Para 1.20	The Trustees of the charity continue to maintain and develop the village hall for the benefit of the identified population as above. Having charitable status has enabled us to be eligible for grant aid and we have secured grants in 2023 – 2024 to replace our dangerous and regulation M non-compliant Emergency Exit ramp and steps with a shallow ramp and steps that meet the regulations. This means that our hall is now far safer for the very young, the elderly and disabled to exit the hall in the case of an emergency evacuation, improving the safety of the venue for members of the community to use for their events.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Trustees of the charity continue to maintain and develop the village hall for the benefit of the identified population as above. Having charitable status has enabled us to be eligible for grant aid and we have secured grants in 2020 – 2021 to refurbish the kitchen, service the staging and furnish the hall with hand sanitizing equipment, pedal bins, paper towel dispensers, signage and anti viral sprays to enable the hall to function in as Covid safe a manner as possible. This has meant that our hall has been updated and therefore more attractive and useful for members of the community to use for their events.
