

Channing House Incorporated, Highgate
(Limited by Guarantee)

REPORT AND FINANCIAL STATEMENTS

For the year ended
31 August 2023

Company No: 00063121

Registered Charity No. 312766

Channing House Incorporated, Highgate

GOVERNORS, OFFICERS AND ADVISORS

To be presented at the Annual General Meeting of the company to be held at Channing School, The Bank, Highgate Hill, London N6 5HF on 14 March 2024.

GOVERNORS

The Board of Governors may appoint any member of the Association as a Governor, either to fill a casual vacancy or by way of addition to the board. All Governors are required to confirm that they will support the Unitarian traditions of the School. Except as otherwise indicated the following were Governors during the year and to the date of signing this report:

Mrs L Leigh*	FCA, BSc (Hons)(Manchester) (Chair)	(Appointed Chair 18 November 2022)
Ms C Peck	LLB (Bristol)	(Retired as Chair and as a Governor 18 November 2022)
Mr JAG Alexander *	FCA, BA and MA (London)	
Mr A Appleyard	BSc (Reading)	(Retired 16 March 2023)
Mrs J Burns	BA (Southampton)	(Retired 17 November 2022)
Mrs C Chandler-Thompson*	BA (Exeter)	
Rev D Costley	BA (Open University)	
Mrs L Cristie *	BA (Bristol)	
Mr R Hirji	MBA (Manchester)	
Mrs C Hulme-McKibbin	B.Ed (Cantab)	
Mr D Oliver	M Phil (Oxford)	
Mrs P Peck	MBA (Oxon)	
Mr S Prior	BSc (Hons)(Reading)	
Ms B Rentoul *	MA (Yale)	
Ms A Rentoul	BA (Hons) Oxford	(Appointed 24 March 2023)
Mr WJH Spears *	BA (SOAS), MBA	
Dr A Sutton	MB ChB	
Mr K Van der Sande	MA(Hons) Dip Arch RIBA	

* Members of the Finance and General Purposes Committee

MEMBERS OF ASSOCIATION

The Members of the Association, except as otherwise indicated, throughout the year were, in addition to the Governors listed above:

Mr SD Barber	BSc (Econ) FCA
Professor HG Beale	MA (Oxon)
Mrs D Bond	BA (Cantab)
Mr S M D Brown	BA (Dunelm)
Ms CEA Budgett-Meakin	BA (Kent)
Mr JM Burns	MA (Oxon)
Baroness J Coussins	MA (Cantab)
Baroness C Cox	MSc (Econ) PhD

GOVERNORS' REPORT

REFERENCE AND ADMINISTRATIVE INFORMATION

The School was incorporated in England and Wales on 27 July 1899 and is a company limited by guarantee, its members being members of the Association, having a liability not exceeding £5 each. The School was established under a Memorandum of Association which established the objects and powers of the charitable School and is governed under its Articles of Association. The company is a registered charity with charity number 312766 and company number 00063121. The Governors of the School, who are also the charity trustees and company directors, and the School's principal officers and advisers are listed on pages 1 and 2. Whenever Governors are referred to in this report this subsumes their roles as both charity trustees and company directors of Channing House Incorporated, Highgate within the meaning of Company Law.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Governors determine the general policy of the School. The day-to-day management of the School is delegated to the Headmistress and the Bursar. Governors determine the remuneration of key management personnel through a Remuneration Committee. In setting the remuneration of key personnel this committee takes note of national pay scales, individual performance and internal and external benchmarking as necessary.

There have been no transactions with the related parties of the School, with the exception of the key management personnel remuneration as disclosed in Note 4.

RECRUITMENT AND TRAINING OF GOVERNORS

Governors are appointed as vacancies arise. In making appointments Governors take into account Charity Commission guidance and the skills that are required by the School. Potential candidates who possess the requisite personal and specialist skills are identified, including through the use of specialist recruitment agencies, discussed by Governors and invited to become a Governor as appropriate.

New Governors are provided with information about the School and appropriate training and induction is arranged. On appointment, Governors are briefed on their responsibilities as Directors, Trustees and Governors. They are also encouraged to attend training courses on the roles of Governors run by The Association of Governing Bodies of Independent Schools (AGBIS). Governors are also given regular presentations by Heads of Department on specific curricular developments.

STATEMENT OF PROVISION OF INFORMATION TO AUDITORS

The Governors in office on the date of this report have confirmed, as far as they are aware, that there is no relevant audit information of which the charitable company's auditor is unaware. Each of the Governors has confirmed that they have taken all the steps that they ought to have taken as Governors to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

AUDITOR

RSM UK Audit LLP has indicated its willingness to continue in office.

PUBLIC BENEFIT

The Governors confirm that, to the best of their knowledge and belief, they have complied with the duty in the Charities (Accounts and Reports) Regulations 2008 in respect to having due regard to the public benefit guidance published by the Charity Commission.

The School provides public benefit in many ways. The School provides bursaries generally on entry to the School at Year 7 and Year 12. The School has a policy to make awards on the basis of ability to pay. Bursaries and concessions of £1,177,960, were given during the current year (2022: £1,051,476). The contribution is consistent with previous years.

Additionally, the School has continued to develop its partnership programme throughout the year. At the centre of the school's partnership is its relationship with Highgate Newtown Community Partners (HNCP) where they work closely with HNCP and Brookfield School to support other local schools under the umbrella of their Education Plus Programme. The Schools are currently working closely with 10 schools in total and in excess of 100 pupils per week attend clubs provided by Channing. In addition, Channing hosted its third successful Summer Camp in July for students from Partner Primary Schools. The School's partnership with HNCP also extends into the community and

Channing House Incorporated, Highgate

GOVERNORS' REPORT

throughout the year Channing has hosted monthly Community Teas as well as supporting lunch clubs in local venues. The School was also particularly pleased to be invited to support a comfort box programme for displaced families during the year.

Separately, the School is delivering a strong and mutually supportive partnership with St Aloysius College involving a number of joint activities and the sharing of resources and facilities. This also involves extending invitations to St Aloysius and other partner schools to attend workshops, training events and presentations from visiting speakers.

The School also makes available its facilities for use by the local community for sporting events and occasional conferences and meetings. The School is particularly supportive of girls' sport and provides its facilities for use both by Middlesex County, two local netball clubs and the local cricket club. The School's playing fields are also used by Hampstead Archery Club and the local community. The School generally makes its facilities available to local community groups for free or for a nominal charge.

OBJECTIVES AND ACTIVITIES

The School's principal purpose is to carry on a day School for girls. Pupils enjoy outstanding personal success at School and beyond, as a result of the School's holistic, balanced education. The School was inspected by the Independent Schools Inspectorate in June 2022 during which the quality of the School's academic and other achievements and the quality of the pupils personal development were both considered excellent. In addition it was considered that the School was compliant with the standards in the schedule to the Education (Independent School Standards) Regulations 2014, and relevant requirements of the statutory framework for the Early Years Foundation stage and associated requirements.

The School's success is achieved by a combination in equal measure of academic excellence, pastoral care and breadth of extra and co-curricular activities. The School's Unitarian ethos encourages its pupils to be intellectually curious, open-minded and respectful. Details of the School's strategic objectives to achieve this are provided in the Strategic Report that follows.

STRATEGIC REPORT

REVIEW OF ACHIEVEMENTS AND PERFORMANCE

During the year the School has continued to work towards achieving its published strategic objectives which support the School's mission. The objectives were introduced from September 2020 and cover the period 2020 to 2025. The School continues to make progress against these objectives.

Strategic Objectives 2020 to 2025

- 1. To provide an excellent and relevant education, free from undue pressure, that inspires all pupils to achieve their full potential.** The School continued to deliver excellent academic results in 2023. These were the second exams which were undertaken under exam conditions since 2019 and no allowances were made for the impact of COVID. In Summer 2023 83.1 % (2022:87.1%) of pupils gained A*-B grades at A level and the percentage of all GCSE results graded 9/8/7 was 85% (2022:85.2%) of which 64 % (2022: 68.3%) gained grades 9/8 at GCSE.
- 2. To support personal development which puts wellbeing at the heart of our pastoral provision.** The School continues to develop its provision for pastoral care, further developing the support which the School can provide to support pupil Mental Health. The School now uses CPOMS to support the provision of pastoral care as well as Tooled Up which provides research based pastoral support for pupils and parents. The School has also significantly enhanced the opportunities for pupil leadership at both the Senior and Junior Schools with a full review of Sixth Form responsibilities. The Channing Characters developed at the Junior School are now firmly embedded in the school life of the Junior pupils. Careers education and guidance as well as preparation for University in the UK and overseas remains an area of focus across the School and it has been pleased to welcome a wide selection of eminent speakers throughout the year. The School also welcomes students from local schools to share in these opportunities.
- 3. To embrace modern technology and use it as a means to enhance pupils' independence as learners to**

Channing House Incorporated, Highgate

GOVERNORS' REPORT

prepare them for the future. The School continues to invest in and embrace new technology, recognising the opportunities it provides to enhance independence and collaboration amongst students and enhanced efficiency in the wider operation of the School. The School completed a Strategic Review of its Digital provision during the year and is now implementing the new strategy across the School. The initial phases of this implementation are focused on ensuring that the whole community has the right skills to optimise the use of technology in the School. The School also remains aware of the risks that technology can present to young people and continues to address this through educating pupils and by supporting parents including offering digital safety information events. In addition to combat this the School has put in place the necessary policies and safeguards around the use of technology in School.

- 4. To provide a secure, safe and healthy environment.** The School continues to put pupil safeguarding and the safety of its surroundings at the heart of the School's operation, ensuring that staff and pupils are aware of the strategies and procedures in place to minimise the risk to pupils. The School has also implemented a new pastoral structures during the year providing greater capacity in this key area. Safeguarding provision continues to be kept under review to reflect developments in the School as well as legislative changes. The School also continues to develop its well-being strategies for both pupils and staff.
- 5. To develop further opportunities for Science, Technology, Engineering & Maths (STEM).** The development of STEM is recognised as an ongoing priority for the School across all Key Stages and is reflected in the School making additional resources available to develop STEM provision within the School. The School recently reviewed its Science curriculum providing greater choice to students at GCSE. The School is always seeking new ways to supplement the core STEM curriculum with extra curricular provision which now includes a wide range of clubs and activities including Robotics, Design and Technology and the CREST Awards. A level Computer Science is now firmly embedded in the curriculum.
- 6. To manage the School's resources effectively and to ensure that the School can continue to attract the brightest students.** As a result of exercising sound control over the School's finances, the School has been able to continue to invest in improving facilities both at the Senior and Junior School. The School is now developing plans to deliver the outcome of its strategic review of its estate and facilities.
- 7. To recognise and promote our social responsibility.** The School is aware of its social responsibility to both the local and wider communities. The School continues to develop links with the local community including Highgate Newtown Community Partners and a number of local Schools including Brookfield Primary School and St Aloysius College. The volume of partnership work continues to increase and plans are in place to continue to develop this part of our provision. This objective also includes the School's wider commitment to sustainability. The pupils at both the Junior and Senior School are increasingly active at promoting sustainability initiatives in the School including Clean Air Days, meat free days and also striving to improve our recycling rates. The School was also awarded the Green Flag (with distinction) this year. The School continues to work to identify its carbon footprint with a view to developing a net zero carbon strategy for the School.

Review of other achievements

The School continues to support a very large number of charitable and cultural activities. In particular it makes a significant contribution to the community through many local activities including musical and sporting events as well as participating in local sporting and community events. The Young Enterprise scheme and the Duke of Edinburgh Award programme continue to enjoy significant popularity and the Forest School learning programme has been further developed in the Junior School and forms a core part of the curriculum.

Additionally during the year the School raised funds both directly and via Just Giving for its chosen charities of The Alexandra Wylie Tower Foundation, Young Womens Trust, Young Roots, Save the Children and Red for Ruth among others. The total raised for charities during the year was £14,049.

FINANCIAL REVIEW

The Statement of Financial Activities on page 14 shows net income of £3,539,400 (2022: £3,305,100).

The result for the year and the year end financial position of the School is considered satisfactory and is consistent with the School's planned target.

During the year capital expenditure of £36,400 (2022: £1,141,500) was incurred.

Channing House Incorporated, Highgate

GOVERNORS' REPORT

The Balance Sheet on page 15 shows net current assets of £7,146,400 (2022:£5,112,800). The significant increase in the School's net current asset position is attributable to the net income generated during the year.

DONATIONS

Income for the year includes £2,700 (2022: £4,800) of restricted Donations, all of which were attributable to the development of new Sport, Sixth Form, Music and Performing Arts facilities, and the Junior School redevelopment.

During the year the School has not undertaken any significant fundraising activities and no third party fundraisers have been engaged.

FUTURE PLANS

The Governors have agreed to continue to develop the School in line with the strategic objectives above which all build on the overall aim that Channing pupils should enjoy success at School and beyond.

FUNDS HELD

Notes 10 and 11 to the financial statements sets out an analysis of the School's restricted and unrestricted funds of £484,600 (2022: £487,700) and £29,305,100 (2022: £25,762,700) respectively and their attributable assets and liabilities. These net assets are sufficient to meet the obligations on a fund by fund basis. The School's tangible assets are all held for use in the School.

It is the School's long term policy to build and maintain the School's free reserves, though the Governors recognise that achieving any material increase in free reserves will not be possible whilst the School has bank loans to repay and continues to develop its buildings and facilities for the benefit of current and future generations of pupils. With this in mind, rather than set a specific target for free reserves, when considering the School's available reserves, Governors take into account the long term bank facilities/loans in place but undrawn at the year end and creditors falling due in more than one year. Creditors falling due in more than one year comprise the funds held in respect of final term deposits and advance fees, and long term bank loans drawn down.

Taking account of the above definition of the School's free reserves, the free reserves at the year end comprise the sum of the School's confirmed bank loan facilities undrawn plus net current assets. On this basis at the year end the School's free reserves were around £7,100,000 (2022: £7,600,000).

Substantial sums have been invested into the School over recent years and Governors have authorised a continuing programme of refurbishment, development and investment in order to maintain and enhance the facilities for pupils. Whilst this programme is continuing and the long term bank loans are being repaid, the School is unlikely to be in a position to build up free reserves on a long term basis.

The Governors consider that, given the strength of the School's balance sheet, forecast net income for the year to 31 August 2024 and the market value of the School's property, which is not currently reflected in the reserves, the School's level of reserves at the year end are satisfactory. This assessment reflects the intention of the governors to continue to develop the School estate and facilities and the nature of its creditors falling due in more than one year. Additionally, Governors ensure robust budgeting, cash flow monitoring and risk profiling are exercised to ensure the School can meet its ongoing educational needs and continue to invest in its estate and facilities. The Governors are satisfied that the School has sufficient available cash and borrowing facilities to meet its strategic objectives.

Restricted Funds

Scholarship, Prize and Bursary Funds

This represents bequests and donations received by the School, which are subject to the specific wishes of the donor. These funds are matched by investments. Movement in the fund during the year comprised donations, investment income and interest. The investment income and interest is used to fund Scholarships and Bursaries for pupils attending the School.

Channing House Incorporated, Highgate

GOVERNORS' REPORT

School Development Fund

Incorporated within the School Development Fund is "The Capital Challenge" fundraising programme. This programme was launched in 2013 to raise funds to build a new Sports Hall and Sixth Form Centre and a new Performing Arts facility. The School is no longer actively promoting fundraising for The Capital Challenge, though donations continue to be received and credited to this fund. In addition, funds raised towards the Junior School redevelopment are also credited to this fund.

Funds credited to this fund are transferred to Unrestricted Funds when the restriction placed on the income received has been discharged.

The restriction placed on the funds received in respect of both The Capital Challenge fundraising programme and in respect of the Junior School redevelopment have been discharged as the expenditure has been incurred and capitalised within fixed assets. The funds received in respect of both The Capital Challenge and Junior School redevelopment have therefore been transferred to Unrestricted Funds.

Channing Alumnae

The Channing Alumnae Fund is a restricted fund of the School held for the purpose of promoting School alumnae. The fund is used to promote communication between the School and alumnae and also amongst alumnae. A number of reunion events are also held throughout the year. The Channing Alumnae fund is managed by the Alumnae Committee, and an appropriate balance maintained.

Channing Association

The Channing Association is a restricted fund of the School for the purpose of fostering support for the School from the wider Channing community including current and former parents and friends of the School. The Channing Association organises social events for both parents and pupils and also helps support a number of School events during the year. The Association also undertakes occasional fundraising for the School, but this is incidental to its core purpose. The Channing Association has its own committee structure, which determines both its activities and expenditure for the year. The Channing Association fund is managed by the Channing Association committee and an appropriate balance maintained.

Unrestricted Funds

The Governors intend to maintain undesignated unrestricted funds at a level appropriate to meet the School's ongoing working capital requirements.

The School's funds continue to be reviewed annually by the Governors in the context of the School's needs and obligations and future plans.

INVESTMENTS

The Governors have agreed that investments are held to create income to help fund the Scholarships and Bursaries awarded. Investments are held in a mixture of listed investments and cash deposits and are managed and benchmarked appropriately so as to maintain their contribution whilst preserving the real value of the investments. Governors have taken account of the ethical considerations of the investments held and adopted a low risk approach, such that the vast majority of the School's listed investments are held in recognised charity funds. During both the current and the previous year, no additional cash deposit investments were received in respect of restricted funds. The market value of the School's investments have decreased by £11,200 during the year (2021: increased by £48,100).

RISK MANAGEMENT

The School maintains a comprehensive risk register which is regularly reviewed and is presented to the Governors at every meeting. The School developed a new approach to risk management during the year and undertook a fundamental review of both its approach to risk management and the major risks facing the School. The Governors will continue to routinely consider both the major risks and other possible risks facing the School and the probability of the risks arising. They are assisted in this regard by the Headmistress, Bursar and other members of the School's Senior Leadership Team. General controls used by the Governors to identify and assess risks during the year include:

- Formal agenda items for Governors' Committee meetings
- Regular review of the School's Risk Register which is reviewed termly by the Governing Body

Channing House Incorporated, Highgate

GOVERNORS' REPORT

- Sub Committees to oversee key areas of School activity including education, estates, and finance. Ad hoc Committees are also established from time to time to review specific aspects of School activity including such areas as the appointments of new governors and the School's pension arrangements for staff.
- Comprehensive strategic planning, budgeting and management accounting
- Established organisational structure and lines of reporting
- Formal authorisation and approval levels for financial transactions and approval of contracts
- Regular Health and Safety and Safeguarding reviews and inspections
- Maintaining appropriate insurance
- Regular Inspection by the Independent Schools Inspectorate

Through the above risk management processes, the Governors are satisfied that major risks are identified and as far as practicable adequately mitigated. It is recognised that systems can only provide reasonable, but not absolute, assurance that major risks have been adequately managed.

The main risks that the Governors have identified and the plans to manage those risks are:

Reputational

A risk to the reputation of the School brand such that there is a material impact on current and future pupil numbers and the ability of the School to attract high quality staff. In order to manage this risk, the School ensures that its policies for recruitment, safeguarding and Health and Safety put pupil safety and wellbeing at the heart of the School and that compliance with these policies is checked on an ongoing basis by the Leadership Team and the Governors. The school also ensures that it engages with pupils and parents to ensure that any Special Educational Needs (SEN) and English as an Additional Language (EAL) needs are identified and that appropriate support is put in place. A comprehensive training programme for staff, ongoing monitoring and management of policies and a culture of openness and trust between pupils and staff are also intended to safeguard against this risk. In addition the School ensures that the Governors exercise oversight over all of these important issues

Loss of the financial benefits of charitable status

The independent education sector does not currently enjoy strong political support from any political party, despite the efforts of the Independent Schools Council (ISC) and member Schools to demonstrate the financial and other benefits to the economy independent schools provide. These benefits include reducing the overall costs of educational provision to the Exchequer, local employment of staff and the generation of overseas earnings. The sector also provides significant amounts of Public Benefit in the form of bursaries and also where independent schools work alongside and partner with maintained schools and other local organisations. The Labour Party are actively considering introducing measures that would result in additional costs or taxes on the sector in order to raise money for the Exchequer, including the payment of Corporation Tax, the loss of Charitable Business Rate Relief and the payment of VAT on fees. In order to mitigate this risk and identify the potential financial impact such measures would have, the School continues to undertake its own internal risk modelling. The School recognises that there are some limited measures it can undertake to reduce its cost base, or increase its income to mitigate against the risk of increased taxation. The scope for such measures would not fully offset the impact of some of the measures being proposed if the School felt unable to pass on the costs to fee payers due to the potential impact on pupil numbers. In these scenarios the financial viability of the School and its ability to meet current legal and financial commitments would need careful consideration and if necessary appropriate action taken. In order to mitigate against the current lack of political support, the School will continue to work with the ISC, GSA, IAPS and HMC to articulate clearly the Public Benefit the School provides and to identify further opportunities to demonstrate this to politicians and the public both locally and nationally.

Digital risks

Channing House Incorporated, Highgate

GOVERNORS' REPORT

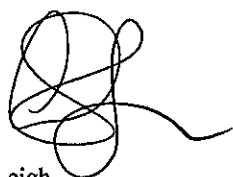

There is a risk that with an increasing reliance on digital technology in all areas of the School, insufficient investment in system integrity, system security and resilience, training or human error makes the School increasingly susceptible to a cyber attack. The School considers that such a risk might result in the School operations being severely impacted which in turn would jeopardise the School's ability to effectively educate pupils and to support the wider activities of the School. The School manages this risk by continuing to update and invest in the School's information systems to ensure that they meet the School's needs and to provide enhanced resilience. The School also continues to educate staff, pupils and Governors how to use digital technology safely and effectively.

The School is also aware that it must continue to ensure that its digital provision is kept up to date such that the School can maintain its excellent provision of teaching and learning and to further improve the School's efficiency. The School is currently implementing its new Digital Strategy to ensure that its digital provision is consistent with the School's longer term strategic objectives. The first step in this process is to ensure that staff, pupils, parents and Governors are all given the right skills to optimise their use of the School's digital provision in a safe and effective manner.

Financial Risk

In addition to these risks, the School must also ensure that the School remains financially viable. Financial stability is a key priority for the School. In particular the School must generate sufficient cash flow to provide adequate resources to ensure a safe, secure and engaging educational environment, to meet loan obligations and to continue investing in the School's facilities and estate. This risk is managed by ensuring sound long term planning with clear and challenging financial targets which not only consider the operation of the School, but also the wider context in which the School operates. Governors with significant financial and business experience provide oversight of the School's finances alongside the Finance Committee which reviews the detailed finances of the School at least termly drawing on external advice as required. The School continues to be vigilant in assessing the impact of identified risks on the School's finances. This has included modelling various scenarios as part of the School's financial planning. In particular, measures that the School keeps under consideration in order to mitigate this risk include changes to the School's provision and the associated cost implications, cost savings, reductions in staffing and deferring or cancelling planned programmes of both revenue and capital investment.

The Governors' Report and the Strategic Report incorporated within it were approved by the board of Governors (in their role as directors) and signed on its behalf by

Channing House Incorporated, Highgate

GOVERNORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The Governors are responsible for preparing the Governors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Governors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Governors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Channing House Incorporated, Highgate

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS

Opinion

We have audited the financial statements of Channing House Incorporated, Highgate (the 'charitable company') for the year ended 31 August 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Governors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Governors' Report other than the financial statements and our auditor's report thereon. The Governors are responsible for the other information contained within the Governors' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' Report, which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and

Channing House Incorporated, Highgate

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS

- The Directors' Report and the Strategic Report included within the Governors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report or the Strategic Report included within the Governors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Governors

As explained more fully in the Statement of Governors' responsibilities set out on page 10, the Governors (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory framework that the charitable company operates in and how the charitable company is complying with the legal and regulatory framework;

Channing House Incorporated, Highgate

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS

- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, Charities SORP (FRS 102), Companies Act 2006, Charities Act 2011 and the charitable company's governing document. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing the financial statements including the Governors' Report and remaining alert to new or unusual transactions which may not be in accordance with the governing documents.

The most significant laws and regulations that have an indirect impact on the financial statements are The Education (Independent School Standards) Regulations 2014, Keeping Children Safe in Education under section 175 of the Education Act 2002, and the UK General Data Protection Regulation (UK GDPR). We performed audit procedures to inquire of management and those charged with governance whether the charitable company is in compliance with these laws and regulations and inspected correspondence with regulatory authorities.

The audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments, evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business and challenging judgments and estimates.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Channing House Incorporated, Highgate

ACCOUNTING POLICIES

For the year ended 31 August 2023

BASIS OF FINANCIAL STATEMENTS

The accounts of the School are prepared in accordance with the Companies Act 2006, and with the Charities Statement of Recommended Practice ('SORP (FRS102)' effective 1 January 2019) and Financial Reporting Standard 102. The accounts are drawn up on the historical accounting basis except that investments held as fixed assets are carried at market value. The School meets the definition of a public benefit entity under FRS102.

The financial statements are prepared in sterling, which is the functional currency of the School. Monetary amounts in these financial statements are rounded to the nearest thousand pounds.

GOING CONCERN

The nature of the School's activities is such that fee income represents the majority of the School's income. Fee income is billed and received one term in advance. Forecasts are produced taking account of the timing and quantity of fee income, likely expenditure profile. These forecasts are provided to the Governors. On this basis no material uncertainties that may cast significant doubt about the ability of the School to continue as a going concern have been identified by the Governors. Therefore, the Governors have concluded to prepare the accounts on a going concern basis.

CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

In the application of the accounting policies, where the value of assets and liabilities are not readily apparent from other sources, accounting estimates and judgements are made based on historical experience and other factors, including future expectations, which are considered to be reasonable in the circumstances.

The estimates and underlying assumptions concerning the future are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised. Accounting estimates and assumptions, will, by definition, seldom equal the actual results.

DONATIONS, LEGACIES, GRANTS AND OTHER VOLUNTARY INCOME

Voluntary income is accounted for as and when entitlement arises, the amount can be reliably quantified and the economic benefit to the School is considered probable.

Voluntary income for the School's general purpose is accounted for as unrestricted and is credited to Retained Income.

Where the donor or an appeal has imposed restrictions, voluntary income is credited to the relevant restricted fund.

FEES RECEIVABLE AND SIMILAR INCOME

Fees receivable comprise fees charged to pupils net of Scholarships, Bursaries and allowances, and are accounted for in the year in which the service is provided.

Pupils joining the School are required to pay a deposit which is then applied against the pupil's final term's fee bill. Reasonable assumptions are made regarding the time pupils will remain with the School in assessing when the deposits held will be applied to offset the pupil's fees for their final term.

EXPENDITURE

Expenditure is accrued as soon as a liability is considered probable. Expenditure attributable to more than one cost category in the Statement of Financial Activities is apportioned on the basis of the activities staff are involved in. Certain costs are netted off against related income when it is appropriate to do so.

The School is not registered for Value Added Tax. All expenditure is therefore included in the expense category to which it relates inclusive of any Value Added Tax.

TANGIBLE FIXED ASSETS

Land and buildings are carried in the balance sheet at original cost less accumulated depreciation as the

Channing House Incorporated, Highgate

ACCOUNTING POLICIES

For the year ended 31 August 2023

Governors consider that it is not appropriate to incur the expense of obtaining valuations of such assets. The cost of new buildings is added to fixed assets although repairs, alterations and improvements that do not materially enhance the economic benefit of the buildings are expensed as incurred; such costs are often substantial. Costs incurred in arranging long term debt to fund material additions to the School's land and buildings are included in fixed asset additions. The insured value of the School's assets is shown in note 5.

Furniture and teaching equipment are expensed in the period of acquisition. Such items will generally cost less than £18,000 per individual item and will include computers, equipment, furniture and ancillary items.

DEPRECIATION

Depreciation is calculated by reference to the cost of fixed assets using a straight line basis at rates considered appropriate having regard to the expected lives of the assets. Depreciation is not provided on freehold land.

The annual rates of depreciation in use are:

Freehold buildings (including landscaping)	1% - 5%
Buildings in the course of construction	Nil
Plant, Equipment, Fixtures and Fittings	10% - 33.3%
Motor Vehicles	25%

Governors have considered the impairment of those freehold buildings with an estimated useful life of over 50 years and are satisfied, having considered both realisable value and value in use, that the buildings have not been materially impaired.

INVESTMENTS

Investments are initially recognised at cost. They are held as fixed assets to provide an investment return and are stated in the balance sheet at their open market value as at the balance sheet date. Any resulting unrealised gain or loss is taken to the fund to which it relates.

FUNDS

The funds of the School are segregated between:

(i) Restricted Funds

- **Scholarship, Prize and Bursary Funds**
The School receives some of its income primarily for the provision of Scholarships, Bursaries and Prizes. This income is credited directly to the relevant fund account. All expenditure in relation to this income is charged directly to the relevant fund account.
- **School Development Fund**
Incorporated within the School Development Fund is "The Capital Challenge" fundraising programme. This programme was launched in 2013 to raise funds to build a new Sports Hall and Sixth Form Centre and a New Performing Arts Facility. The School is no longer actively promoting fundraising for the Capital Challenge, though donations continue to be received and credited to this fund. In addition, funds raised towards the Junior School redevelopment are also credited to this fund. Funds credited to this fund are transferred to Unrestricted Funds when the restriction placed on the income received has been discharged. The restriction placed on the funds received in respect of both The Capital Challenge fundraising programme and in respect of the Junior School redevelopment have been discharged as the expenditure has been incurred and capitalised within fixed assets. The funds received in respect of both The Capital Challenge and Junior School redevelopment have therefore been transferred to Unrestricted Funds.
- **Channing Alumnae**

Channing House Incorporated, Highgate

ACCOUNTING POLICIES

For the year ended 31 August 2023

The Channing Alumnae Fund is a restricted fund of the School for the purpose of promoting School alumnae. The fund is used to promote communication between the School and alumnae and also amongst alumnae. A number of reunion events are also held throughout the year. The Channing Alumnae fund is managed by the Alumnae committee.

- **Channing Association**
The Channing Association is a restricted fund of the School for the purpose of fostering support from the wider Channing community including current and former parents and friends of the School. The Channing Association organises social events for both parents and pupils and also helps support a number of School events during the year. The Association also undertakes occasional fundraising for the School, but this is incidental to its core purpose. The Channing Association has its own committee structure, which determines both its activities and expenditure for the year.

(ii) Unrestricted Funds

- **Retained Income**
The School seeks to maintain undesignated unrestricted funds at a level appropriate to meet the School's ongoing working capital requirements.

FINANCIAL INSTRUMENTS

The School only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. As such, financial instruments are initially recognised at transaction value and subsequently measured and held at amortised cost using the effective interest rate method.

Financial assets comprise cash at bank and in hand together with debtors less prepayments and are recognised when the School becomes contractually entitled to receive cash or other financial assets from a third party.

Financial liabilities comprise creditors falling due both within and after one year excluding deferred income and other tax and social security liabilities and are recognised when the School incurs a legal or constructive obligation to deliver cash or another financial asset to a third party.

All financial instruments are held for the sole purpose of managing the cash flow of the School on a day-to-day basis or arise from normal operating activities.

PENSION COSTS

Retirement benefits for most teachers of the School are provided by the Teachers' Pension Scheme (TPS). The TPS is a multi employer defined benefit pension scheme. It is not possible to identify the School's share of the underlying assets and liabilities of the Scheme. Accordingly, as required by FRS102, the School has accounted for its contributions to the Scheme as if it were a defined contribution scheme.

The School also operates defined contribution schemes for other staff. Contributions to these schemes are charged to the Statement of Financial Activities in the year in which they are incurred.

OPERATING LEASES

Rental payments on operating leases are charged to the Statement of Financial Activities on a straight-line basis over the life of the lease.

Channing House Incorporated, Highgate

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2023

1 CHARITABLE ACTIVITIES – SCHOOL FEES RECEIVABLE

Fees receivable are stated net of Scholarships and Bursaries awarded and allowances given. Scholarships, Bursaries and allowances totalled £1,742,418 (2022: £1,555,782).

Channing House Incorporated, Highgate

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2023

5 TANGIBLE FIXED ASSETS (Continued)

Freehold land and buildings include an estimate by the Governors of the original cost of the land and buildings at £56,000 (2022: £56,000) of which £18,000 is estimated to be the original cost of the land. The School's buildings (excluding the value of freehold land) have been valued at £19,000,000 for insurance purposes. The Governors believe that the value of the School's land, comprising just under 3 hectares in North London, is very significantly in excess of its original cost.

6 INVESTMENTS	2023 £'000	2022 £'000

Cash deposits	216.7	215.9
	484.6	487.6
The School had investment holdings of greater than 5% of overall market value in the following:		
Charities Official Investment Fund	206.0	210.1
J.P. Morgan UK Strategic Equity Income Fund	31.4	30.5
M&G Equities Investment Fund for Charities	23.3	24.6

7 DEBTORS

Fees receivable	9.3	61.5
Other debtors *	14.9	14.5
Prepayments and accrued income	604.5	365.0
	628.7	441.0

* Included in other debtors is £6,108 (2022: £7,880) falling due in more than one year

Channing House Incorporated, Highgate

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2023

8	CREDITORS: Amounts falling due within one year	2023 £'000	2022 £'000
	Advanced Fees received 1 year in advance (see Note 9(a))	4,877.7	4,792.5
	Other Fees received in advance	1,178.4	1,075.6
	Bank Loans repayable within 1 year (see Note 9 (c))	487.9	535.1
	Other taxes and National Insurance contributions	261.4	269.5
	Trade Creditors	573.2	358.5
	Other creditors	195.3	186.0
	Trips	116.8	84.6
	Accruals	730.1	1,411.2
		<u>8,420.8</u>	<u>8,713.0</u>
9	CREDITORS: Amounts falling due after more than one year		
	Advanced fees (see Note 9(a))	2,000.9	3,499.7
	Final term deposits (see Note 9(b))	2,742.6	2,441.0
	Bank loans (see Note 9(c))	2,863.1	4,132.8
		<u>7,606.6</u>	<u>10,073.5</u>
9 (a)	Advanced fees		
	Parents are offered the opportunity to pay tuition fees in advance. Certain parents have taken advantage of this offer and have entered into an arrangement with the School to pay tuition fees in advance. Advance Fee payments are paid direct to the School and may be returned, subject to specific conditions, on the receipt of one term's notice. Assuming pupils will remain with the School the amounts held in respect of fees falling due in more than one year will be applied to offset tuition fees as follows:		
	Fees due in 1 – 2 years	1,922.2	3,279.8
	Fees due in 2 – 5 years	78.7	219.9
		<u>2,000.9</u>	<u>3,499.7</u>
	Fees due within 1 year (see Note 8)	4,877.7	4,792.5
		<u>6,878.6</u>	<u>8,292.2</u>
	The movements during the year were as follows: -		
	Balance at 1 September	8,292.2	8,990.5
	Amounts received (net of refunds) during the year	3,378.9	3,602.1
	Amounts utilised in payment of fees	(4,792.5)	(4,300.4)
	Balance at 31 August	<u>6,878.6</u>	<u>8,292.2</u>

Channing House Incorporated, Highgate

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2023

9 (b) Final Term Deposits

All new pupils are required to pay a deposit which is then applied against the pupil's final term's fee bill. Applying reasonable assumptions regarding the time pupils will remain with the School the deposits held will be applied to offset fees for their final term as follows: -

	2023	2022
	£'000	£'000
Deposits due to be refunded in 1 – 2 years	484.8	356.0
Deposits due to be refunded in 2 – 5 years	682.0	609.1
Deposits due to be refunded in more than 5 years	1,575.8	1,475.9
	<hr/>	<hr/>
	2,742.6	2,441.0
	<hr/>	<hr/>

9 (c) Bank Loans

Bank Loans are repayable as follows as follows: -

Repayments within 1 – 2 years	381.6	557.2
Repayments within 2 – 5 years	1,241.1	1,419.3
Repayments in more than 5 years	1,240.4	2,156.3
	<hr/>	<hr/>
	2,863.1	4,132.8
Repayments within 1 year (see Note 8)	487.9	535.1
	<hr/>	<hr/>
	3,351.0	4,667.9
	<hr/>	<hr/>

As at the 31 August 2023 the School has drawn down bank loan facilities totalling £7.5m to part fund the construction of the new Sports Hall and Sixth Form Centre, and the Performing Arts Building. These facilities are secured on the School's freehold land and buildings. Of the £7.5m loan facilities drawn down:

- £1m was converted to a fixed term loan repayable over 10 years commencing on 29 August 2014 at an interest rate fixed at 4.47% p.a. for the duration of the loan.
- £2m was converted to a fixed term loan repayable over 15 years commencing on 1 December 2015 at an interest rate fixed at 4.73% p.a. for the duration of the loan.
- £1.1m was converted to a fixed term loan repayable over 15 years commencing on 29 August 2015 at a variable interest rate of 2.0% p.a. above the Base Rate. This loan was subsequently, on 16 October 2016, converted to a fixed term loan repayable over 14 years at an interest rate fixed at 3.4% p.a. for the duration of the loan.
- £2.4m was drawn down on 20 December 2017 as a fixed term loan repayable over 15 years at an interest rate fixed at 3.64% p.a. for the duration of the loan.
- £1m was drawn down on 30 June 2020 as a fixed term loan repayable over 12 years and 7 months at a variable interest rate of 2% over Base Rate for the duration of the loan. This loan was repaid on 12 December 2022.

Channing House Incorporated, Highgate

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2023

10	RESTRICTED FUNDS	Balance 31 August 2022 £'000	Incoming resources £'000	Resources expended £'000	Transfers £'000	Loss on revaluation of investments £'000	Balance 31 August 2023 £'000

* This transfer relates to donations received for the purpose of developing the Sports Hall, Sixth Form Centre, Music and Performing Arts facilities at the Senior School and the Junior School redevelopment. The restriction placed on the income received has been discharged in that expenditure has been incurred and capitalised within fixed assets. Consequently, the funds were transferred to unrestricted funds.

A description of each restricted fund and its use can be found on page 6.

11	FUNDS - ALLOCATION OF NET ASSETS	Tangible fixed assets £'000	Investments £'000	Net current Assets £'000	Creditors falling due after more than 1 year £'000	2023 Total £'000

*Included in Restricted Funds are cumulative unrealised gains of £237,626 (2022: £241,430).

Channing House Incorporated, Highgate

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2023

12 SHARE CAPITAL

The company is limited by guarantee and has no share capital, members having a liability not exceeding £5 each.

13 PENSION COMMITMENTS

a. Teachers

Teachers are members of the Teachers' Pension Scheme England and Wales (TPS). This scheme is a multi-employer, statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Scheme Regulations 2014. Membership is automatic for full-time teachers and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract. Teachers are able to opt out of the TPS.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

As the TPS is a multi-employer pension scheme, the School is unable to identify its share of the underlying assets and liabilities of the scheme.

Accordingly, the School has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined-contribution plan. The School has set out within this note the scheme information available and the implications for the School in terms of the anticipated contribution rates.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education in April 2019. The valuation reported total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218 billion, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £198 billion giving a notional past service deficit of £22 billion.

As a result of the valuation, new employer contribution rates were set at 23.68% of pensionable pay (including a 0.08% employer administration charge) from September 2019 onwards. This compares to 16.48% previously.

During the year the employee contribution rate ranged between 7.4% and 11.7% depending on a member's salary.

A copy of the valuation report and supporting documentation is on the [Teachers' Pensions website](#).

The pension charge includes employer contributions payable to the scheme, which amounted to £1,368,907 (2022: £1,308,073). As at 31 August 2023 there were outstanding contributions payable to the scheme of £165,280 (2022: £155,834) included in other creditors. The contributions of the School represent a minor proportion of the payments into the scheme.

Channing House Incorporated, Highgate

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2023

b) Other staff

The School also operates defined contribution schemes for other staff. The assets of these schemes are held separately from those of the School in funds administered by insurance companies. The pension cost charge represents contributions payable in respect of these schemes and amount to £278,660 (2022: £230,713). £25,183 (2022: £20,162) included in other creditors was payable to these schemes at the year end.

14 COMMITMENTS

As at 31 August the School had the following capital commitments:

	2023 £'000	2022 £'000
Authorised and contracted for	NIL	NIL

15 OPERATING LEASE ARRANGEMENTS

As at 31 August the School had minimum lease payments under non-cancellable operating leases, in aggregate, as follows: -

	Buildings £'000	Equipment £'000	2023 £'000	2022 £'000
Amounts payable:-				
Within one year	2.8	27.3	30.1	93.1
Within 2-5 years	-	102.4	102.4	-
	<u>2.8</u>	<u>129.7</u>	<u>132.5</u>	<u>93.1</u>
2022:	<u>2.8</u>	<u>90.3</u>		

16 RELATED PARTY TRANSACTIONS

There were no transactions with related parties during the year to 31 August 2023 or during the year to 31 August 2022 and there were no balances outstanding at the previous or current year-end.

No member of the Association or Board of Governors received any remuneration or other benefits from the School. Five (2022: three) Governors were reimbursed travelling and incidental expenses totalling £1,352 (2022: £1,270). The insurance premium paid by the School includes an element of cover for 'directors' (Governors).
