STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trust governing document is in the form of a Deed made on 30 October 1985. The Trustees are appointed by virtue of the office they hold with LEIA, but need not to be restricted to office holders. The offices being President, Past-President and Managing Director, such appointments being made at the Association's Annual General Meeting.

Trustees are drawn from the Association's Board and have experience in fulfilling their obligations and will have received regular reports on Trust activity. In order to increase awareness of their responsibilities Trustee's attention is periodically drawn to the Charity Commission publication entitled 'The Essential Trustee'.

The Trust Manager has access to a wide range of expertise that exists within the framework of the Association (LEIA), the Manager reports to the Association's Managing Director who is a trustee. Trust activity is overseen by the Trustees to whom the Managing Director/Trustee reports at meetings which take place three times a year.

OBJECTIVES AND ACTIVITIES

The objectives of the Trust are the upholding and developments of standards of education, training and competence for those working within, or connected with, the lift and escalator industry and the promotion of such standards in the interests of employees and the public at large

OBJECTIVES AND ACTIVITIES *(continued)*

In setting out the Trust's objectives the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit. Not only the enhancement of knowledge and expertise but also with regard to safe use of products and especially in providing guidance to assist owners in guiding the public in general. Certain copies of this guidance is now available on the Association's website and there are plans for this to be further developed.

The Trust's main activities, consistent with the furtherance of its objectives, fall into two principal areas:-

Management of education through Distance Learning, a course run by the LEIA Educational Trust - this can involve up to 300 students in any one academic year.

The development and management of training through Qualification Credit Framework (QCF) developed specifically for the lift and escalator industry in conjunction with the Education Achievement and Learning (EAL Ltd).

ACHIEVEMENTS AND PERFORMANCE

This year has again been challenging for both the Trust and learners owing to the COVID-19 pandemic. There are three intakes for Distance Learning courses each year - in January, May and September. A continued high level of uptake was seen as learners accessed our distance learning provision. We were able to support this demand and to continued to deliver end-tests away from a traditionally invigilated end-test at a test centre.

Following the revision of the LEIA Distance Learning unit "Introduction to Lift Technology" the revision of the unit "Fundamentals of Lift Technology" has been completed.

The learning materials for the latter unit are now used by the University of Northampton as part of its Certificate in Lift and Escalator Technology. This covers fundamental concepts of technology, electrical and electronic, and mechanical engineering in the context of the industry. This collaboration marks a new chapter in our long-standing relationship with the University.

All the courses, Distance Learning and NVQ for which the Trust has responsibility satisfy nationally established criteria and are structured to varying levels of achievement in order to meet wide range and need. They are available to all who may be interested and guidance is available through the Trust or in case of academic study the University of Northampton.

FINANCIAL REVIEW

The reserves at 30 September 2021 amounted to £505,820 (2020: 451,411)

The adequacy of the reserves policy is reviewed annually.

PLANS FOR FUTURE PERIODS

At the end of the year, we were in discussion with the University of Northampton over the development of new Distance Learning units aimed at supporting the future needs of learners throughout the industry.

The trustees' annual report was approved on ...11 February 2022... and signed on behalf of the board of trustees by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

YEAR ENDED 30 SEPTEMBER 2021

I report to the trustees on my examination of the financial statements of LEIA Educational Trust ('the charity') for the year ended 30 September 2021.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

LEIA EDUCATIONAL TRUST

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 SEPTEMBER 2021

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 33-34 Devonshire Street, London, W1G 6PY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

There are no significant estimates or assumptions made that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Fund accounting

Unrestricted funds represent the funds of LEIA Educational Trust that are not subject to any restrictions regarding their use and are readily available for application on the general purposes of the Trust.

3. Accounting policies *(continued)*

Income from charitable activities

Income from charitable activities are recognised once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of incoming resources can be measured with sufficient reliability.

Donations and legacies

Donations are recognised in the accounts when the charity has been notified of the amount and the date the donation will be received, this is normally when a donation is received in the post or received into the charity bank account.

Legacies are recognised on a case by case basis following notification of the executor's intention to make a distribution. A legacy, in whole or in part, is only recognised in the accounts when receipt is considered probable and when the amount can be measured reliably by the charity. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Expenditure on charitable activities

Expenditure on charitable activities is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the activity. Liabilities are recognised as resources expended where there is a legal or constructive obligation committing the charity to the expenditure.

Governance costs

Governance costs are the costs that relate to the general running of the trust, as opposed to those costs associated with the strategic, as opposed to day-to-day, management of the trust's activities.

Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.
