**ANNUAL REPORT OF THE COMMITTEE OF MANAGEMENT  
for the Year Ended 31<sup>st</sup> December 2020**

The Committee of Management present their annual report and financial statements of the Charity for the year ended 31<sup>st</sup> December 2020. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the Charity's governing documents, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

**Objectives and Activities for the Public Benefit**

The principal object of the Charity is for the purposes of a village hall, playing field and pavilion for the use of the inhabitants of the parish of Fiskerton-cum-Morton in the County of Nottingham without distinction of political, religious or other opinions, including use for meeting, lectures and classes and for other forms of recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants.

When planning our activities for the year the Committee of Management have had regard to Charity Commission guidance on public benefit in accordance with the Charities (Accounts and Reports) Regulations 2008 and, in particular, the specific guidance on charities for the advancement of community development and the advancement of amateur sport.

There have been various fundraising events held during the year and the Charity is reliant on the generosity of those who support these events. The Charity also values the many donations from individuals and organisations which are used to support the activities undertaken.

Many volunteers give up their time to help the Charity. Volunteers carry out much of the fundraising activities and the Committee of Management are very grateful to these volunteers for their commitment and support.

**Grant Making Policies**

The Charity does not pay out grants.

**Achievements and Performance**

During the year the Charity continued to provide the inhabitants of Fiskerton cum Morton with facilities for community activities.

**Impact of Covid-19 on activities**

The Committee of Management appreciate that we are living in extraordinary times due to Coronavirus and the impact that it is having upon many of our activities. The priority of the Committee of Management is the welfare of volunteers, the maintenance of our operations and the financial sustainability of the Charity.

We are being prudent in the management of our resources. No one can anticipate what the future holds or how long we will have to live with the effects of Coronavirus but measures in place should enable us to meet the challenges of the future.

**Financial Review**

The financial position of the Charity is adequately reflected in the financial statements for the year ended 31<sup>st</sup> December 2020. Income during the year was £31,464, of which £15,127 related to restricted funds. The net movement in funds for the year ended 31<sup>st</sup> December 2020 was a surplus of £1,918, comprising an unrestricted funds surplus of £4,381 and a restricted funds deficit of £2,463.

The restricted funds deficit for the year of £2,463 is in respect of that part of the depreciation charge on the New Building Work not covered by the amortisation of grants relating to buildings. The total cost of the new building work completed in 2006 was £363,796 of which £302,200 was received from grant providers (Big Lottery £150,000, WREN Landfill Tax £100,000 and East Midlands Development Agency £52,200) and £61,596 was raised by the local community. Of the depreciation charge on the new building work of £14,551 the sum of £12,088 is covered by the amortisation of grants leaving a charge to the Statement of Financial Activities of £2,463, which represents 1/25<sup>th</sup> of £61,596, the amount raised by the local community.

Total funds shown on the balance sheet at the end of the year were £84,890. The funds available are sufficient to permit the Charity to continue in operation and the nature and management of its cash deposits provides a firm base for the future.

**Investments Policy and Returns**

The Committee of Management ensures that surplus funds are invested to optimise returns, without risk, whilst allowing funds to remain available to meet expected cash flow commitments. Investment policy decisions in the future will be determined in the light of the amount of surplus funds available, but these are not expected to be material for the next two years.

ASSOCIATION (CHARITY NUMBER: 503789)**

**ANNUAL REPORT OF THE COMMITTEE OF MANAGEMENT (continued)  
for the Year Ended 31<sup>st</sup> December 2020**

**Reserves Policy**

The Committee of Management has prepared detailed business plans to ensure there is sufficient funding available to meet the expected costs of maintaining the Village Hall and to ensure future income will be adequate to meet anticipated running costs. It is the intention of the Committee of Management to review the Charity's reserves policy regularly.

**Risk Management**

The Committee of Management actively review the major risks which the Charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Committee of Management have also examined other operational and business risks faced by the Charity and confirm that they have established systems to mitigate the significant risks.

**Plans for the Future**

The Committee of Management are committed to the furtherance of the objects already outlined in this report.

The issues arising from Covid-19 continue to be responded to. We are well placed to return to 'normality' once restrictions ease.

**Structure, Governance and Management**

The Charity is an unincorporated body, constituted under a Lease and Trust Deed dated 1<sup>st</sup> February 1974.

The Trustee named on page 1 has served during the year. As set out in the governing document the Charity is managed through the Committee of Management to which representatives of the principal user groups are invited. Committee members are elected annually at the Annual General Meeting. The Committee of Management may in addition co-opt advisers to the Committee of Management at a special meeting.

At Committee of Management meetings the Committee of Management deal with the management issues as they arise and agree the broad strategy and areas of activity for the Charity, including consideration of investment, reserves and risk management policies and performance.

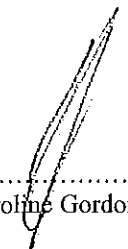

Any newly appointed member of the Committee of Management is introduced to the history of the Charity, a clear explanation of its structure and responsibilities including financial performance by the Chairman of the Committee of Management.

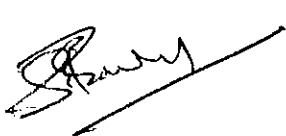

The Charity is not financially dependent upon the support of any individuals, corporation or classes of donors known to play a key role in its affairs.

There are no connected Charities or other Charities or organisations with which this Charity co-operates in the pursuit of its charitable objectives.

**Independent Examiner's Report to the Trustee and Committee of Management of Fiskerton cum Morton Sports & Gala Association**

I report to the Charity Trustee and Committee of Management on my examination of the accounts of the Charity for the year ended 31<sup>st</sup> December 2020 which are set out on pages 5 to 11.

**Responsibilities and Basis of Report**

As the Committee of Management you and the Trustee are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an Independent Examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS  
for the Year Ended 31<sup>st</sup> December 2020**

**1. ACCOUNTING POLICIES**

**General Information and Basis of Accounts Preparation**

Fiskerton cum Morton Sports & Gala Association is an unincorporated Charity. The principal address is given in the Charity information on page 1 of these financial statements.

The Charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention.

**Funds Accounting**

Funds held by the Charity are either:-

- **Restricted Funds** - these funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of support costs and governance costs.
- **Unrestricted Funds** - these are funds which can be used in accordance with the charitable objects at the discretion of the Committee of Management.

**Income**

All Income is included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of donations, gifts and fundraising events and is included in full in the Statement of Financial Activities when receivable.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- Income from charitable activities is accounted for when earned.
- Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.
- Investment income is included when receivable.

**Expenditure**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Costs of raising funds comprise the costs associated with attracting voluntary income and the costs of events for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Other costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examiner's fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis as set out in Note 3.

**NOTES TO THE FINANCIAL STATEMENTS  
for the Year Ended 31<sup>st</sup> December 2020**

**1. ACCOUNTING POLICIES continued**

**Tangible fixed assets and depreciation**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Buildings	- 4% straight line
Sports ground machinery and floodlights	- 20% reducing balance
Fixtures, Fittings & Equipment	- 5% to 25% reducing balance, depending upon the nature of the asset

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Debtors and creditors receivable/payable within one year**

Debtors and creditors receivable or payable within one year are recorded at transaction price.

**Grants**

Capital based grants relating to depreciable assets are included within accruals and deferred income in the balance sheet and credited to the Statement of Financial Activities over the estimated useful economic lives of the assets to which they relate.

**Going Concern**

The Committee of Management have at the time of approving the financial statements a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Whilst the economy has been significantly impacted by the Covid-19 virus, the charity still has reserves sufficient to meet its immediate requirements. Therefore, the Committee of Management continue to adopt the going concern basis of accounting in preparing the financial statements.
