ANNUAL REPORT OF THE TRUSTEES
YEAR ENDED 5TH APRIL 2025

Objects and activities furthering the public benefit

The objects of the charity are to pay or apply the income or capital to charitable institutions, or charitable purposes, in such manner and in such proportions as the trustees may from time to time in their absolute discretion determine.

The trustees' policy is to support by grants (and in certain circumstances by loan) charities selected by the trustees. The Foundation also makes occasional educational grants for individuals. On providing the grants, the trustees have complied with their duty in Section 17(5) of the 2011 Charities Act to have regard to public benefit guidance published by the Charity Commission.

The trustees have agreed the grants for the next 12 months and do not welcome unsolicited applications in the meantime.

Financial review and achievements

The total income for the year was £73,580 compared to £70,708 in the prior year. Charitable donations were £75,000 and management and administration expenses including broker's fees were £10,332, resulting in a deficit (before investment gains and losses) for the year of £11,752. After net gains on investments assets of £41,804, the surplus for the year was £30,052.

At the end of the year, the balance on the Unrestricted Fund amounted to £5,080,829.

Reserves, investment policies and plans for future periods

The trustees do not consider that there is a need to maintain a specific level of reserves to achieve the objectives of the Foundation other than to meet future commitments. Their policy is regularly to distribute the whole of the net income together with a part of investment gains whether arising in the current or prior years.

The trustees' investment policy is to invest primarily for growth and they have consequently considered it acceptable to distribute more than the net income by way of charitable donations.

The trustees' investment policy is to invest primarily for long term growth and believe current market values will improve over time and confirm the charity remains a going concern.

Governing document and organisation

The governing document is the charitable trust deed dated 9th June 1983. The power of appointing new and additional trustees is vested in the trustees, provided that their number shall not exceed five, nor be less than two in number.

The investments are held under the names of the current trustees.

Risk management

The trustees have assessed the major risks to which the Foundation is exposed, in particular those related to the investment strategy. They are satisfied that adequate procedures are in place to mitigate exposure to these risks.

THE THORNTON FOUNDATION
STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE THORNTON FOUNDATION
FOR THE YEAR ENDED 5TH APRIL 2025**

I report on the accounts of the Thornton Foundation ('the Foundation') for the year ended 5th April 2025, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Foundation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Foundation's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Foundation as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The total income for the year was £70,708 compared to £63,643 in the prior year. Charitable donations were £1,000 and management and administration expenses including broker's fees were £12,210, resulting in a gain (before investment gains and losses) for the year of £57,498. After net gains on investments assets of £549,403, the surplus for the year was £606,901.

At the end of the year, the balance on the Unrestricted Fund amounted to £5,050,777.

ANNUAL REPORT OF THE TRUSTEES
YEAR ENDED 5TH APRIL 2023

Objects and activities furthering the public benefit

The objects of the charity are to pay or apply the income or capital to charitable institutions, or charitable purposes, in such manner and in such proportions as the trustees may from time to time in their absolute discretion determine.

The trustees' policy is to support by grants (and in certain circumstances by loan) charities selected by the trustees. The Foundation also makes occasional educational grants for individuals. On providing the grants, the trustees have complied with their duty in Section 17(5) of the 2011 Charities Act to have regard to public benefit guidance published by the Charity Commission.

The trustees have agreed the grants for the next 12 months and do not welcome unsolicited applications in the meantime.

Financial review and achievements

The total income for the year was £63,643 compared to £66,918 in the prior year. Charitable donations were £61,800 and management and administration expenses including broker's fees were £11,832, resulting in a deficit (before investment gains and losses) for the year of £9,989. After net losses on investments assets of £253,113, the net deficit for the year was £263,102.

At the end of the year, the balance on the Unrestricted Fund amounted to £4,443,876.

Reserves, investment policies and plans for future periods

The trustees do not consider that there is a need to maintain a specific level of reserves to achieve the objectives of the Foundation other than to meet future commitments. Their policy is regularly to distribute the whole of the net income together with a part of investment gains whether arising in the current or prior years.

The trustees' investment policy is to invest primarily for growth and they have consequently considered it acceptable to distribute more than the net income by way of charitable donations.

The charity is exposed to the volatility in equity and investment markets due to wider economic conditions and has been adversely impacted by the Covid-19 outbreak. However the trustees' investment policy is to invest primarily for long term growth and believe current market values will improve over time and confirm the charity remains a going concern.

Governing document and organisation

The governing document is the charitable trust deed dated 9th June 1983. The power of appointing new and additional trustees is vested in the trustees, provided that their number shall not exceed five, nor be less than two in number.

The investments are held under the names of the current trustees.

Risk management

The trustees have assessed the major risks to which the Foundation is exposed, in particular those related to the investment strategy. They are satisfied that adequate procedures are in place to mitigate exposure to these risks.

THE THORNTON FOUNDATION
STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE THORNTON FOUNDATION
FOR THE YEAR ENDED 5TH APRIL 2023**

I report on the accounts of the Thornton Foundation ('the Foundation') for the year ended 5th April 2023, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Foundation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Foundation's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Foundation as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE THORNTON FOUNDATION
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 5TH APRIL 2023

1. ACCOUNTING POLICIES

(a) Basis of preparation

The financial statements of the Foundation are prepared in accordance with *Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland* (Charities SORP (FRS 102)) published on 16 July 2014, and the *Financial Reporting Standard applicable in the UK and Republic of Ireland* (FRS 102), and the Charities Act 2011.

These financial statements are prepared under the historical cost convention as modified by the inclusion of investment assets at market value.

The charity constitutes a public benefit entity as defined by FRS 102.

(b) Unrestricted fund

The trustees may pay or apply the whole or any part or parts of the income or capital funds for any charitable purpose as the trustees in their absolute discretion think fit.

(c) Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. Gains and losses arising on revaluation and disposal of investments during the year are reflected in the Statement of Financial Activities.

All investment income is recognised when the dividend becomes payable.

(d) Expenditure

Costs of charitable activities are direct costs of the charity in undertaking its work to meet its charitable objectives and consist of charitable donations and governance costs. Governance costs includes those costs associated with meeting the constitutional and statutory requirements of the charity.

Grants are accounted for by reference to the date on which the obligation for payment becomes unconditional.

Other expenditure is accounted for on an accruals basis with the irrecoverable element of VAT included within the category of expense to which it relates.

(e) Foreign currency

Transactions denominated in foreign currency are recorded at actual exchange rates at the date of the transaction. Assets denominated in foreign currency at the year end are translated into sterling at the rate of exchange current at the balance sheet date. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is included as an exchange gain or loss in the Statement of Financial Activities.

(f) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Investments are referred to in (c) above. All other basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Foundation as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

(a) Basis of preparation

The financial statements of the Foundation are prepared in accordance with *Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland* (Charities SORP (FRS 102)) published on 16 July 2014, and the *Financial Reporting Standard applicable in the UK and Republic of Ireland* (FRS 102), and the Charities Act 2011.

These financial statements are prepared under the historical cost convention as modified by the inclusion of investment assets at market value.

The charity constitutes a public benefit entity as defined by FRS 102.

(b) Unrestricted fund

The trustees may pay or apply the whole or any part or parts of the income or capital funds for any charitable purpose as the trustees in their absolute discretion think fit.

(c) Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. Gains and losses arising on revaluation and disposal of investments during the year are reflected in the Statement of Financial Activities.

All investment income is recognised when the dividend becomes payable.

(d) Expenditure

Costs of charitable activities are direct costs of the charity in undertaking its work to meet its charitable objectives and consist of charitable donations and governance costs. Governance costs includes those costs associated with meeting the constitutional and statutory requirements of the charity.

Grants are accounted for by reference to the date on which the obligation for payment becomes unconditional.

Other expenditure is accounted for on an accruals basis with the irrecoverable element of VAT included within the category of expense to which it relates.

(e) Foreign currency

Transactions denominated in foreign currency are recorded at actual exchange rates at the date of the transaction. Assets denominated in foreign currency at the year end are translated into sterling at the rate of exchange current at the balance sheet date. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is included as an exchange gain or loss in the Statement of Financial Activities.

(f) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Investments are referred to in (c) above. All other basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

ANNUAL REPORT OF THE TRUSTEES
YEAR ENDED 5TH APRIL 2021

Objects and activities furthering the public benefit

The objects of the charity are to pay or apply the income or capital to charitable institutions, or charitable purposes, in such manner and in such proportions as the trustees may from time to time in their absolute discretion determine.

The trustees' policy is to support by grants (and in certain circumstances by loan) charities selected by the trustees. The Foundation also makes occasional educational grants for individuals. On providing the grants, the trustees have complied with their duty in Section 17(5) of the 2011 Charities Act to have regard to public benefit guidance published by the Charity Commission.

The trustees have agreed the grants for the next 12 months and do not welcome unsolicited applications in the meantime.

Financial review and achievements

The total income for the year was £66,176 compared to £91,208 in the prior year. Prior year income included a final dividend payment from the Establishment Investment Trust which was wound up in July 2019. Charitable donations were £131,461 and management and administration expenses including broker's fees were £11,154, resulting in a deficit (before investment gains and losses) for the year of £76,439. After net gains on investments assets of £1,401,523, the net income for the year was £1,325,084.

At the end of the year, the balance on the Unrestricted Fund amounted to £4,809,788.

Reserves, investment policies and plans for future periods

The trustees do not consider that there is a need to maintain a specific level of reserves to achieve the objectives of the Foundation other than to meet future commitments. Their policy is regularly to distribute the whole of the net income together with a part of investment gains whether arising in the current or prior years.

The charity is exposed to the volatility in equity and investment markets due to wider economic conditions and has been adversely impacted by the the Covid-19 outbreak. However the trustees' investment policy is to invest primarily for long term growth and believe current market values will improve over time and confirm the charity remains a going concern.

Governing document and organisation

The governing document is the charitable trust deed dated 9th June 1983. The power of appointing new and additional trustees is vested in the trustees, provided that their number shall not exceed five, nor be less than two in number.

The investments are held under the names of the current trustees.

Risk management

The trustees have assessed the major risks to which the Foundation is exposed, in particular those related to the investment strategy. They are satisfied that adequate procedures are in place to mitigate exposure to these risks.

Mrs S. J. Thornton - Chairman

THE THORNTON FOUNDATION
STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the Foundation's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE THORNTON FOUNDATION
FOR THE YEAR ENDED 5TH APRIL 2021**

I report on the accounts of the Thornton Foundation ('the Foundation') for the year ended 5th April 2021, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the Foundation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Foundation's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the Foundation as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
