N Vogiel
J Waldman

Independent examiner	D Schwarz FCCA 2nd Floor - Parkgates Bury New Road Prestwich Manchester M25 0TL
-----------------------------	--

Structure, governance and management

Chassidie Belz (Manchester) Synagogue Account is a charitable trust constituted by a Deed of Trust dated 14 November 1983 and is a registered charity, number 326480.

The Charity is run by the trustees who all act in an honorary capacity. A new trustee would receive copies of the previous years' Annual Report and Accounts and a copy of the Charity Commission leaflet 'The Essential Trustee : What you need to know'.

Risk Management

The trustees have identified and reviewed the major risks to which the charity is exposed. Both manual and automated checks are regularly invoked, particularly those relating to the operations and finance of the charity. The trustees are satisfied that these systems and procedures mitigate any perceived risks.

Chassidei Belz (Manchester) Synagogue Account

Trustees' Annual Report *(continued)*

Year ended 5 April 2021

Objectives and activities

The objectives of the charity are to benefit charitable purposes and charitable institutions and in particular the provision of synagogue, ritual baths, lecture hall and other communal facilities which serve many members of the Manchester Jewish community

Public Benefit Policy

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Grant Making Policy

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

Investment Policy

The Trust Deed authorises the Trustees to make and hold investments using the general funds of the charity.

Achievements and performance

During the year, the charity received donations of £341,205 rental income of £10,019 was also received in the year. Additionally, sales of the synagogue publication raised £8,203. £115,520 was spent on running the synagogue and its facilities and grants of £166,297 were made in furtherance of the objectives of the Charity. The synagogue building is well used and widely appreciated by the local community.

Financial review

As at 5 April 2021 the charity held unrestricted free reserves of £115,876 (2020:£64,974).

Reserves Policy

The Unrestricted Fund represents the unrestricted funds arising from past operating results.

The trustees are satisfied that the balance of the Fund is an acceptable level of reserves. It is the policy of the charity to maintain free reserves of approximately six months of its average synagogue running expenses, even if the charity were to encounter fundraising shortfalls over this period. This policy is reviewed annually.

Plans for future periods

It is anticipated that the charity will continue to run the synagogue, ritual baths, lecture hall and other communal facilities in accordance with its objects.

The trustees' annual report was approved on 4 February 2022 and signed on behalf of the board of trustees by:

B Leitner

Chassidei Belz (Manchester) Synagogue Account

Independent Examiner's Report to the Trustees of Chassidei Belz (Manchester) Synagogue Account

Year ended 5 April 2021

I report to the trustees on my examination of the financial statements of Chassidei Belz (Manchester) Synagogue Account ('the charity') for the year ended 5 April 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Chassidei Belz (Manchester) Synagogue Account

Notes to the Financial Statements

Year ended 5 April 2021

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 28 Broom Lane, Salford, Manchester, M7 4FQ.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements did not require management to make judgements, estimates or assumptions that affect the amounts reported at the year end.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Chassidei Belz (Manchester) Synagogue Account

Notes to the Financial Statements *(continued)*

Year ended 5 April 2021

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment	- 25% reducing balance
Fixtures & Fittings	- 10% reducing balance

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Chassidei Belz (Manchester) Synagogue Account

Notes to the Financial Statements *(continued)*

Year ended 5 April 2021

3. Accounting policies *(continued)*

Investment property

Investments in joint property syndicates

This represents capital introduced by the company into the syndicates plus accrued surpluses less deficiencies but without revaluing the syndicate properties.

Some of the syndicates in which the company is a participator have borrowings which are secured on the syndicate properties.

The company accounts for its syndicate investments under the 'equity accounting' basis and thus the company's share of such borrowings are not included in these accounts.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Net assets	<u>2,529,445</u>	<u>2,529,445</u>

22. Contingencies

The charity has entered into a joint and several loan agreement together with another charity, Ohr Torah Ltd. The loan was from The Unity Trust bank for an amount of £850,000 and is secured on the assets of Chassidei Belz (Manchester). The purpose of the loan was to fund the purchase of a school building. Ohr Torah holds title to the school building.

The likely financial impact on Chassidei Belz (Manchester) is deemed to be minimal as the trustees are confident that Ohr Torah will continue to generate sufficient income to cover the loan repayments. Furthermore, Unity Trust Bank has secured the loan with a debenture on all Ohr Torah Ltd's assets.

23. Related parties

During the year aggregate donations totalling £42,033 were received by the charity from trustees and related parties.

Included in other debtors are amounts due from the following charities whose trustees are also trustees of this charity or closely related to trustees of this charity;

	2021 £	2020 £
Belz Communities	12,000	18,570
Bais Malka Ltd	18,000	20,500

The above loans are interest free and repayable on demand.
