(Charity no 326332)

I report to the trustees in my examination of the accounts of the above charity ('The Manifold Trust') for the year ended 5 April 2025, which are set out on pages 4 to 9.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the requirement of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried under section 145 of the 2011 Act and in carrying out my examination. I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination, I confirm that no material matters have come to my attention (other than that disclosed below) in connection with the examination which give me cause to believe that in any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records: or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2025

1 Accounting Policies

Preparation of Accounts

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the accounts, and on the accruals basis in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Funds Structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. Unrestricted income funds are those funds which the trustees are free to use for any purpose in the furtherance of the charity's objectives.

Income

Donations (whether intended by the donor to be taken as additional income or as an addition to the Capital Fund of the Charity) are recognised when the charity becomes entitled to the resources. Any tax repayment resulting from the receipt of the donations is also accounted for in the period in which the donation is recognised.

Investment income is recognised within the accounts when the charity becomes entitled to the income. This income includes any income tax which may be recoverable.

Grants Payable

Distributions are only made to other charities and are recognised in the accounts when a commitment for payment is made.

Expenditure

Expenditure is allocated to the General Income Fund since it is the intention of the Trustees that the capital of the trust is to remain intact. It is the Trustees' policy not to make any claims for any expenses which they incur in relation to the operation or management of the charity. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the obligation can be reliably measured.

All expenditure is accounted for on the accruals basis.

Investments

Investment assets are stated at market value at the balance sheet date and any unrealised gains or losses arising in the year are shown separately within the accounts for the year.

The investments have been valued at market value by the relevant professional investment managers in respect of investments managed by them. Other investments have been valued based on published information.

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2024

1 Accounting Policies

Preparation of Accounts

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the accounts, and on the accruals basis in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Funds Structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. Unrestricted income funds are those funds which the trustees are free to use for any purpose in the furtherance of the charity's objectives.

Income

Donations (whether intended by the donor to be taken as additional income or as an addition to the Capital Fund of the Charity) are recognised when the charity becomes entitled to the resources. Any tax repayment resulting from the receipt of the donations is also accounted for in the period in which the donation is recognised.

Investment income is recognised within the accounts when the charity becomes entitled to the income. This income includes any income tax which may be recoverable.

Grants Payable

Distributions are only made to other charities and are recognised in the accounts when a commitment for payment is made.

Expenditure

Expenditure is allocated to the General Income Fund since it is the intention of the Trustees that the capital of the trust is to remain intact. It is the Trustees' policy not to make any claims for any expenses which they incur in relation to the operation or management of the charity. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the obligation can be reliably measured.

All expenditure is accounted for on the accruals basis.

Investments

Investment assets are stated at market value at the balance sheet date and any unrealised gains or losses arising in the year are shown separately within the accounts for the year.

The investments have been valued at market value by the relevant professional investment managers in respect of investments managed by them. Other investments have been valued based on published information.

THE MANIFOLD TRUST
INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2022
(Charity no 326332)

I report to the trustees in my examination of the accounts of the above charity ('The Manifold Trust') for the year ended 5 April 2022, which are set out on pages 4 to 9.

Responsibilities and basis of report

As the charity of trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirement of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried under section 145 of the 2011 Act and in carrying out my examination. I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination, I confirm that no material matters have come to my attention (other than that disclosed below) in connection with the examination which give me cause to believe that in any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records: or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2022

1 Accounting Policies

Preparation of Accounts

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the accounts, and on the accruals basis in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Funds Structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. Unrestricted income funds are those funds which the trustees are free to use for any purpose in the furtherance of the charity's objectives.

Income

Donations (whether intended by the donor to be taken as additional income or as an addition to the Capital Fund of the Charity) are recognised when the charity becomes entitled to the resources. Any tax repayment resulting from the receipt of the donations is also accounted for in the period in which the donation is recognised.

Investment income is recognised within the accounts when the charity becomes entitled to the income. This income includes any income tax which may be recoverable.

Grants Payable

Distributions are only made to other charities and are recognised in the accounts when a commitment for payment is made.

Expenditure

Expenditure is allocated to the General Income Fund since it is the intention of the Trustees that the capital of the trust is to remain intact. It is the Trustees' policy not to make any claims for any expenses which they incur in relation to the operation or management of the charity. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the obligation can be reliably measured.

All expenditure is accounted for on the accruals basis.

Investments

Investment assets are stated at market value at the balance sheet date and any unrealised gains or losses arising in the year are shown separately within the accounts for the year.

The investments have been valued at market value by the relevant professional investment managers in respect of investments managed by them. Other investments have been valued based on published information.

8. In planning the activities and grants for the year, the trustees have kept in mind the Charity Commission's guidance on public benefit.
9. The Charity carried out these objects by making grants for the public benefit to appropriate charities in accordance with the Charity's objects.
10. The trustees' policy on grant-making is to consider all charities to whom grants have been made in previous years and to consider appeals from new charities. Each application is considered independently on its merits, taking into account and the amount of grant required. Any benefit to the charity or its officers must be incidental.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS
FOR THE YEAR ENDED 5 APRIL 2021
(Charity no 326332)

I report to the trustees in my examination of the accounts of the above charity ('The Manifold Trust') for the year ended 5 April 2021, which are set out on pages 4 to 9.

Responsibilities and basis of report

As the charity of trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirement of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried under section 145 of the 2011 Act and in carrying out my examination. I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination, I confirm that no material matters have come to my attention (other than that disclosed below) in connection with the examination which give me cause to believe that in any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records: or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached
