## **About the work of the Maru a Pula Trust**

Founded in Botswana in 1972, Maru-a-Pula School was established as a non-profit trust, built on 50 acres of land donated by the Botswana Government. The founding Head launched the school based on multiracial ideals, with community outreach as a core principle. The school aims to nurture students who are deeply committed to helping their communities, both locally and globally. Maru-a-Pula is a co-educational, independent day and boarding secondary. Around 70% of students are from Botswana, a significant number of whom are on some form of scholarship or bursary.

The UK Maru a Pula Trust was registered with the Charities Commission in 1971, one year before the school was opened. In 2012 a new group of trustees were appointed with a focus on raising funds for Maru-a-Pula's Orphan and Vulnerable Children Scholarship Fund.

The Maru-a-Pula OVC Scholarship Program was established in 2005 to provide opportunities for local children who have been impacted by the effects of HIV/AIDS and poverty. The OVC Programme now provides full scholarships to orphans and vulnerable children who demonstrate the academic ability but who cannot afford the costs of a Maru-a-Pula education. OVC Scholars come from minimum wage households therefore the OVC Scholarship is comprehensive and provides for all the child's needs. The scholarship covers tuition, boarding, all meals, uniform and clothing, medical expenses, stationery and other living expenses. Students from all over Botswana have been recipients of the OVC Scholarship and alumni of the scholarship have gone on to study at tertiary level around the world. There are currently 26 students on OVC Scholarships at Maru-a-Pula (January 2025).

The UK Maru a Pula Trust has a bank account with Barclays. Donations are also made through CAF Bank (charity Aid Foundation) and the charity giving platform Wonderful.org

Donations through CAF Bank and Wonderful.org are paid directly into our Barclays account.

## **Receipts and Payments**

It has been an active year for the UK MaP Trust with two successful London based reunions and another year of solid donations.

Our reunions have been an effective method of connecting with the growing network of UK based alumni. We are increasingly attracting more recent MaP alumni to these events possibly due to the increase of Batswana students coming to study in the UK but also due to the encouragement of the MaP Development office. Our most recent reunion in September 2024 saw a record attendance of over twenty alumni.

The UK MaP Trust made its annual transfer of funds to MaP in July with a total of £21 000 sent over to Botswana. A further donation to Trust after this transfer means we now have a balance of just over £4700 in our account. All funds donated to the Trust are allocated to the OVC Scholarship Fund in accordance with the aims of the UK MaP Trust.

We look forward to another successful year in 2025.

## **Receipts and Payments**

2023 has been a particularly good year for the Trust with a total of £31, 368 being deposited into our Barclays account. This represents a significant increase in income from recent years. A former employee of Capital Group together with

the company's matching gift scheme, continues to be our major source of income. In March 2023 the Principal of Maru-a-Pula and the Director of Development visited London and gave a presentation to a group of current Capital Group employees. This presentation resulted in an additional £5,850 of income from current employees of Capital Group. £500 of income came from two donations paid through our giving platform, Wonderful.org, and £18 from a scheme that was run by Amazon that donated a small percentage of money from individual purchases to registered UK charities.

On the 21<sup>st</sup> of June 2023 we carried out our annual transfer of funds to Maru-a-Pula School in Botswana from our Barclays account. £31,000 was transferred with an additional £31 to cover bank charges. All this money was allocated to the OVC Scholarship Fund at Maru-a-Pula in accordance with the aims of the UK Maru a Pula Trust.

The balance in our Barclays account at the end of 2023 was £601.36
