The Trustees are satisfied that the Trust's assets are available and adequate to fulfil its obligations for the forthcoming year.

It is anticipated that the Trust will continue to receive income and make distributions to a similar extent in the forthcoming year.

Policies on reserves, investment and adequacy of funds

The Trustees have resolved to establish reserves to provide for future activities, and they have wide powers of investment to achieve that aim.

Investment performance is monitored in conjunction with known and prospective fund raising income and funds are released or invested accordingly.

The Potel Charitable Trust Trustees' Annual Report

There is no intention in the long term to either increase or decrease capital invested.

Public Benefit

The Trust provided funds and support to a wide range of charities which all provide services openly available to the public.

Statement of Trustees' Responsibilities

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements that give a true and fair view of the charity's activities during the year and of its financial position at the end of the financial year. In doing so the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make sound judgements and estimates that are reasonable and prudent;
- prepare the financial statements on an ongoing basis unless it is inappropriate to presume that the charity will continue to operate.

The Trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charitable Trust and which enable them to ensure that the financial position of the Trust and the financial statements comply with the requirements of applicable law and regulations. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention of fraud and other irregularities.

This report was approved by the board on 30th October 2025 and signed on its behalf.

Trustee

The Potel Charitable Trust

We report on the accounts of the charity for the year ended 5th April 2025.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts.

The charity's trustees consider that an audit is not required for this year (under section 144 of the Charities Act 2011) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to our attention.

Basis of independent examiners opinion

We conducted our examination in accordance with the General Directions given by the Charity Commissioners for England & Wales. An examination includes a detailed review of the accounting records kept by the Charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently we do not express an audit opinion on whether the accounts present a 'true and fair view'.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

- 1) which gives us reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the charities Act 2011; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the charities act have not been met; or
- 2) to which, in our opinion, attention should be drawn to enable a proper understanding of the accounts to be reached.

It is anticipated that the Trust will continue to receive income and make distributions to a similar extent in the forthcoming year.

Policies on reserves, investment and adequacy of funds

The Trustees have resolved to establish reserves to provide for future activities, and they have wide powers of investment to achieve that aim.

Investment performance is monitored in conjunction with known and prospective fund raising income and funds are released or invested accordingly.

**The Potel Charitable Trust
Trustees' Annual Report**

There is no intention in the long term to either increase or decrease capital invested.

Public Benefit

The Trust provided funds and support to a wide range of charities which all provide services openly available to the public.

Statement of Trustees' Responsibilities

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements that give a true and fair view of the charity's activities during the year and of its financial position at the end of the financial year. In doing so the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make sound judgements and estimates that are reasonable and prudent;
- prepare the financial statements on an ongoing basis unless it is inappropriate to presume that the charity will continue to operate.

The Trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charitable Trust and which enable them to ensure that the financial position of the Trust and the financial statements comply with the requirements of applicable law and regulations. The Trustees are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention of fraud and other irregularities.

This report was approved by the board on 17 August 2022 and signed on its behalf.

Trustee

The Potel Charitable Trust

We report on the accounts of the charity for the year ended 5th April 2022.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts.

The charity's trustees consider that an audit is not required for this year (under section 144 of the Charities Act 2011) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to our attention.

Basis of independent examiners opinion

We conducted our examination in accordance with the General Directions given by the Charity Commissioners for England & Wales. An examination includes a detailed review of the accounting records kept by the Charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit and consequently we do not express an audit opinion on whether the accounts present a 'true and fair view'.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

- 1) which gives us reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the charities Act 2011; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the charities act have not been met; or
- 2) to which, in our opinion, attention should be drawn to enable a proper understanding of the accounts to be reached.
