Activities

Objects: (i) To promote high standards of planning, development and architecture in or affecting the area of benefit. (ii) To inform and advise residents and the public generally in the geography, natural history, environment, ecology, architecture and history of the area of benefit. (iii) To secure the preservation, protection, development and improvement of features in general public amenity or historic or public interest in the area of benefit. (iv) To liaise and cooperate with other community bodies to advance the objectives of the Society.

Activities: To promote high standards of planning and architecture in the Civic Parish of Hampton in Arden and its surroundings. To educate the public in the geography, history, natural history and architecture of the area. To secure the preservation, protection, development and improvement of features of historic or public interest in the area.
