The income for the year amounted to £31,641 (2019: £43,821). Grants totalling £14,979 (2019: £27,586) were made. Expenditure under the trust document amounted to £16,662 (2019: £16,235).

The Charity's listed investments are pooled with those of other charities administered by the Brewers' Company in The Brewers' Company Pooled Investment Scheme. The Scheme was established on 1 November 1968 by the Secretary of State for Education and Sciences under Sections 18 and 22 of the Charities Act 1960. In 2020 the Trustee reviewed the investment policy and defined the investment objective as "Principally, the maintenance of capital in real terms as measured by RPIX over a rolling 5-year period, and then an average annual nominal growth in income in the longer term". Performance is monitored by the Investment Committee of the Brewers' Company. In 2016 an independent review of performance was commissioned which concluded that the Scheme income had been slightly volatile over the previous 5 years but the capital had more than maintained its real value. A further independent review is scheduled to be undertaken in 2021.

Structure, governance and management

The Foundation of Richard Platt dates from 1597 when Richard Platt was granted letters patent by Elizabeth I to found a School and Almshouses at Aldenham. The Foundation today is governed by a Charity Commission Scheme dated 27 November 1995. Under the 1995 Scheme the Foundation's land and buildings at Aldenham were transferred into a new Charity, The Aldenham School Charity, of which The Aldenham School Company is Trustee. On 23 August 2011 The Aldenham School Company changed its name to The Aldenham Foundation. On 31 August 2016 The Aldenham School Charity and The Aldenham Foundation were granted a Uniting Direction by the Charity Commission and the non-permanently endowed assets of The Aldenham School Charity were transferred to the Foundation.

The sole Trustee is the body corporate called The Master and Keepers or Wardens and Commonalty of the Mystery or Art of Brewers in the City of London, commonly known as the Brewers' Company.

The Charity's activities are overseen by the Master, Wardens and Court Assistants of the Brewers' Company who comprise the Court.

The Court meets five times a year to monitor investment performance and make decisions on charitable expenditure. The Court is advised by an Investment Committee who meet regularly with the investment advisors to monitor their performance against targets.

The day to day administration of the Charity is undertaken by staff of the Trustee.

- Select suitable accounting policies and apply them consistently;

Independent Examiner's Report to the Trustee

I report on the accounts of the Foundation of Richard Platt (charity no: 311055) for the year ended 31 December 2020, which are set out on pages 5 to 9.

Responsibilities and basis of report

As trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities Statement of Recommended Practice issued 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. The accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – SORP FRS 102 (effective 1 January 2019).

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved applying SORP FRS 102 (effective 1 January 2019) rather than the version of the Statement of Recommended Practice referred to in the regulation but which has since been withdrawn.

The charity constitutes a public benefit entity as defined by FRS 102.

The Trustee considers that there are no material uncertainties about the charity's ability to continue as a going concern.

Income

Income is recognised when entitlement passes to the charity, receipt is probable and amounts are measurable.

Expenditure

Expenditure is recognised when a legal or constructive obligation to pay arises.

Grants are accounted for when the Trustee has agreed the grant allocation for a particular year. There are no unspent allocations to be carried forward into future years.

Investments

Investments are quoted on recognised stock exchanges and are stated at mid-market value.

Gains or losses on revaluation are taken to the Statement of Financial Activities and applied to the fund in which the investments are held.

Funds

Endowment funds are funds that the Trustee does not have the power to spend and must be maintained as capital. Income generated from endowment funds is applied in accordance with the terms of the fund.

Unrestricted funds represent funds received that can be applied at the Trustee's discretion within the general objects of the charity. Designated funds are unrestricted funds set aside by the Trustee for specific purposes.
