The Dorus Trust

Trustees' report for the year ended 31 December 2021

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2021. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed and the Charities Act 2011. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The Dorus Trust is a registered charity established by trust deed on 23 July 1990. Its objects are to apply the income of the trust towards charitable purposes. This is achieved by making grants to other charities and voluntary bodies.

The trustees who served during the year are listed on page 1. Trustees are elected and removed by the serving board of trustees.

Summary of main activities and achievements in the year

Investment income during the year from investments and deposits totalled £29,270 (2020: £40,128).

Grants made amounted to £70,000 (2020: £54,500); a summary of the individual grants to charity is given in note 2 of the accounts. Administration costs and fees were £426 in 2021 (2020: £424).

As a result of grants exceeding investment income for the year, the deficit for the year on the income fund amounted to £41,156 (2020: £14,796).

The Expendable Endowment Fund amounted to £4,560,763 on 31 December 2021, an increase of £371,074 after charitable expenditure on the opening balance of £4,189,689. The total return for the year was 10.5% (2020 total return 11.5%), in what proved to be a relatively strong period for financial markets helped by maintained government and central bank support in response to the ongoing Covid-19 pandemic.

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

Reserves policy

The trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives, even if there is a temporary shortfall in income or unexpected expenditure. The trustees will endeavour not to set aside funds unnecessarily and consider the current level of reserves adequate.

Trustees' responsibilities

The trustees are required under Charity law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the financial activities of the charity for that period. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare financial statements on the going concern basis unless it is inappropriate to presume that the trust will continue in existence.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with applicable laws and regulations. They are also responsible for ensuring that the charity maintains an adequate system of internal control designed to provide reasonable assurance that assets are safeguarded against loss or unauthorised use and to prevent and detect fraud and other irregularities.

Independent Examiner's Report to the Trustees of The Dorus Trust

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31st December 2021 which are set out on pages 4 to 6.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
