Structure, governance and management

The trust is governed under the rules adopted in 1962 and revised in 1995, the rules are summarised in the Objectives and activities section. The charity is an unincorporated association and a registered charity number 310284.

Trustees are selected at the trustee meetings. The trustees aim to have a mix of experience and qualifications to help ensure a balanced board of trustees, and consider this in the appointment process.

Objectives and activities

The trustees shall administer and manage the trust's assets and income for the purpose of providing charitable assistance for persons educated at King's College Taunton and/or their spouses, widows, widowers or dependent children and the award of scholarships and educational grants.

In planning the charity's activities, the trustees have kept in mind the Charity Commissions' guidance on public benefit.

The Old Aluredian Benefit Fund

Trustees' Annual Report *(continued)*

Year ended 31 August 2022

Achievements and performance

During the year, the fund received unrestricted income of £17,000 and £9,559 of investment income. Administration expenses of £1,180 and the payment of £10,500 in bursaries were incurred.

There were purchases and a sale of investments during the year, the market value of the portfolio has decreased by £11,217, giving an overall net surplus for The Charity of £752.

Financial review

The Charity is in a sound financial position, and its cash balance exceeds its reserves policy of covering at least six months of costs.

At the year-end £272,132 were held in unrestricted funds.

The trustees' annual report was approved on 8/3/23..... and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of The Old Aluredian Benefit Fund

Year ended 31 August 2022

I report to the trustees on my examination of the financial statements of The Old Aluredian Benefit Fund ('the charity') for the year ended 31 August 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Old Aluredian Benefit Fund

Notes to the Financial Statements

Year ended 31 August 2022

1. General Information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is King's College, South Road, Taunton, TA1 3LA.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The charity has taken advantage of the exemptions in the Charities SORP (FRS102) including the requirement to produce a cashflow statements because it is classed as a small charity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

The Old Aluredian Benefit Fund

Notes to the Financial Statements *(continued)*

Year ended 31 August 2022

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.
- income from interest and dividends is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

The Old Aluredian Benefit Fund

Notes to the Financial Statements *(continued)*

Year ended 31 August 2022

3. Accounting policies *(continued)*

Investments *(continued)*

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure.
