Trustee's annual report *(continued)*

Year ended 31 August 2025

Objectives and activities

The charity's objective is the giving of grants and bursaries that promote the education of boys and girls in Thetford. The charity previously owned Thetford Grammar School, selling it in July 2017, and invested the sale proceeds in order to generate income to provide educational support to boys and girls in Thetford.

The trustee has had regard to the Charity Commission's guidance on public benefit.

Achievements and performance

The Charity has again continued its core purpose of grant giving this year. We were again able to continue our giving to local schools this year for a variety of extracurricular activities as requested by the various schools, along with the continuance of bursary funding to Thetford Grammar School.

We were pleased this year to expand our grant giving to include the Food & Farming Discovery Trust and also to a Theatre School to help costs in presenting a County Lines play.

Financial review

Income totalled £78,562 (2024: £75,550) during the year with expenditure of £96,694 (2024: £101,279). The market value of investments decreased during the year by £28,551 (2024: increased by £174,202). This resulted in net expenditure of £40,097 (2024: net income of £148,473) during the year.

Investment Policy and Objectives

The charity has appointed Barratt and Cooke and JM Finn to manage the investments on a low-medium risk to provide income and grant giving.

Reserves Policy

The objective of the trustee is to maintain the capital funds in reserves so they can be invested to provide investment income to enable the charity to meet its objectives. As the trustee only makes awards subject to investment income and reserves held, in effect the trustee regards all charity funds as free reserves. The charity has no ongoing commitment to any grant that cannot be satisfied from charity funds. That said the trustee endeavours to hold free cash reserves in excess of £20,000 at any point in time. At the year end total reserves were £2,222,985 (2024: £2,263,082) with no restricted reserves held at the year end (2024: £Nil). Free reserves amounted to £104,647 (2024: £116,193).

Plans for future periods

It is our aim to continue the successful grant programmes that have been well received for some years now. At time of writing (December 2025) we have now completed, in partnership with Norfolk Museums Service and Thetford Schools, the inaugural annual fully funded trip to Norwich Castle Museum for all year 2 pupils in Thetford (c350), it was very successful.

Structure, governance and management

Governing document

The charity is governed by the provisions of the Scheme established in 1981 and last amended in July 2017.

Trustee

In May 2020, the trustees decided to incorporate a company to act as the sole trustee of the charity. Thetford Educational Trustee Limited was incorporated on 21 May 2020, with the trustees of the charity at that date also being members and directors of the limited company. On the 10 June 2020 Thetford Educational Trustee Limited was appointed as a corporate trustee of the charity and all other trustees resigned.

The directors of Thetford Educational Trustee Limited are as follows;

Mrs M E Eade (Chairman)
Mrs K Colborn (Vice Chairman)
Mr S McGrath
Mr J Pearson
Mr J Fletcher

New directors and members of the corporate trustee are appointed at a meeting of the full member body following nomination and recommendation by two current members. The members serve for a term of 5 years and are eligible for re-election.

True and fair override

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Independent examiner

A resolution to reappoint Mark Proctor of Lovewell Blake LLP as independent examiner for the ensuing year will be proposed at the Annual General Meeting.

The trustee's annual report was approved on 16 December 2025 and signed on behalf of the board of trustees by:

Thetford Educational Foundation Trust

Independent examiner's report to the trustee of Thetford Educational Foundation Trust

Year ended 31 August 2025

I report to the charity trustee on my examination of the financial statements of the charity for the year ended 31 August 2025 which comprise the statement of financial activities, balance sheet and the related notes.

Responsibilities and basis of report

As the charity's trustee you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

Thetford Educational Foundation Trust

Independent examiner's report to the trustee of Thetford Educational Foundation Trust *(continued)*

Year ended 31 August 2025

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the Charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Thetford Educational Foundation Trust

Notes to the financial statements

Year ended 31 August 2025

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Friars Close, Castle Lane, Thetford, Norfolk, IP24 2ER.

2. Statement of compliance

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The accounts have been prepared on the going concern basis and the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected income and expenditure for the next 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

Thetford Educational Foundation Trust

Notes to the financial statements *(continued)*

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Achievements and performance

The Charity has again continued its core purpose of grant giving this year. Having amassed a reasonable surplus from previous years we were again able to increase our giving to local schools this year for a variety of extracurricular activities as requested by the various schools, along with the continuance of bursary funding to Thetford Grammar School. We were also able to make some small grants to local individuals that had gained a university place this year.

Total grants given this year amounted to £94,792.

Financial review

Income totalled £75,550 (2023: £86,879) during the year with expenditure of £101,279 (2023: £91,500). The market value of investments increased during the year by £174,202 (2023: decreased by £80,875). This resulted in net income of £148,473 (2023: net expenditure £85,496) during the year.

Investment Policy and Objectives

The charity has appointed Barratt and Cooke and JM Finn to manage the investments on a low-medium risk to provide income and grant giving.

Reserves Policy

The objective of the trustee is to maintain the capital funds in reserves so they can be invested to provide investment income to enable the charity to meet its objectives. As the trustee only makes awards subject to investment income and reserves held, in effect the trustee regards all charity funds as free reserves. Independent examiner's report to the trustee of Thetford Educational Foundation Trust

Year ended 31 August 2024

I report to the charity trustee on my examination of the financial statements of the charity for the year ended 31 August 2024 which comprise the statement of financial activities, balance sheet and the related notes.

Responsibilities and basis of report

As the charity's trustee you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the Charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Notes to the financial statements

Year ended 31 August 2024

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Friars Close, Castle Lane, Thetford, Norfolk, IP24 2ER.

2. Statement of compliance

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The accounts have been prepared on the going concern basis and the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected income and expenditure for the next 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

Thetford Educational Foundation Trust

Notes to the financial statements *(continued)*

Year ended 31 August 2024

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Trustee's annual report *(continued)*

Year ended 31 August 2023

Objectives and activities

The charity's objective is the giving of grants and bursaries that promote the education of boys and girls in Thetford. The charity previously owned Thetford Grammar School, selling it in July 2017, and invested the sale proceeds in order to generate income to provide educational support to boys and girls in Thetford.

The trustee has had regard to the Charity Commission's guidance on public benefit.

Achievements and performance

The Charity has again been able to continue its purpose this year and has increased its awarded grants to in excess of £70,000.00 to Thetford Schools in this y/e 31/8/23. TEFT was also pleased to be able to make an award of £10,000.00 to Norfolk Community Foundation as a contribution to its work with Thetford pupils with the Literacy Project. We also presented some book tokens as achievement awards to some very young people too.

Financial review

Income totalled £86,879 (2022: £98,290) during the year with expenditure of £91,500 (2022: £60,665). The market value of investments decreased during the year by £80,875 (2022: decreased by £159,349). This resulted in net expenditure of £85,496 (2022: net expenditure £121,724) during the year.

Investment Policy and Objectives

The charity has appointed Barratt and Cooke and JM Finn to manage the investments on a low-medium risk to provide income and grant giving.

Reserves Policy

The objective of the trustee is to maintain the capital funds in reserves so they can be invested to provide investment income to enable the charity to meet its objectives. As the trustee only makes awards subject to investment income and reserves held, in effect the trustee regards all charity funds as free reserves. The charity has no ongoing commitment to any grant that cannot be satisfied from charity funds. That said the trustee endeavours to hold free cash reserves in excess of £20,000 at any point in time. At the year end total reserves were £2,114,609 (2021: £2,200,105) with no restricted reserves held at the year end (2022: £Nil). Free reserves amounted to £135,434 (2022: £132,552).

Plans for future periods

We are looking forward to continuing all our current programmes along with expanding our grants awarded to other local institutions who also might provide Bursaries to Thetford Pupils.

Structure, governance and management

Governing document

The charity is governed by the provisions of the Scheme established in 1981 and last amended in July 2017.

Trustee

In May 2020, the trustees decided to incorporate a company to act as the sole trustee of the charity. Thetford Educational Trustee Limited was incorporated on 21 May 2020, with the trustees of the charity at that date also being members and directors of the limited company. On the 10 June 2020 Thetford Educational Trustee Limited was appointed as a corporate trustee of the charity and all other trustees resigned.

The directors of Thetford Educational Trustee Limited are as follows;

Mrs M E Eade (Chairman)

Mrs K Colborn (Vice Chairman)

Mr S McGrath

Mr J Pearson

Mr T Lamb (resigned 9 March 2022)

New directors and members of the corporate trustee are appointed at a meeting of the full member body following nomination and recommendation by two current members. The members serve for a term of 5 years and are eligible for re-election.

True and fair override

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Independent examiner

A resolution to reappoint Mark Proctor of Lovewell Blake LLP as independent examiner for the ensuing year will be proposed at the Annual General Meeting.

Independent examiner's report to the trustee of Thetford Educational Foundation Trust

Year ended 31 August 2023

I report to the charity trustee on my examination of the financial statements of the charity for the year ended 31 August 2023 which comprise the statement of financial activities, balance sheet and the related notes.

Responsibilities and basis of report

As the charity's trustee you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the Charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The accounts have been prepared on the going concern basis and the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected income and expenditure for the next 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Trustee's annual report *(continued)*

Year ended 31 August 2022

Objectives and activities

The charity's objective is the giving of grants and bursaries that promote the education of boys and girls in Thetford. The charity previously owned Thetford Grammar School, selling it in July 2017, and invested the sale proceeds in order to generate income to provide educational support to boys and girls in Thetford.

The trustees have had regard to the Charity Commission's guidance on public benefit.

Achievements and performance

The charity has continued and expanded its policy of grant making and bursary provision to a variety of Thetford Schools along with individual awards made to Thetford pupils attaining university placement. We were able to expand our grants this year to include seven junior schools in Thetford who each received £3,000 or more. It is planned to continue in this vein.

Financial review

Income totalled £98,290 (2021: £79,084) during the year with expenditure of £60,665 (2021: £68,900). The market value of investments decreased during the year by £159,349 (2021: increased by £349,593). This resulted in net expenditure of £121,724 (2021: net income £359,777) during the year.

Investment Policy and Objectives

The charity has appointed Barratt and Cooke and JM Finn to manage the investments on a low-medium risk to provide income and grant giving.

Reserves Policy

The objective of the trustees is to maintain the capital funds in reserves so they can be invested to provide investment income to enable the charity to meet its objectives. As the trustees only make awards subject to investment income and reserves held, in effect the trustees regard all charity funds as free reserves. The charity has no ongoing commitment to any grant that cannot be satisfied from charity funds. That said the trustees endeavour to hold free cash reserves in excess of £20,000 at any point in time. At the year end total reserves were £2,200,105 (2021: £2,321,829) with no restricted reserves held at the year end (2021: £1,289). Free reserves amounted to £132,552 (2021: £85,731).

Plans for future periods

We are inviting submissions for 2023 for £5,000 from each junior school whilst continuing our support for Thetford Grammar School and other educational needs in Thetford.

Structure, governance and management

Governing document

The charity is governed by the provisions of the Scheme established in 1981 and last amended in July 2017.

Trustees

In May 2020, the trustees decided to incorporate a company to act as the sole trustee of the charity. Thetford Educational Trustee Limited was incorporated on 21 May 2020, with the trustees of the charity at that date also being members and directors of the limited company. On the 10 June 2020 Thetford Educational Trustee Limited was appointed as a corporate trustee of the charity and all other trustees resigned.

The directors of Thetford Educational Trustee Limited are as follows;

Mrs M E Eade (Chairman)

Mrs K Colborn (Vice Chairman)

Mr S McGrath

Mr J Pearson

Mr T Lamb (resigned 9 March 2022)

New directors and members of the corporate trustee are appointed at a meeting of the full member body following nomination and recommendation by two current members. The members serve for a term of 5 years and are eligible for re-election.

True and fair override

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Independent examiner

A resolution to reappoint Mark Proctor of Lovewell Blake LLP as independent examiner for the ensuing year will be proposed at the Annual General Meeting.

The trustee's annual report was approved on 19 April 2023 and signed on behalf of the board of trustees by:

Independent examiner's report to the trustee of Thetford Educational Foundation Trust

Year ended 31 August 2022

I report to the charity trustee on my examination of the financial statements of the charity for the year ended 31 August 2022 which comprise the statement of financial activities, balance sheet and the related notes.

Responsibilities and basis of report

As the charity's trustee you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

Thetford Educational Foundation Trust

Independent examiner's report to the trustee of Thetford Educational Foundation Trust *(continued)*

Year ended 31 August 2022

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the Charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Objectives and activities

The charity's objective is the giving of grants and bursaries that promotes the education of boys and girls in Thetford. The charity previously owned Thetford Grammar School, selling it in July 2017, and invested the sale proceeds in order to generate income to provide educational support to boys and girls in Thetford.

The trustees have had regard to the Charity Commission's guidance on public benefit.

Achievements and performance

The charity has continued and expanded its policy of grant making and bursary provision to a variety of Thetford Schools along with individual awards made to Thetford pupils attaining university placement. We were able to expand our grants this year to include seven junior schools in Thetford who each received £2,500. It is planned to continue in this vein.

Financial review

Income totalled £79,084 (2020: £55,791) during the year with expenditure of £61,934 (2020: £11,144). The market value of investments increased during the year by £342,628 (2020: investment fell by £84,613 mainly as a result of the Covid-19 pandemic). This resulted in net income of £359,778 (2020: net expenditure £39,966) during the year.

Investment Policy and Objectives

The charity has appointed Barratt and Cooke and JM Finn to manage the investments on a low-medium risk to provide income and grant giving.

Reserves Policy

The objective of the trustees is to maintain the capital funds in reserves so they can be invested to provide investment income to enable the charity to meet its objectives. As the trustees only make awards subject to investment income and reserves held, in effect the trustees regard all charity funds as free reserves. The charity has no ongoing commitment to any grant that cannot be satisfied from charity funds. That said the trustees endeavour to hold free cash reserves in excess of £20,000 at any point in time. At the year end total reserves were £2,321,830 (2020: £1,962,052) with restricted reserves included in this figure of £1,289 (2020: £22,468). Free reserves amounted to £85,731 (2020: £46,958).

Plans for future periods

The charity plans to increase the level of grants made post year end, whilst also expanding awards further to include junior schools in Thetford.

Structure, governance and management

Governing document

The charity is governed by the provisions of the Scheme established in 1981 and last amended in July 2017.

Trustees

In May 2020, the trustees decided to incorporate a company to act as the sole trustee of the charity. Thetford Educational Trustee Limited was incorporated on 21 May 2020, with the trustees of the charity at that date also being members and directors of the limited company. On the 10 June 2020 Thetford Educational Trustee Limited was appointed as a corporate trustee of the charity and all other trustees resigned.

The directors of Thetford Educational Trustee Limited are as follows;

Mrs M E Eade (Chairman)
Mrs K Colborn (Vice Chairman)
Mr T Lamb
Mr S McGrath
Mr J Pearson

New directors and members of the corporate trustee are appointed at a meeting of the full member body following nomination and recommendation by two current members. The members serve for a term of 5 years and are eligible for re-election.

True and fair override

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Independent examiner

A resolution to reappoint Mark Proctor of Lovewell Blake LLP as independent examiner for the ensuing year will be proposed at the Annual General Meeting.

The trustee's annual report was approved on 9 March 2022 and signed on behalf of the board of trustees by:

Thetford Educational Foundation Trust

Independent examiner's report to the trustee of Thetford Educational Foundation Trust

Year ended 31 August 2021

I report to the charity trustee on my examination of the financial statements of the charity for the year ended 31 August 2021 which comprise the statement of financial activities, balance sheet and the related notes.

Responsibilities and basis of report

As the charity's trustee you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the Charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Notes to the financial statements

Year ended 31 August 2021

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Friars Close, Castle Lane, Thetford, Norfolk, IP24 2ER.

2. Statement of compliance

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The accounts have been prepared on the going concern basis and the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected income and expenditure for the next 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern. The trustees have taken the impact of Covid 19 into account when reviewing going concern.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
