustees have not adopted an ethical investment policy. An Investment Committee is appointed annually to manage the authorised investments, with professional advice being given by Brewin Dolphin Limited who manage the portfolio on a discretionary basis. The overall investment policy is to invest in a low to medium risk portfolio which will maximise income whilst protecting capital. Meetings are held as and when required to review the performance of the portfolio.

After deducting the investment management charges of £16,082 (2020: £17,118) the total return from the whole managed portfolio (including cash balances held by the broker) was a rise of 16.8% (2020: fall of 11.4%) compared with a fall in the FTSE All share index over the same period of 24.0% (2020: fall of 21.9%). The market value of the whole portfolio increased by £464,383 in the year (2020: fell by £251,717) as a result of the general rise (2020: fall) in the stock market over the year following the crash caused by the coronavirus outbreak in March 2020.

## **Risk management:**

The Trustees have assessed the major strategic, business and operational risks to which the Foundation is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

## **Plans for future periods**

The Foundation is a lasting testimony to the generosity and charitable concerns of past donors, including Totnes Town Council and others. The Foundation plans to continue the activities outlined above in the forthcoming years, subject to satisfactory returns from its investments.

## **Structure, governance and management**

The Foundation is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust Deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

During the year the Foundation changed its name from King Edward VI College Exhibition Foundation to KEVICC Awards Foundation Trust.

Recruitment and appointment of trustees:

The Foundation has 10 Trustees, including representatives from Devon County Council and Totnes Town Council, and up to 4 being co-opted as necessary. The Chairman and Vice-Chairman are elected annually at the Annual General Meeting. The Trustees met five times during the year to administer the charity.

The Board of Trustees regularly discusses the recruitment of new Trustees for their experience, empathy and knowledge of the Trustees, and to keep the skills and composition of the Trustees body as a whole and succession planning under review. New Trustees may be sought by open advertisement or through dialogues with other institutions with similar objects.

All the Trustees give their time voluntarily and receive no benefits from the Foundation. Any expenses reclaimed by the Trustees from the Foundation are set out in note 7 to the financial statements.

## **Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that year.

In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF KEVICC AWARDS FOUNDATION TRUST**

---

## **Opinion**

We have audited the financial statements of KEVICC Awards Foundation Trust (the 'Foundation') for the year ended 31 March 2021 which comprise the statement of financial activities, the balance sheet and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Other matter - Comparatives not audited**

We draw your attention to note 1.9 of the financial statements, which concern the fact that the comparative figures in these financial statements have not been audited. Our audit work has not brought to light any material errors relating to the comparative figures, and our opinion is not modified in this respect.

## **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Foundation's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

## **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

# **KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF KEVICC AWARDS FOUNDATION TRUST**

---

## **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

## **Responsibilities of Trustees**

As explained more fully in the statement of Trustees' responsibilities on page 4, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to cease operations, or have no realistic alternative but to do so.

## **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentation or through collusion.

However, the primary responsibility for the prevention and detection of fraud rests with those charged with governance of the Foundation and management.

There are no laws and regulations identified as being of significance in the context of the Foundation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

This has been done in order for the financial statements to provide a true and fair view in accordance with current Generally Accepted Accounting Practice.

# KEVICC AWARDS FOUNDATION TRUST (FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION) NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

---

## 1 Accounting policies

### Charity information

KEVICC Awards Foundation Trust is an unincorporated trust, set up by an Order of the Charity Commissioners on 12 February 1907, as amended by a Trust deed dated 16 March 1923 and further amended by Trust Deeds dated 18 February 1972 and 5 February 1996, and is a registered charity with the number 310026 (England and Wales).

### 1.1 Accounting convention

The Foundation constitutes a public benefit entity as defined by FRS 102. These financial statements have been prepared in accordance with the Statement of Recommended Practice: "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland" issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £1.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of investment properties and to include certain financial instruments at fair value. The principal accounting policies adopted are set out below.

### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

### 1.4 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

### 1.5 Resources expended

Liabilities are recognised as expenditure as soon as:

- there is a legal or constructive obligation committing the charity to that expenditure,
- it is probable that settlement will be required, and
- the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

All expenses, including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2021**

**1 Accounting policies**

**(Continued)**

**1.6 Investment properties**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

**1.7 Fixed asset investments**

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Realised gains and losses are recognised in net income/(expenditure).

**1.8 Financial instruments**

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

**Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the Foundation transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

(FORMERLY KING EDWARD VI COLLEGE EXHIBITION FOUNDATION)  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2021**

**1 Accounting policies**

**(Continued)**

**Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

**Derecognition of financial liabilities**

Financial liabilities are derecognised when the Foundation's contractual obligations expire or are discharged or cancelled.

**1.9 Prior period comparative figures**

The Foundation qualified as exempt from an audit for the year ended 31 March 2020 due to its size, and therefore those financial statements were not audited. As a consequence, the comparative figures in these financial statements have not been audited.
