INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2025 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2025, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Conclusions relating to going concern.

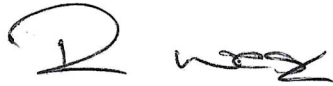

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustee's use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- The trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

1. Accounting Policies

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

- a) Basis of preparation of financial statements
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) Investments
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) Fixed Assets
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) Voluntary income
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) Expenditure
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2025 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2025, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Conclusions relating to going concern.

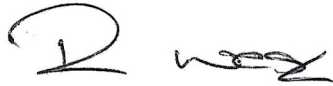

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustee's use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- The trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

1. Accounting Policies

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

- a) Basis of preparation of financial statements
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) Investments
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) Fixed Assets
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) Voluntary income
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) Expenditure
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2024 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2024, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Conclusions relating to going concern.

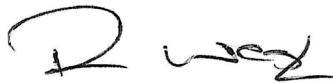

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustee's use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- The trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

1. Accounting Policies

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

- a) **Basis of preparation of financial statements**
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) **Investments**
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) **Fixed Assets**
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) **Voluntary income**
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) **Expenditure**
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

f) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Any capital gains or losses arising on the investments form part of the fund. Investment management charges relating to the fund are charged against the fund.

Investment income and gains are allocated to the appropriate fund.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2024 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2024, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Conclusions relating to going concern.

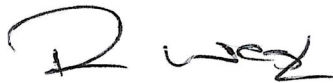

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustee's use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- The trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

- a) **Basis of preparation of financial statements**
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) **Investments**
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) **Fixed Assets**
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) **Voluntary income**
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) **Expenditure**
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2023 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2023, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Conclusions relating to going concern.

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustee's use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- The trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

1. Accounting Policies

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

a) Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

b) Investments

The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.

c) Fixed Assets

The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.

d) Voluntary income

All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.

e) Expenditure

All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

AYLESBURY GRAMMAR SCHOOL FOUNDATION

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2023 (Continued)

f) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Any capital gains or losses arising on the investments form part of the fund. Investment management charges relating to the fund are charged against the fund.

Investment income and gains are allocated to the appropriate fund.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2023 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2023, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Conclusions relating to going concern.

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustee's use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- The trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

1. Accounting Policies

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

- a) Basis of preparation of financial statements
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) Investments
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) Fixed Assets
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) Voluntary income
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) Expenditure
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2023 (Continued)

f) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Any capital gains or losses arising on the investments form part of the fund. Investment management charges relating to the fund are charged against the fund.

Investment income and gains are allocated to the appropriate fund.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2022, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are the rounded to the nearest £.

The particular accounting policies are described below:

- a) Basis of preparation of financial statements
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) Investments
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) Fixed Assets
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) Voluntary income
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) Expenditure
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Any capital gains or losses arising on the investments form part of the fund. Investment management charges relating to the fund are charged against the fund.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material statement, whether due to fraud or error.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2022, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Conclusions relating to going concern.

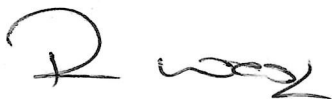

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The trustee's use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- The trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2021 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2021, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

- a) Basis of preparation of financial statements
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) Investments
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) Fixed Assets
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) Voluntary income
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) Expenditure
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES

We have audited the financial statements of Aylesbury Grammar School Foundation for the year ended 31 August 2021 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Trustees' Responsibilities Statement, the trustees are responsible for the preparation of financial statements which give a true and fair view.

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Auditing Practice Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion of financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2021, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared with the requirements of the Charities Act 2011.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES (Continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

The charity constitutes a public benefit entity as defined by FRS 102. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) revised October 2019, and the Financial Reporting Standard applicable in the United Kingdom, Republic of Ireland (FRS 102) and the Charities Act 2011 and UK General Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) revised October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn

The presentation currency of the financial statements is the pound sterling (£) and the financial statements are rounded to the nearest £.

The particular accounting policies are described below:

- a) Basis of preparation of financial statements
The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.
- b) Investments
The Foundation's policy is to hold investments primarily in order to generate income that can be applied to the charity's objectives. Fixed asset investments are stated at market value.
- c) Fixed Assets
The charity owns land which has planning permission and has been valued at market value.

The charity owns the school site and associated buildings and playing fields. These may only be used for purposes consistent with an educational establishment and therefore have little or no value by themselves. They are excluded from the financial statements.
- d) Voluntary income
All voluntary income is accounted for gross when received. Income is stated gross of income tax repayments.
- e) Expenditure
All expenditure is accounted for gross when incurred. Known expenditure, incurred but not yet paid, is accrued for.
