CHAIR'S/VICE CHAIR'S REPORT FOR THE YEAR ENDING 30 SEPTEMBER 2024

Welcome to our 2024 Annual General Meeting and thank you all for turning out this evening. We would also like to welcome Melanie Curd, Associate Director of Corporate Governance, Derbyshire Community Health Services (DCHS).

The Tea Bar continues to show a presence in the Hospital by opening during the weekday mornings. Many thanks to all the ladies involved - Sandra, Chris, Margaret, Linda, Bhavna, Diana and Jan. Also thank you to Diana for keeping an account of our takings and Brian and Sue who do regular trips to Parfett's for our stock items. A coffee morning in the UTC Waiting Room and Calley Room on 21st October went very well raising £650. We had hoped to have arranged a second event in March this year but due to the UTC (Urgent Treatment Centre) being very busy the suggestion by the Hospital of location into the Phlebotomy Room and Calley Room was not feasible for us.

Our Christmas tree was put up in the UTC Waiting Room again in late November. We welcomed the Ripley Morris to dance after the tree lighting and refreshments. The tree of memory cards raised £166 and early in the New Year The Ripley Morris presented us with a cheque of nearly £1350 from their gusing around the local area. A quiz night on 26 April raised £763. Thank you to Rob Yeoman for organising the quiz and ticket sales and to everyone else on the night for helping. A fish and chip night on 1 July at Ripley's raised £464 and again thank you to Rob and all who helped the event run smoothly.

Two car boots down at Pentrich Fields were held and many thanks to Rob and everyone for helping clear a lot of our bric a brac stock from the store room.

We were invited by the Ripley Town Council and the Ripley Branch of the Royal British Legion to attend the Remembrance Day Parade to lay a poppy wreath at the war memorial. Thank you to Chris Redfern for being our representative on this occasion.

Several donations, legacies, collection boxes and fund raising events have provided income throughout the year.

We have supported the following departments with equipment in the Hospital during the year:

- 3 bariatric waiting room chairs
- Several minor items of equipment for the neuro therapy outpatients
- 3 riser recliner chairs for the Butterfly Ward

John and Brian had an introductory meeting in December with Dean Wallace, The Chief Operating Officer and Erin Marshall, The Capital and Estates Development Officer for Projects to talk about projects within the hospital. There was a follow up meeting in May with Erin Marshall and Sharon Martin, The Locality Manager for South Derbyshire Estates and Facilities/Division with Phyllis, John and Brian looking at potential projects for the League to consider funding. At the meeting we expressed concern over the reliability of the X-ray ultrasound scanner the current ones being supplied by the League in 2011 and 2015 respectively. Dialogue is ongoing.

The Commsteam interviewed John Briggs, Hon Treasurer in May for Volunteers Week following the realisation that John has been involved as Hon Treasurer of the LOF for 50 years, John's actual anniversary is taking place this evening so on behalf of the League of Friends we wish you many congratulations. Thank you for all your hard work, expert advice and guidance over the years.

Thank you also to Jan for all her secretarial work and to Phyllis for being Chairman in what has been a difficult year for her.

##### **Income**

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

##### **Taxation**

The charity is exempt from tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

**Chairman's report**  
**For The Year Ended 30 September 2021**

I am reporting this evening on activities during the period 24th December 2020 to 14th October 2021.

Over this period of nine months we have not been able to return to normality. A new meeting venue had to be found for the foreseeable future due to Covid restrictions and we are delighted that we are able to meet in All Saints Church, meeting dates organised up to and including our February meeting.

The Tea Bar remains closed and we have no idea of when we may be able to resume trading. Having been informed we could open up in May, arranging all the safety measures and purchasing a small stock the situation was reviewed again by DCHS and the Tea Bar remains closed. None of our fundraising events have been able to take place at the Hospital this year.

However, monies have been raised over this period from the sale of plants by Linda Brockway, sale of Easter Chickens. Rob Yeomans organised a pitch for the LOF twice at the Ripley Car Boot, ably assisted by Amy, Chris and myself. Thank you to all concerned. Our store shed is a little emptier.

We have received many donations over this period and the Community of Ripley and the surrounding area continue to generously support our work and the hospital.

We had a Fish and Chip Supper kindly donated by Ripley's Fish and Chips on 4th October. This had to be postponed originally due to Covid. It was a lovely evening and good to see everyone back together enjoying themselves and raising money to support our local hospital.

We have been pleased to support the purchase of a Visual Fields Analyser for the Eye Clinics held at the hospital at a cost of circa £34,000. We also have a request from the Urgent Treatment Centre in situ for £21,000 to support some office space moving to clinical space for an isolation room freeing up UTC to become fully operational once more.

We are looking for a meeting with the Derbyshire Community Health Trust to discuss projects requiring funding at the hospital. The meeting previously arranged for March 2020 was cancelled due to Covid.

We are in touch with Hospital. We want to be able to move forward and open up the Tea Bar and become more visible and proactive moving forward.

Sadly, Doris Hardwick passed away this year. Doris had been a member of the LOF for many years and her laughter, humour and support will be sadly missed.

Thank you to all for your support and hoping that as the year 2021/2022 progresses so will the League and we will be able to open up and continue in our work of supporting the hospital.

Chair

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

##### **Taxation**

The charity is exempt from tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

## Ripley Hospital League of Friends

### Chairman's report For The Year Ended 30 September 2020

Due to the Coronavirus pandemic this Extraordinary Meeting has been called at the request of the four officers of the League of Friends, Phyllis Holmes Chair, Brian Wright Vice Chair, John Briggs Treasurer, Jane Barnett Secretary and four members of the League of Friends, Diana Makin, Barbara Smith, Rob Yeomans and Phil Marsden, as we are unable to hold our Annual General Meeting due to the Coronavirus pandemic restrictions of numbers able to meet up. The meeting has been held to approve the Accounts for year 2019/2020 and to ask the officers to stay on until such time an Annual General Meeting can be called.

October to December 2019 saw the League of Friends operating as usual. Our programme of events for the year were in situ.

The 28th November saw the Lights on the Tree of Memories in the waiting room switched on by the Mayor of Ripley Town and the Ripley Morris Dancers danced again. This event raised £435 and thanks was given to Brian and Sue for organising this.

This was quickly followed by a very successful Christmas Fayre on 30th November which raised £1345. Thank you to each and every one of our members for their contribution at this event. The Carol Service on the ward was held on Tuesday 17th December officiated by the Hospital Chaplain and was well attended by the members of the League of Friends.

On the 9th January 2020 we were presented with a cheque by the Ripley Morris Dancers following their guising around the local hostelrys of Ripley and the surrounding area over the festive period.

We celebrated completion, handover and the opening of the upgrade of the Physiotherapy rooms and the staff area on 17th January 2020. No work had been done in this area since it was first built in 1989. This upgrade was fully funded by us at a total cost of £162,645.63. The upgrade was opened by William Jones from DCHS with the Mayors of Amber Valley and Ripley Town in attendance and a near full turn out of Ripley Morris Dancers who also treated us to a couple of dances. It was a joyous occasion.

At the request of the Officers and League of Friends members, our Secretary was asked to write to William Jones requesting a meeting with the DCHS Trust and the Officers of the League of Friends to discuss their plans for the future development of Ripley Hospital as we were looking for a new project. A date had been fixed for the end of March but due to the fast movement of Coronavirus the meeting was postponed until such time as the pandemic had subsided.

In February 2020 a new clock was fitted in the Clock Tower. Following a bequest of £500 for the existing clock to be back lit, it was found that the clock in question hadn't worked for some time so the League of Friends agreed to fund a new back lit clock at the total cost of £3666, the invoice for this has still not been received.

The last time the League of Friends was able to meet was on 12th March 2020. Our Spring Fayre due to be held on 28th March was cancelled due to the rise in Covid cases. The Tea Bar closed the following week for an indefinite period. The sell by dates of the chocolate, crisps, biscuits and drinks were checked and those coming up to their sell by date were cleared from the Tea Bar by Brian and Sue and donated to the Salvation Army Food Bank.

It was during the lockdown period March to June that it was decided we would have to cancel all our car boots and the Summer Garden Party at the beginning of July. Sadly as the year progressed it became evident that all our Christmas Fund Raising plans would have to be cancelled.

In September 2020 we had two small meetings of some members of the League of Friends, socially distance in a garden, but as the weather changed these were stopped.

At the beginning of 2019 the Officers of the League of Friends met the Phlebotomy Service Manager of the University Hospital of Derby and Burton NHS Foundation Trust, Royal Derby Hospital to discuss the use of Phlebotomy Units provided by the League of Friends at Ripley. Three units had been asked for and provided but only two were used on a regular basis and there were still horrendous queues most days. Monthly meetings were set up and then these went to quarterly, the last one held was on 26th February 2020. To our frustration we were not getting very far with a commitment from the Royal Derby Hospital to have three Phlebotomists on site every day using the units supplied as requested. Further meetings in 2020 were suspended due to Covid. The unit in Covid restricted times is presently working three days a week with two Phlebotomists and an appointment only basis only.

**Chairman's report**  
**For The Year Ended 30 September 2020**

We have continued to receive donations and bequests over the months and these have been recorded and banked. We had dared to hope to have a Charity stall on the Market at Christmas (out in the open) to have a small Christmas Fayre, Derbyshire was then put into Tier 3 and we cancelled. However the Christmas Puddings had been knitted by Diana, Jane and me and these have now all been sold and raised £190.

The Hospital asked if they could use our Christmas Tree and lights in the waiting room, Brian and Sue sorted this out and it has brightened up a very austere waiting room.

At the beginning of December a letter was sent out to all members and Tea Bar members informing them of what has been going on over the months. For the foreseeable future we are unable to open the Tea Bar. We know we are missed and many of us miss them.

**Independent examiner's report to the trustees of Ripley Hospital League of Friends**

I report to the charity trustees on my examination of the accounts of Ripley Hospital League of Friends (the Trust) for the year ended 30 September 2020.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
