In preparing this annual report the trustees confirm that due regard has been paid to the public benefit guidance published by the Charity Commission.

Objectives and activities for the public benefit

The charity's objectives and principal activity continue to be that of inspiring, informing and encouraging people in the care and celebration of their own localities, linking nature and culture.

From maintenance of its extensive website, creation of publications, conference and workshop speaking, working with the media, collaboration with other bodies and advisory work, all of Common Ground's activities are for public benefit.

Achievements and performance

2024 sees the continued development of bioregional approach to building homes and place-making in Raise the Roof with research with James Binning and Giles Smith of Assemble continuing. The writing project, Common Treasure, that has emerged out of this collaboration has also defined its ambition as "a new series of books about the challenges faced by rural communities, written by people who are working on the ground and in the fields. Each volume gathers the very best essays about climate adaptation, food production and land use, and presents them as alternatives to the prevailing political discourse." The project will be published by Little Toller in 2025 as "an ongoing conversations between members of the architecture collective Assemble and the arts organisation Common Ground". The Bridport Swift Town project was continued in 2024 to much success and enjoyment, with over 400 people involved in the various cultural events and citizen science swift surveys. The Strategic Direction of Common Ground continued to be discussed, with Brinscombe Farm beginning to be explored as a possible site for future Common Ground activities and collaboration with the National Trust and Dorset Wildlife Trust.

Financial review

Common Ground received fees and supplies income of £158 during the year (2023 £34) with total income of £26,270, compared with £25,124 in the previous year. There was a decrease in expenditure on raising funds which totalled £9,671 (2023 £22,667) and on charitable activities; £2,355 (2023 £2,467); total expenditure being £12,026 compared with £25,134 in 2023.

Net income for the year was £14,244, compared with net expenditure of £10 in the previous year, so that total funds were £27,701 at 31 December 2024.

Policy on reserves

The reserves policy aims to build up sufficient funds to absorb setbacks and fundraising difficulties as well as allowing opportunity and challenges to be faced positively. Minimum reserves should cover liabilities - sufficient for rent and overhead commitments - but we struggle to achieve savings of unrestricted reserves which usually get allocated to help with matching funding for projects and gaps between projects.

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 22 June 1982 and registered as a charity on 23 May 1983. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and appointment of trustees

The board has the power to appoint and remove trustees as it considers it fit to do so. To remove a trustee at least half the board must pass a resolution after giving the members fourteen clear days' notice of the resolution specifying the circumstances.

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Approved by the trustees for issue on 15 September and signed on their behalf by

**INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF COMMON GROUND**

I report to the charity trustees on my examination of the accounts of Common Ground for the year ended 31 December 2024, set out on pages 5 to 9.

Responsibilities and basis of report

As the charity trustees (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2) the accounts do not accord with those accounting records; or
- 3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4) the accounts have not been prepared in accordance with methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

1 Accounting policies**(a) Basis of preparation**

Common Ground is a private charitable company limited by guarantee and incorporated in England and Wales. In the event of liquidation, the liability in respect of the guarantee is limited to £1 per member. The address of the registered office is given in the Charity information on page 1 of these accounts.

Common Ground constitutes a public benefit entity as defined by FRS 102. The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The accounts are prepared on a going concern basis under the historical cost convention. The accounts are presented in sterling which is the functional currency of the Trust and rounded to the nearest £.

The significant accounting policies applied in the preparation of these accounts are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 a restatement of comparative items was needed. No restatements were required.

(b) Income

All income is recognised when the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount receivable can be measured reliably. No expenditure is netted off income.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the Trust's right to receive payment is established.

(c) Expenditure

Expenditure is recognised on an accruals basis as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes any VAT which cannot be fully recovered.

Donations and grants payable are payments made to third parties in the furtherance of the charitable objects of the charity. In the case of an unconditional grant offer this is accrued as a commitment once the trustees have approved the application and the recipient has been notified of the grant award.

REPORT OF THE TRUSTEES (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

Financial review

Common Ground received fees and supplies income of £34 during the year (2022 £27) with total income of £25,374, compared with £28,769 in the previous year. There was a corresponding decrease in expenditure on raising funds which totalled £22,667 (2022 £24,180) and on charitable activities; £2,538 (2022 £2,678); total expenditure being £25,205 compared with £26,858 in 2022.

Net income for the year was £169, compared with £1,911 in the previous year, so that total funds were £13,636 at 31 December 2023.

Policy on reserves

The reserves policy aims to build up sufficient funds to absorb setbacks and fundraising difficulties as well as allowing opportunity and challenges to be faced positively. Minimum reserves should cover liabilities - sufficient for rent and overhead commitments - but we struggle to achieve savings of unrestricted reserves which usually get allocated to help with matching funding for projects and gaps between projects.

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 22 June 1982 and registered as a charity on 23 May 1983. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and appointment of trustees

The board has the power to appoint and remove trustees as it considers it fit to do so. To remove a trustee at least half the board must pass a resolution after giving the members fourteen clear day's notice of the resolution specifying the circumstances.

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF COMMON GROUND

I report to the charity trustees on my examination of the accounts of Common Ground for the year ended 31 December 2022, set out on pages 5 to 9.

Responsibilities and basis of report

As the charity trustees (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2) the accounts do not accord with those accounting records; or
- 3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4) the accounts have not been prepared in accordance with methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

COMMON GROUND

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

(a) Basis of preparation

Common Ground is a private charitable company limited by guarantee and incorporated in England and Wales. In the event of liquidation, the liability in respect of the guarantee is limited to £1 per member. The address of the registered office is given in the Charity information on page 1 of these accounts.

Common Ground constitutes a public benefit entity as defined by FRS 102. The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The accounts are prepared on a going concern basis under the historical cost convention. The accounts are presented in sterling which is the functional currency of the Trust and rounded to the nearest £.

The significant accounting policies applied in the preparation of these accounts are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 a restatement of comparative items was needed. No restatements were required.

(b) Income

All income is recognised when the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probably that the income will be received, and the amount receivable can be measured reliably. No expenditure is netted off income.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the Trust's right to receive payment is established.

(c) Expenditure

Expenditure is recognised on an accruals basis as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes any VAT which cannot be fully recovered.

Donations and grants payable are payments made to third parties in the furtherance of the charitable objects of the charity. In the case of an unconditional grant offer this is accrued as a commitment once the trustees have approved the application and the recipient has been notified of the grant award.
